WHO WILL LONGER HESITATE? Three new certificates of Cures, by DR. CULLEN'S Indian Vegetable Panacea!!!

READ THEM!!

SCROFULA.

Mr. John W. Middleton, No. 85, South Eigth street, gives the following brief history of his case "I have suffered for many years with a severe Scrofula, effecting my *legs, armr and head;* at times not being able to walk without crutches. I had tried almost every thing, before I commenced with your Panacea, but to little purpose. The *Panacea* has proved itself superior to all other medicines I have taken, as that alone has effected the cure."

Mr. Middleton was offered fifteen dollars a week to remain in the office of a certain Doctor in this city, and reprerent the cure as being effected by his medicine; it is unnecessary to say that Mr. M. spurned the villainous offer with indignation. *Mr. M. can be seen at his own residence.*

ERYSIPELAS.

Mr. B. J. Kensil, a gentleman well known in this city, gives the following information. "I was troubled with a painful leg for about eighteen months, so distressing at times, as to disqualify me from fotlowing my business, and deprive me of sleep. I was induced by a friend to make use of your Dr. Cullen's Indian Vegetable Panacea. My leg at the time I commenced the Panacea, was much swollen and inflamed, with a large ulcer open. The leg is now entirely well. Mr. Kensill resides at No ad.125 Eleventh street.

1South Ded. 28, 1847.

SCROFULOUS ULCERS.

Mrs. Mary T. Charles, a highly respectable lady living in Williamstown, New Jersey, had suffered about nine years with ULCERS on the leg. The attending Physicians said nothihg but amputation could save her life. Reading the many astonishing cures performed by DR. CULLEN'S Indian Vegetable Panacea, she sent a friend to procure some of the medicine, but unfortunately she missed the place and got in to a Doctor's office, who represented his medicine as the Panacea, and of which she took some twenty bottles, without benefit, before finding her mistade. Her friend then called and procured Dr. Cullen's Panacea, and after using it about ten months Mrs. Charlhs thus writes under date of Dec. 20th, 1847:

Messrs. Rowand & Walton—Gentlemen: You request me to inform you how I am getting, I have the pleasure of stating to you that my heslth is good—I have a good appetite, and my leg, which it was thought would have to be taken off, is now entirely well.

MARY T. CHARLES.
