LET ITS WORKS PRAISE IT

Sores can be Cured !

All kind of inflamed sores can be cured viz: Burns, Scalds, Cuts, Bruises, Swellings, Childains, Chapped Hands, Chafes, Scaldhead, Salt Rheum, Erysipelas, Inflamed Eye Lids, Pimples on the Face, Eruptions of the skin, Inflammatory Rheumatism, Bites of mosquetes, reptiles, animals, and the local Cutaneous Diseases of warm climates. In short, all kinds of sores and outward casualties and inflammation can be cured by Touseys Universal Ointment, or Master of Pain.

Description of this Ointment, and a brief statement of its properties and power; It will cure any sore or disease, either external or internal that can be cured by any of Lacent or Liniment or other External Application. It is the most perfect remover of pain ever applied to the human body. It can always be depended on for the removal or allaying all external inflammation, its healing properties are completely perfect. It is a scientific scientific Compound, the best of it emanating from one of the first chemists in America. Physicians acquainted with its ingredients, universally prescribe it the most intelligent men in the community keep it in their families as a standard and reliable remedy for all kinds of sores and external diseases it is the cheapest ointment before the public. It is made in the most careful manner great pains being taken in the selection of ingredients and the utmost caution in compounding it.

The idea of promoting insensible perspiration by filling up the pores of the skin with a greasy compound is perfectly ridiculous. Internal disease can never be cured in this way. All that Ointment can do is to cure the diseases on the surface of the body. Touseys Ointment or master of pain, is the most safe complete and perfect remedy ever prepared in the form of Ointment, or Salve—It will cure any and every kind of sore external injury that can be cured by an outward application. To allay the dreadful pain of the most extensive burn of Scald it is unapproachable. To remove the sufferings caused by Salt Rhumb Erysipelas Scald Head, Quincy, Swelled Face Broken Breast, Chapped Hands, sore Lips, Inflamed Eyelids Chilbrains, etc it cannot be equaled. It is as near infallibility as any human compound can be.

To cure speedily, easily and effectual Burnes, Scrapes Inflammatory. Rheumatism. Old sores, Cuts, stiff joints pimples on the face eruptions of the skin bites of insects or repulses of animals scratches: chafes, &c. it never fails. For the miserable feelings caused by extensive sun burns in the hot season it is a perfect remedy.—All residentes of warm climates should keep it on hand—In short, it is a sovereign remedy, never failing remedy for any and all sorts of sores or descases to which such an article can be applied.

☞Remember the name, Touseys Universal Ointment, or Master Of Pain.)

Thousands have tried and thousands praise it. It is working its way into public favor with rapidity heretofore unknown in the history of medicines.

No family should be without it. The agents will furnish the public gratis with books describing this ointment. ☞Each box of the genuine Touseys universal Ointment or master of pain has the signature of S. Tousey written on the outside label in black ink, Never purchase a box, unless the signature can be seen. Price 25 cents per box, or five boxes for $1.

For sale by John Russell, Chester Town, and by agents throughout the county.

Dr. Martin's compound syrup of Wild Cherry.

This Compound is one of the best remedies ever offered the public in Coughs, whether arrising from Colds or the Whooping Cough, or that dreadful malady, Consumption, Few remedies, in the short time it has been before the public, have effected so many cures. The proprietors are every day receiving orders for it at a distance, in which they have been highly gratified to learn its good effects. The Bishop of the Protestant Episcopal Church of Maryland, (the Righ. Rev'd. W. R. Whittingham) has authorised us to say he has used it in his own person with decided benefit; and our Medical friends do not scruple to recommend it as one of the best remedies in Consumption, Bronchitis, Asthma, &c., which they have ever met with. The following is from a highly respectable physician on Kent Island, whom we made acquainted with the preparation.

Kent Island, June 22, 1847.

Dr. Martin—Dear Sir: Since my return home, I prescribed your Syrup of Wild Cherry, in several cases; one in particular, a case of Asthma of long standing (about 12 years, a neighbor and patient of mine.—Her disease has never been benefitted by any Medicine which she has taken, and for the last year or two she has been confined entirely to the house. I do not know that she has had a good night rest for a long time, but since she commenced taking your medicine (and she has only taken one bottle,) she is enabled to go to bed and sleep well all night I think the medicine will make a perfect cure her husband, Mr. Earcikson, is a merchant here, and says if you will send him some of it, he will act as your agent.

Yours, Samuel Harper, M D

WHO WILL LONGER HESITATE? Three new certificates of Cures, by DR. CULLEN'S Indian Vegetable Panacea!!

SCROFULA.

Mr. John W. Middleton, No. 85, South Eigth stree, gives the following brief history of his case "I have suffered for many years with a severe Scrofula, effecting my *legs, armr and head;* at times not being able to walk without crutches. I had tried almost every thing, before I commenced with your Panacea, but to little purpose. The *Panacea* has proved itself superior to all other medicines I have taken, as that alone has effected the cure."

Mr. Middleton was offered fifteen dollars a week to remain in the office of a certain Doctor in this city, and reprerent the cure as being effected by his medicine; it is unnecessary to say that Mr. M. spurned the villainous offer with indignation. *Mr. M. can be seen at his own residence.*

Philad. Dec. 18th, '47.

ERYSIPELAS.

Mr. B. J. Kensil, a gentleman well known in this city, gives the following information. "I was troubled with a painful leg for about eighteen months, so distressing at times, as to disqualify me from fotlowing my business, and deprive me of sleep. I was induced by a friend to make use of your Dr. Cullen's Indian Vegetable Panacea. My leg at the time I commenced the Panacea, was much swollen and inflamed, with a large ulcer open. The leg is now tirely well. Mr. Kensill resides at No ad 125 Eleventh street.

SCROFULOUS ULCERS.

Mrs. Mary T. Charles, a highly respectable lady living in Williamstown, New Jersey, had suffered about nine years with ULCERS on the leg. The attending Physicians said nothing but amputation could save her life. Reading the many astonishing cures performed by DR. CULLEN'S Indian Vegetable Panacea, she sent a friend to procure some of the medicine, but unfortunately she missed the place and got in to a Doctor's office, who represented his medicine as the Panacea, and of which she took some twenty bottles, without benefit, before finding her mistade. Her friend then called and procured Dr. Cutlen's Panacea, and after using it about ten months Mrs. Charlhs thus writes under date of Dec. 20th, 1847:

Messrs. Rowand & Walton—Gentlemen: You request me to inform you how I am getting, I have the pleasure of stating to you that my heslth is good—I have a good appetite, and my leg, which it was thought would have to be taken off, is now entirely well. Mary T. Charles.

Piano Forte Manufactory.

VERY IMPORTANT INVENTION.

IT has long been a question among teachers and amateurs of music, as to the most suitable touch for a Piano Forte. Some at this time contend for a light touch, while others with equal ability advocate the heavy. This question is now permanently settled. WISE & BROTHER have invented a contrivance by which the same Instrument may be instantly set to any required touch, by the turning of a single screw, varying, if necessary, three hundred and sixty-five differences. The advantages of this are evident, both to teachers and amateurs, as lessons may be practiced on the heavy, and exhibited on the lighter touch, to suit exactly any physical capacity which is agreeable to fact and progressive lessons. The contrivance is simple, and may be applied to any common Piano. A patent is about to be taken for the improvement.
