WHO WILL LONGER HESITATE? Three new certificates of Cures, by Dr. CULLEN'S Indian Vegetable Panacea!!!

READ THEM!!

SCROFULA.

Mr. John W. Middleton, No. 85, South Eighth street, gives the following brief history of his case: "I have suffered for many years with a severe Scrofula, effecting my *legs, arms and head;* at times not being able to walk without crutches. I had tried almost every thing, before I commenced with your Panacea, but to little purpose. The *Panacea* has proved itself superior to all other medicines I have taken, as that alone has effected the cure."

Mr. Middleton was offered fifteen dollars a week to remain in the office of a certain Doctor in this city, and represent the cure as being effected by his medicine; it is unnecessary to say that Mr. M. spurned the villainous offer with indignation. *Mr. M. can be seen at his own residence.*

Phila. Dec. 18th, '47.

ERYSIPELAS.

Mr. B. J. Kensil, a gentleman well known in this city, gives the following information. "I was troubled with a painful leg for about eighteen months, so distressing at times, as to disqualify me from following my business, and deprive me of sleep. I was induced by a friend to make use of your Dr. Cullen's Indian Vegetable Panacea. My leg at the time I commenced the Panacea, was much swollen and inflamed, with a large ulcer open. The leg is now quite well." Mr. Kensill resides at No. 125 Eleventh street.

Phila. South Dec. 28, 1847.

SCROFULOUS ULCERS.

Mrs. Mary T. Charles, a highly respectable lady living in Williamstown, New Jersey, had suffered about nine years with ULCERS on the leg. The attending Physicians said nothing but amputation could save her life. Reading the many astonishing cures performed by DR. CULLEN'S Indian Vegetable Panacea, she sent a friend to procure some of the medicine, but unfortunately she missed the place and got into a Doctor's office, who represented his medicine as the Panacea, and of which she took some twenty bottles, without benefit, before finding her mistake. Her friend then called and procured Dr. Cullen's Panacea, and after using it about ten months Mrs. Charles thus writes under date of Dec. 20th, 1847:

Messrs. Rowand & Walton—Gentlemen: You request me to inform you how I am getting. I have the pleasure of stating to you that my health is good—I have a good appetite, and my leg, which it was thought would have to be taken off, is now entirely well. MARY T. CHARLES.

The above medicine is for sale at the store of Mr. J. L. STAM, Chestertown.

SALVATION FOR A CRAFT OUT DONE!—Mr. J. T. Rowand—Dear Sir:—For four or five years I have suffered greatly from Rheumatism in my head, which, during the last year became worse and worse. For four or five weeks previous to the 15th instant, I had suffered without intermission, my general health was much impaired, my sight injured, and my head so sensitive that I could scarcely rest it upon the pillow. Two days since, a *single application* of your "MAGIC LOTION" *relieved me entirely in two or three minutes!* I have applied it occasionally since, and the soreness is nearly gone. So great and sudden was the change that I can scarcely realize that I am the *same man?*

I have also cured one of my children, and a female friend of headache in two or three minutes.

So great is my confidence in the "Magic Lotion" that I would not be without a bottle for "*fifty times its cost.*"

Yours respectfully,
JACOB W. SOUDER,

And consumption, pain in the side and night sweats, asthma, whooping cough, palpitation of the heart, liver complaint, bronchitis,

And all diseases of the throat, lungs and liver, cured by Sherman's All-Healing Balsam.

Raising Blood and Consumption.

Mr. Milne, Builder, in Brooklyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live. Hearing of the wonderful cures performed by Sherman's Balsam, he sent and got a bottle; it operated like a charm, and stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work; it had saved his life. His daughter can attest it.

14 years Mr. John O'Neil, 10th avenue and 21st street suffered with a cough, raising of phlegm, and pain in his side. He could get no relief till he tried the All-Healing Balsam, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

Pleurisy and Consumption.

Mrs. Buggas, a lady upwards of 70, residing 88 Sheriff, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. DR CULLEN'S

Indian Vegetable Panacea.

Persons affected with Scrofula, Kings' Evil Cancer, Erysipelas, Old Sores, Ulcers, Tetter, Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine.

Read! Read!! Read!!!

We, the undersigned having visited Mr. Isaac Brooks, Jr., at the office of Messrs. Rowand & Watson, 376 Market street, Philadelphia, consider his case the most remarkable one we have ever witnessed or heard of. His disease was *Scrofula*, and terrible must have been his twelve years' conflict with the destroyer. His palate, the entire roof of his mouth, nose, upper lip, the lower lid of the right eye, have all been destroyed, his face *nearly eaten up* and part of the Jaw Bone carried away.—And yet we can give no description of his case. Mr. B. informs us that in January last the whole interior of his mouth, as well as most of his face, was a mass of deep and painful ulcers. On the 14th of January last, he commenced taking Dr. Cullen's Indian Vegetable Panacea, which checked the disease in a few days, and from that time the cure has progressed without intermission. New flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound, and his general health is restored. We are assured that in the treatment of Mr. Brook's case, no Mercurials, Ointments, or Caustic Applications have been used—in fact, the panacea alone, has wrought this wonderful change.

