Special Notice to Ladies

Our large purchase of Ladies' Suits for this season are now completed and the final lots have arrived, and are ready for selling. These Suits are just what you are looking for. Our strong argument is that you get them just a "little cheaper" than elsewhere. These specials should sell at sight.

Prettiest Wash Fabrics

We say prettiest, for surely there never were any prettier Wash Fabrics than these we are showing. Organdies, Dimities, Batistes, French Ginghams, Lawns and Voiles crowd each other for room, and when you consider that the prices are so very low the goods become very tempting.

Embroideries : An Endless Variety

There are All-Overs, Edgings and Insertions—baby width, medium widths and flounce widths. Patterns from a fraction of an inch to a half yard, with unusually liberal margins. The designs are beautiful, artistic and diversified. Neat exquisite effects for baby clothes and women's lingerie, dainty styles for trimming waists and showy elaborate combinations for flounces and ruffles.

TODAY'S GAMES
Church Hill at Centreville
Barclay at Millington

Chestertown High School lost to the Millington Academy last Saturday by the score of 15 to 14. This was one of the most exciting games that has been played on the local grounds this season. Quite a large crowd of rooters came out to the game and saw the locals bite the dust in a hard fought battle. The Chestertown lads, who had been entertaining hopes of tieing for first place in the Interscholastic League, saw all their efforts of the past banished in this contest. One glimpse at the High Schoolers error column tells the whole tale, although Gibbs, who twirled for C. H. S., was very erratic, especially in the fourth session when he issued two free transportations to first and threw his "saliva ball" back to the screen when three men were on bases and in the same inning the "upcountians" scored six runs. The Millington team scored twice in the first, fifth and eighth innings and thrice in the sixth inning, thus giving them a total of fifteen runs, of which about four were really earned. The locals scored in the first session on a hit by Beaumont, a sacrifice by Robinson and a scratch hit by Gibbs. The Smythites next scoring was done in the fourth inning when they crossed the rubber for two tallies. The High Schoolers also got one run in the fifth, eighth and ninth innings. In the sixth session it looked as though Chestertown would tie the score, scoring three runs with nobody out and still three corners of the diamond occupied, but the next two batters popped up flies and the third hit a short grounder to Beck, who retired him at first. In the seventh session the boys again hit the ball on the nose, getting five safe hits for as many runs. Prof. Smyth went to the bat in the ninth inning, when there was two out, with the hope of getting a berth on first, but failed. The score:

Church Hill, May 27—Disheartened at the outcome of past games the Double Creek lads failed to appear by 4 o'clock on the Church Hill grounds today and therefore forfeited the game to the latter.

The Chestertown Nationals defeated the Worton locals last Saturday morning 20 to 12. R. Collins and Walmsley Davis were the battery for Chestertown and N. Cooper and T. Gears for Worton.

The Chestertown Invincibles were defeated by Kennedyville last Saturday, 6 to 1. Carey Jarman and Allan Harris, Nichols and Hill, were the respective batteries. The Invincibles are anxious for some games, address—Julian Duyer, manager, Chestertown. The feature of the game proved to be the all-around playing of "Herring" Skinner for Chestertown.

Washington College defeated Maryland Agricultural College at Chestertown Saturday, 9 to 5. Duckett started in the box for M. A. C. but the home team soon took his measure and Hoffecker replaced him. He was effective, only one run being scored on him.

The Washington team played excellent inside ball. A prominent feature in this respect was a bunt after two hands were out, which play produced a run. The M. A. C. boys had expected the hitter to line it out.

In the infield Lewis, at short started for Washington, his work being exceptionally clean and accurate. In the outfield Garrett played his usual strong game.

Jarman's work was creditable throughout. He was touched up rather sharply in the first part of the game, but steadied down and at no time, after the M. A. C. boys had scored their five runs, were they dangerous.

This game gives Washington College a most creditable position in baseball among those colleges which the Eastern Shore institution always has considered its bitterest rivals, viz. Western Maryland, Maryland Agricultural and St. John's. Washington has defeated the first two, but has no game scheduled with St. Johns'. It is to be regretted that these teams cannot meet as the admirers of both institutions would be intensely interested in the outcome.
