FROM
# ASTHMA
what has relieved him in such a short time from his difficulty of breathing, Cough and suffocation? He will tell you it was "the Olosaonian, or All-Healing Balsam." Ask the Consumptive what has allayed his Cough, removed the Pain in his Side and Chest, checked his night sweats and placed the rose of health upon his cheek? and he will tell you
*SHERMAN'S OLOSAONIAN,*
OR
## All-Healing Balsam.

Ask your friends if they know of any thing that will so speedily cure a long and tedious Cough, Raising of Blood, Bronchitis, Dyspeptic Consumption, Hoarseness, Inflenza, and diseases of the Throat, as the Olosaonian? and they will tell you—No. There never yet has been a remedy introduced to public notice which has been productive of so much good in so short a space of time. Read the following

*ASTONISHING CURES.*

Wm. Bond, the celebrated Boston cracker baker, 98 Nassau street, Brooklyn, states that his wife has been afflicted with Asthma for 30 years, and could not find permanent relief from the best medical advice which New York and Brooklyn could produce, was induced to try this great remedy. She is now nearly well His daughter, who was suffering from the same disease, tried it, and was also cured by it. Mrs. Bond is now so well that she is able to rise from her bed early in the morning and attend to her usual duties through the day without any annoyance from her distressing malady.

Henry Jackson, 13th street, near the Catholic Cemetry, came to the store for the purpose of obtaining a bottle of the Olosaonian, having been afflicted with the Asthma for more than 30 years, and was so exhausted on his arrival that he could not speak. He purchased a bottle and rode home. Four days afterward he walked from his residence to the office without fatigue, a distance of over two miles, to tell of the wonderful relief which he had experienced from using about one half of one bottle.

CONSUMPTION OF THE LUNGS.

Mr. Comfort, 35 White street, was so low the month of December last, that he was given up by his physician. His friends entertained no hope of his recovery. He was persuaded to try the Olosaonian, and to his surprise it has so far restored him to health that he is now able to walk about the streets.

Mrs. Attree, the wife of Wm. H. Attree, James Harman, Esq., and George W. Hays, Esq., can all bear testimony from their own experience of the leading properties of this Great Remedy in Consumption of the Lungs.

*SPITTING BLOOD.*

Mrs. Thoubourne, 352 Monroe street, who had been troubled for a great length of time by a severe cough, and raised quantities of blood, was relieved by one bottle of the Olosaonian, and declare it the greatest remedy in the world.

Dennis Kelly, 26 Water street, was also relieved from the same complaint, although he was very much reduced when he commenced taking it, having been under the care of his physician during the past winter. Although he coughed constantly and was very much troubled with night sweats, two bottles of the remedy enabled him to return to his daily work. He was entirely relieved

David Henderson, 60 Laight street, G. W. Burnett, formerly of Newark, N. J., Henry Lisbon, 199 Rivington street, and numerous other persons have been speedily and permanently cured of the same complaint by this remedy.

*THE ARRAY OF NAMES*

which could be produced of persons who have used this great remedy would more than fill a column. Among the number we are permitted to refer to A. M. Bininger, 102 Barclay street; Mr. Wilson of Hoboken; Mrs. Bell of Morristown, N. J.; James B. Devoe, 101 Reade street, Mrs. McCaffree, 50 Attorney street; F. Smith, 92 Third avenue; Mrs. Wm. H. Attree of this city, and Mrs. Archibald, 35 White street.

# DR CULLEN'S
## Indian Vegetable Panacea.

Persons affected with Scrofula, Kings' Evil, Cancer, Erysipelas, Old Sores, Ulcers Tetter, Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine.