Roby, M D, Harrisburgh.

The above named gentleman, (constitution but a small portion of those who have visited Mr. Brooks, at our office in Philadelphia, and would certify to the same facts if necessary,) are well known, and their high standing in society, precludes the idea of their lending their names to carry on an imposition.

And here we say, without the fear of contradiction, that we have not found a case of Scrofula or other disease for which we recommend the panacea, which the medicine has not speedily arrested.

The veracious testimony attached to the Native Preparation of Capt. Brants Indian Remedies is a sufficient attestation to their merits. The soothing influence of the Pulmonary Balsam over the raging tortures of the CONSUMPTIVE'S COUGH, the cessation of their pains, the increase facility afforded to the expectoration, the absence of those debilitating night sweats, altogether produce the consciousness of relief and permanent cure in the patient's mind. Add to these the

Dr. Martin's compound syrup of Wild Cherry.

This Compound is one of the best remedies ever offered the public in Coughs, whether arrising from Colds or the Whooping Cough, or that dreadful malady, Consumption. Few remedies, in the short time it has been before the public, have effected so many cures. The proprietors are every day receiving orders for it at a distance, in which they have been highly gratified to learn its good effects. The Bishop of the Protestant Episcopal Church of Maryland, (the Righ. Rev'd. W. R. Whittingham) has authorised us to say he has used it in his own person with decided benefit; and our Medical friends do not scruple to recommend it as one of the best remedies in Consumption, Bronchitis, Asthma, &c., which they have ever met with. The following is from a highly respectable physician on Kent Island, whom we made acquainted with the preparation.

Kent Island, June 22, 1847.

Dr. Martin—Dear Sir: Since my return home, I prescribed your Syrup of Wild Cherry, in several cases; one in particular, a case of Asthma of long standing (about 12 years, a neighbor and patient of mine.—Her disease has never been benefitted by any Medicine which she has taken, and for the last year or two she has been confined entirely to the house. I do not know that she has had a good night rest for a long time, but since she commenced taking your medicine (and she has only taken one bottle,) she is enabled to go to bed and sleep well all night I think the medicine will make a perfect cure her husband, Mr. Earcikson, is a merchant here, and says if you will send him some of it, he will act as your agent.

NATURE'S OWN REMEDY!

THE INVALIDS BEST FRIEND!

It is confidently asserted that there never was a medicine which has given such uniform and universal satisfaction, as

Wright's Indian Vegetable Pills.

They have stood the severest trials, by curing when all other remedy failed, and have established reputation in the face of the envious slanders which have been raised against them.

Let it be borne in mind that Wright's Indian Vegetable Pills are

No Catch-penny Remedy,

the offspring of the hour destined to pass away with it, and be forgotten, but a medicine of sterling value.

For Fever and Ague,

That scourge of the west. Wright's Indian Vegetable Pills stand unrivalled. An instance has never come to our knowledge of these Pills having been taken, without effecting a complete cure. In chills and fever the liver and bilary functions are chiefly disordered, superinduced by great physical delibity. When the symptoms first appear, no time should be lost before resorting to these Pills. A few doses will give such manifest relief that no persuasion will be necessary to continue the use of them.

For Dyspepsia,

Wright's Indian Vegetable Pills, will be found very superior. In this disease, the gastric juice is weak and deficient in quality. Consequently, the digestion is imperfect and the health impaired. These Pills remove the bile from the stomach, restore its tone, and improve the digestion.

Great Female Medicine!

It would be difficult precisely to tell to which of the two sexes Wright's Indian Vegetable Pills have been the two greatest blessing. But it is very certain that these pills have given health, and spirits, and a good complexion, to hundreds of females, who would without them, have been in their graves. A box of Wright's Indian Vegetable Pills, is an inestimable compation at certain periods.

Valuable Anti Bilious Medicine!

It is well known that the South and West suffer more from bilious disorders than from all others combined. This is partly owing to the climate, but chiefly to the nature of Southern and Western life. The sensations accompanying liver complaint are of the most wretched description. Habitual drunkenness is frequently brought on by liver complaint. A patient suffering from this disease, should not be mocked with pretended cures; yet there are very few medicines that are worth a straw in the removal of this complaint. Calomel has hitherto been the chief reliance, but the remedy has proved itself worse than the disease! What then shall be done? We say, give Wright's Indian Vegetable Pills a trial. If they do not exceed your expectations, we are willing to bear all the opprobrium of failure.

The following Agencies have been established for the sale of Wright's Indian Vegetable Pills in Kent county:
