A Poor Weak Woman

As she is termed, will endure bravely and patiently agonies which a strong man would give way under. The fact is women are more patient than they ought to be under such troubles.

Every woman ought to know that she may obtain the most experienced medical advice *free of charge* and in *absolute confidence* and privacy by writing to the World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y. Dr. Pierce has been chief consulting physician of the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for many years and has had a wider practical experience in the treatment of women's diseases than any other physician in this country. His medicines are world-famous for their astonishing efficacy.

The most perfect remedy ever devised for weak and delicate women is Dr. Pierce's Favorite Prescription.

IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.

The many and varied symptoms of woman's peculiar ailments are fully set forth in Plain English in the People's Medical Adviser (1008 pages), a newly revised and up-to-date Edition of which, cloth-bound, will be mailed *free* on receipt of 31 one-cent stamps to pay cost of mailing *only* Address as above.

WILLIAM C. SUTTON

SANITARY PLUMBING

CANNON STREET,

CHESTERTOWN, MARYLAND.

MR. RAE DROWNED.

Two Young College Men Go Swimming Sunday Near Chestertown and One Is Drowned.

Mr. Henry Page Rae, for four years the efficient private secretary to Dr. J. W. Cain, president of Washington College, and known to the students as "Willie" was drowned in Chester river, off Radcliff farm, near Chestertown, Sunday afternoon at about 4 P. M. After partaking a hearty dinner, Mr. Rae and Mr. Julio del Toro, of Cuba, a student at Washington College, took a row boat from the anchorage opposite Mr. J. W. Crouch's new home and rowed down to a point opposite Beck, Walker Co's. factory for a swim. This was only the second time Mr. del Toro had been with him. They tied their boat near Skipper's point, in mid-stream. Mr. Rae, who was only a fair swimmer jumped overboard and swam some distance from the boat, with the tide and was at least sixty feet from his companion. Upon returning he found that he could make but little headway against the tide and called to his companion to bring the boat. This Mr. del Toro immediately started to do but when he had untied the boat and turned in the direction of the swimmer he was dumbfounded to find the latter had disappeared beneath the surface. Mr. del Toro instantly called for help and in a very short time a dozen persons were on the scene in launches and with grappling hooks.

The body was first located by Messrs. W. E. Moody and Wm. Senart and afterwards recovered by Mr. Frank M. Miller about 7 p. m. When brought to the surface the body was in the attitude of a graceful and quiet floater, the feet being crossed and the arms extended beneath the body. The lungs, too were almost entirely free of water which would indicate that the unfortunate young man had died of heart failure before sinking.

The deceased was a young man of most exemplary character and highly efficient qualifications. He was just 21 years of age last Thursday and had occupied the position as secretary to Dr. Cain for about four years. His body was taken in charge by Undertaker J. E. Ferguson and shipped to Baltimore on Monday where the mother and sister of the deceased reside. This was the day when he was to have gone home on his vacation. Dr. Cain accompanied the remains to Baltimore.

The funeral services took place from the home of his mother, Mrs. Alice Wernig, 1430 Argyle avenue, at 9 o'clock Wednesday morning. A requiem mass was celebrated at the Church of Immaculate Conception, Mosher and Division streets, by Rev. Father Devine, and burial took place in Oaklawn Cemetery. The pall bearers were Messrs. Walter Larence, Elmer Hamer, Roy Trautfelter, P. Pitapaul, J. Groeinger and E. Graham.

Mr. Rea is survived by his mother, one brother, Roscoe Rea, and two sisters, Marie Rea and Mrs. Irene Dorman.

GROVE MEETING AT GOLTS

A grove meeting will be conducted in the beautiful grove near the church of this place beginning Sunday, August 13th and closing Sunday, August 27th. Services will be held all day on Sundays and every evening during the week, unless announcement is made to the contrary. The pastor in charge, Rev. Olie H. Connelly, is endeavoring to arrange a very interesting program of services and hopes to have the assistance of several pastors. A regular old-fashioned class-meeting, in charge of class leader Brother Frank George, will be conducted each Sunday morning. On Sunday afternoon, August 20th, the entire service will be in the hands of the Junior League of this place. Mrs. Bessie Reynolds, the local superintendent, is arranging for a very helpful service. Miss Carrie M. Dempsey, of Galena, superintendent of the Junior League of Easton District of the Wilmington Conference, will deliver an address on that occasion. Especial attention will be given to the evangelistic services, as the salvation of souls will be the prime object in this series of services. A special invitation is extended to everyone to attend the services and derive spiritual benefit thereby. For the benefit of those not wishing or having an opportunity to bring a lunch a bread tent will be maintained on the ground at which they can be accomodated.

LOST VALUABLE SWINE.

Mr. James T. Shallcross Met With a Big Loss.

A few days ago Mr. James T. Shallcross a farmer living near McDonoug, lost 13 fine hogs weighing about 175 each. The hogs ate as heartily as usual within a few hours of their death and disclosed no symtoms whatever of disease.

The food of these hogs was fed them from the swill barrell as is the custom of farmers. It is supposed that during the extreme hot weather ptomaine poisons were developed in the barrel from some decaying food, probably animal food. Dr. Horace B. McDowell was called and after opening several carcases found all the organs in a perfect condition, and he could offer no other theory to account for the sudden death of the swine than that of ptomaines produced by rotting food.

Strange to say Mr. Shallcross lost a large number of hogs last year in the same manner and apparently from the same cause and odder still on possibly the same day, certainly in the same week. At that time three expert veterinarians came down from Delaware College but could discover nothing to account for the death of the swine. Their theory then was that it was case of ptomaine poisoning.

A Great Horse.—R. T. C., the former Middletown, Del., horse won his third great race of the season, the Furniture Manufacturers' $10,000 stake, at Grand Rapids, Michigan on Wednesday. R. T. C. was easily the best of the field and won the first two heats as he liked, making his drive from the turn into the stretch in each instance. In the third heat the gelding broke badly at the quarter post, and Murphy rated him along in last place, aiming only to beat the distance flag. Belvasin, Lewis Forrest and Al Stanley made a great finish of this heat, noses apart. In the final heat R. T. C. got all the worst of the start, but came around in characteristic fashion on the far turn, and under the whip beat out Belvatia by a neck in spectacular finish. Ario Leyburn led nearly the entire route in the first heat, but the best the Geers horse could do was to finish third, and thereafter was always far back. To achieve his victory R. T. C. had to step a full second and a half faster than his best time in the $10,000 Paper Mills Stake at Kalamazoo last week. The time was as follows: 2.07¼, 2.06¾, 2.08¾, 2.07¾.