*Read! Read!! Read!!!*

We, the undersigned having visited Mr. Isaac Brooks, Jr., at the office of Messrs. Rowand & Watson, 376 Market street, Philadelphia, consider his case the most remarkable one we have ever witnessed or heard of. His disease was *Scrofula*, and terrible must have been his twelve years' conflict with the destroyer.. His palate, the entire roof of his mouth, nose, upper lip, the lower lid of the right eye, have all been destroyed, his face *nearly eaten up* and part of the Jaw Bone carried away.—And yet we can give no description of his case. Mr. B. informe us that in January last the whole interior of his mouth, as well as most of his face, was a mass of deep and painful ulcers. On the 14th of January last, he commenced taking Dr. Cullen's Indian Vegetable Panacea, which checked the disease in a few days, and from that time the cure has progressed without intermission. New flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound, and his general health is restored. We are assured that in the treatment of Mr. Brook's case, no Mercurials, Ointments, or Caustic Applications have been used—in fact, the panacea alone, has wrought this wonderful change.

J W Jones, M D South Second, st, Phil. E W Carr, 440 N Fourth, ab. popular st, N Liberties; C W Appleton, M D 46, south st, Phila.; Wm Steeling, M D Camden, New Jersey; J H Potter, Manufacturer of Mineral Teeth. 109 South ninth st, Phila.; E A Wollenwiber, editor "Philadelphia Democrat," 277 N Third st.; George W Metz, brush maker, 317 Market st, Phila Rev A D Gillette, pastor of Eleventh Baptist Church, Phila.; John Bell, Erie street, Philadelphia, (North American office; John W. Roby, M D, Harrisburgh.

The above named gentleman, (constitution but a small portion of those who have visited Mr. Brooks, at our office in Philadelphia, and would certify to the same facts if necessary,) are well known, and their high standing in society, precludes the idea of their lending their names to carry on an imposition.

And here we say, without the fear of contradiction, that we have not found a case of Scrofula or other disease for which we recommend the panacea, which the medicine has not speedily arrested.

The veracious testimony attached to the Native Preparation of Capt. Brants Indian Remedies is a sufficient attestation to their merits. The soothing influence of the Pulmonary Balsam over the raging tortures of the CONSUMPTIVE'S COUGH, the cessation of their pains, the increase facility afforded to the expectoration, the absence of those debilitating night sweats altogether produce the consciousness of relief and permanent cure in the patient's mind. Add to these the

This Compound is one of the best remedies ever offered the public in Coughs, whether arrising from Colds or the Whooping Cough, or that dreadful malady, Consumption, Few remedies, in the short time it has been before the public, have effected so many cures. The proprietors are every day receiving orders for it at a distance, in which they have been highly gratified to learn it good effects. The Bishop of the Protestan Episcopal Church of Maryland, (the Righ Rev'd. W. R. Whittingham) has authorised us to say he has used it in his own person with decided benefit; and our Medical friends do not scruple to recommend it as one of the best remedies in Consumption, Bronchitis, Asthma, &c., which they have ever met with. Tae following is from a highly respectable physician on Kent Island, whom we made acquainted with the preparation.

Kent Island, June 22, 1847.

Dr. Martin—Dear Sir: Since my return home, I prescribed your Syrup of Wild Cherry, in several cases; one in particular, a case of Asthma of long standing (about 12 years, a neighbor and patient of mine—. Her disease has never been benefitted by any Medicine which rhe has taken, and for the last year or two she has been confined entirely to the house. I do not know that she has had a good night rest for a long time, but since she commenced taking your medicine (and she has only taken one bottle,) she is enabled to go to bed and sleep well all night I think the medicine will make a perfect cure her husband, Mr. Earcikson, is a merchant here, and says if you will send him some of it, he will act as your agent.

No mercury, quinine or arsenic enters into the composition of these pills.—This loathsome disease, which has heretofore baffled the efforts of the most skillful and scientific physicians, for generations prey upon your constitutions until they become so shattered that you are subject to almost every disease incident to the human frame. Yes, Liver Disease, Jaundice, Dropsy, Enlargement of the Melt, Palpitation of the Heart, slow Fevers, general debility, and a hacking Cough, and finally eventuates in Consumption, and consigns thousands to untimely tombs. Go search amid the malaria districts of our country, on the records of human ruin, you shall find that many thousands of the brave an the beautiful; the graceful and the gifted have fallen victims from the many causes produced by letting this great destroyer of health prey npon the system. These pills act like a charm on the organs of digestion, and have a special effect in correcting the bile and gall bladder, removing all obstruction to a healthy secretion of bile, and imparting cheerfulness to the mind as well as tone and vigor to the whole constitution. *NATURE'S OWN REMEDY!*

THE INVALIDS BEST FRIEND!

It is confidently asserted that there never was a medicine which has given such uniform and universal satisfaction, as

*Wright's Indian Vegetable Pills.*

They have stood the severest trials, by curing when all other remedy failed, and have established reputation in the face of the envious slanders which have been raised against them.

Let it be borne in mind that Wright's Indian Vegetable Pills are

*No Catch-penny Remedy,*

the offspring of the hour destined to pass away with it, and be forgotten, but a medicine of sterling value.

*For Fever and Ague,*

That scourge of the west. Wright's Indian Vegetable Pills stand unrivalled. An instance has never come to our knowledge of these Pills having been taken, without effecting a complete cure. In chills and fever the liver and bilary functions are chiefly disordered, superinduced by great physical delibity. When the symptoms first appear, no time should be lost before resorting to these Pills. A few doses will give such manifest relief that no persuasion will be necessary to continue the use of them.

*For Dyspepsia,*

Wright's Indian Vegetable Pills, will be found very superior. In this disease, the gastric juice is weak and deficient in quality. Consequently, the digestion is imperfect and the health impaired. These Pills remove the bile from the stomach, restore its tone, and improve the digestion.

*Great Female Medicine!*

It would be difficult precisely to tell to which of the two sexes Wright's Indian Vegetable Pills have been the two greatest blessing. But it is very certain that these pills have given health, and spirits, and a good complexion, to hundreds of females, who would without them, have been in their graves. A box of Wright's Indian Vegetable Pills, is an inestimable companion at certain periods.

*Valuable Anti Bilious Medicine!*

It is well known that the South and West suffer more from bilious disorders than from all others combined. This is partly owing to the climate, but chiefly to the nature of Southern and Western life. The sensations accompanying liver complaint are of the most wretched description. Habitual drunkenness is frequently brought on by liver complaint A patient suffering from this disease, should not be mocked with pretended cures; yet there are very few medicines that are worth a straw in the removal of this complaint. Calomel has hitherto been the chief reliance, but the remedy has proved itself worse than the disease! What then shall be done? We say, give Wright's Indian Vegetable Pills a trial, If they do not exceed your expectations, we are willing to bear all the opprobrium of failure.

The following Agencies have been established for the sale of Wright's Indian Vegetable Pills in Kent county:

## U. S. Hotel.

THIS populer Hotel, situated on Pratt street, immediately opposite the Baltimore and Ohio Railroad Depot, under the proprietorship of Mrs. C. Bradshaw, has recently been considerably enlarged by a handsome five story addition in the rear, which renders it one of the most commodious of the first class Hotels of our city. This addition contains a number of rooms of large size, handsomely furnished and fitted with grates and every convenience for the comfortable accommodation of guests. Attached to it are a number of bath rooms, which are being furnished, and where the luxury of a warm or cold bath can be at any time enjoyed. It is surrounded by a beautiful portico, by which access can be had to the top of the house from the yaad or from either story without entering the interior of the building, and affording, in case of fire, another mode of decendant independent of the inner stairs eases, each story of the portico being brilliantly lighted with gas. The yard will be handsomely ornamented with trees and shrubbery, and will offer a pleasant retreat in warm weather.

One great convenience we noticed throughout the entire Hotel is the introduction of both warm and cold water, by means of pipes, to each story; a convenience which will be greatly appreciated by a travellers, and especially by families.

The whole catablishment is fitted up in a superior manner, the parlors being furnished in the latest and most costly style, and the chambers, which are light and airy, being replete with every comfort and convenience. The table always exhibits an abundance of every luxury to be found in our markets, and a number of polite servants are constantly in attendance to supply the wants of the guests.

The contiguity of the United States Hotel to the Railroad depot and steamboat landings renders its location particularly desirable to travellers, who are sure to meet with the utmost courtesy and urbanity, and where in fact they will always feel at home.
