Dr. Holland says: "That if persons are always supposing that they are liable to a certain distemper, the nerves will so act on the part that it is very likely to come upon them."

If you would keep your hands from chapping during the winter, wash them as often as you please, but rub them "bright dry" each time: don't leave a particle of moister for the cold atr to act upon.

MARRIED,

On Tuesday evening last by the Rev. Mr. Sanderson, Mr. Chas. H. Jewell, to Miss Sarah Rebecca Pippin, both of Kent county.

[We return our thanks to the happy couple for the CAKE we received, and wish them a long and blissful life.]

On the 3rd inst. by the Rev. E. R. Williams, Mr. Edward Goodin to Miss Jane Hevren, both of this county.

DIED.

At the Baltimore Infirmary on the 27th inst. James Fowler, of Queen Anne's county, in his 30th year.

On the 22d ult., in Still Pond, Macall M. Rasin, Esq.

Well may we apply to the character of the deceased, "That an honest man is the noblest work of God." It is not the wish of the writer of this obituary to eulogise much upon the many good qualities of the deceased for all who knew him, could but admire the character of a devoted husband, a kind and affectionate father, (affectionate, yes, even to a fault,) a sincere friend and obliging neighbor. He was loved, esteemed, and respected by all who knew him; for his heart was too kind to be at enmity with his fellow man. His greatest pleasure was to assist his friends to the extent of his abilities; bestowing charity to the widow and orphan, giving alms cheerfully and a cordial greeting to his friends around his cheerful hearth or in the busy throng of public life.

He represented his native county three different times in the Legislature, where he discharged his duty with promptness and fidelity to his constituents. May his children, like him, be guided through life with such honorable, just and gentlemanly principles, is the wish of his friends. H.

WHO WILL LONGER HESITATE? Three new certificates of Cures, by DR. CULLEN'S Indian Vegetable Panacea!!!

READ THEM!!

SCROFULA.

Mr. John W. Middleton, No. 85, South Eigth street, gives the following brief history of his case "I have suffered for many years with a severe Scrofula, effecting my *legs, armr and head;* at times not being able to walk without crutches. I had tried almost every thing, before I commenced with your Panacea, but to little purpose. The *Panacea* has proved itself superior to all other medicines I have taken, as that alone has effected the cure."

Mr. Middleton was offered fifteen dollars a week to remain in the office of a certain Doctor in this city, and reprerent the cure as being effected by his medicine; it is unnecessary to say that Mr. M. spurned the villainous offer with indignation. *Mr. M. can be seen at his own residence.*

ERYSIPELAS.

Mr. B. J. Kensil, a gentleman well known in this city, gives the following information. "I was troubled with a painful leg for about eighteen months, so distressing at times, as to disqualify me from following my business, and deprive me of sleep. I was induced by a friend to make use of your Dr. Cullen's Indian Vegetable Panacea. My leg at the time I commenced the Panacea, was much swollen and inflamed, with a large ulcer open. The leg is now entirely well. Mr. Kensill resides at No 1pad 125 Eleventh street.

SCROFULOUS ULCERS.

Mrs. Mary T. Charles, a highly respectable lady living in Williamstown, New Jersey, had suffered about nine years with ULCERS on the leg. The attending Physicians said nothing but amputation could save her life. Reading the many astonishing cures performed by DR. CULLEN'S Indian Vegetable Panacea, she sent a friend to procure some of the medicine, but unfortunately she missed the place and got in to a Doctor's office, who represented his medicine as the Panacea, and of which she took some twenty bottles, without benefit, before finding her mistake. Her friend then called and procured Dr. Cullen's Panacea, and after using it about ten months Mrs. Charlhs thus writes under date of Dec. 20th, 1847:

Messrs. Rowand & Walton—Gentlemen: You request me to inform you how I am getting, I have the pleasure of stating to you that my health is good—I have a good appetite, and my leg, which it was thought would have to be taken off, is now entirely well. MARY T. CHARLES.
