HOPKINS' ANTALGIC LINEMENT,

FOR THE CURE OF

Rheumatism. Lumbago, Sciatica, Neuralga. Face Ache, Tooth Ache, Head Ache, Sore Throat, Bruises, Sprains, &c.

PREPARED ONLY BY

S. B. HOPKINS & CO.,

EASTON, MD.

THE most painful and distressing maladies known to humanity may be embraced under the general term *Neuralgia* Algic affections of the nerves are as common as they are intolerable, attacking all classes and ages in every possible variety and form.

Tooth-ache (bad as it is,) presents but a modification of that class of disorders whose most fearful developements may be traced in the insufferable agonies of *Tic Douloureux*: Rheumatism, too while it keeps on the rack, the tortured sensibilities of so many sufferers disqualifies a large portion of those means of locomotion so necessary to their maintenance and comfort. Crippled and care worn the victims of this universal malady appeal strongly to us for our sympathy and aid.

To assauge pain, and thus contribute to the duration and happiness of human life, is certainly an object worthy the exertions of the benevolent and philanthropic, and every contribution to so important and praiseworthy an object should be hailed by all as a blessing.

The design of HOPKINS' LINIMENT is to relieve the affections referred to, as well as all others of a kindred character; and it may be permitted us to add, that we promise nothing we are not competent to perform. It is no part of the proprietor's place to indulge the term of fulsome laudation with which so many of the popular medicines of the day have been trumpeted before the public. They desire only a candid and impartial test of the virtues of the Liniment, convinced that the result will amply vindicate its claims to public confidence. In all Neuralgic and Rheumatic affections, such as *Facial Neuralgia. Tic Douloureux, Lunt Bago, Sciatica*, as well as an external application in *Sore Throat Tooth-Ache, &c. &c.* this Liniment will prove indeed an invaluable boom to the afflicted.

In the vicinity of the Proprietors' own residence it enjoys the most exalted reputation, as might be demonstrated by certificates of the most judicious and reputable persons. The certificates appended will recommend themselves by the clearness and directness of their statements, and the intelligent and highly reputable sources from whence they emanate.

CERTIFICATES.

Mr. S. B. Hopkins, Dear Sir:—I feel great satisfaction in certifying to the good effect your Liniment has produced in the several cases, (four in number) that has come under my supervision. My wife, who has suffered most accutely for years past from that appalling, and in her case hitherto incurable disease, *Neuralgia*, has found decided relief from the simple application of the Liniment to the part affected. The application was made upon the approach of the attack, and no decoration or other unpleasant effects are left on the skin.

Yours very truly,
JAS. N. GOLDSBOROUGH,
Woodstock, near Easton.

April 25th, 1850.

—

This is to certify that I have used Hopkins Liniment in my family with the most satisfactory success. My sister, Mrs. Harrison, was afflicted with a pain in the neck and shoulders so severely that she could not turn her head without great suffering but one bottle of the Liniment effected a complete cure. One of my servants was also afflicted with Rheumatism, and was cured effectually by using the Liniment. I give this certificate with great pleasure.

TOBACCO STICK, Dorchester Co., Md.,
May 28th, 1850,

Dear Sir:—This is to certify that my wife suffered severely for a long time with a violent pain in her left jaw, so intense that she was unable to chew upon it for five or six weeks. I procured a bottle of your Liniment and before she had used one-half she was entirely cured.

REUBEN TALL.

—

Dear Sir:—I received a bottle of your Liniment from my son and its effects were beyond my most sanguanine expectations. I was troubled with the Rheumatism for about a year in both arms, so that I could scarcely dress myself or raise my hand to my head. It seemed to be in the bone, and by the time I had used the bottle all the soarness was removed and can use my arms as well as ever. Considering my age, 75 years next month, the effect was truly wonderful. Yours respectfully,

MARTHA MERVIN.
Manayunk, Pa.,

COLLEGE GREEN, Cecil Co., Md.

Mr. Hopkins, Dear Sir:—My mother, an elderly lady, sprained her knee joint badly, which caused her the most excruciating pain; the joint was also much swollen. The only remedy at hand was the bottle of Liniment you presented me with was immediately applied and entirely relieved the pain and had great effect in reducing the swelling.

We have no doubt of the good effect of your Liniment in this case, and if you see proper to make this statement public, you can do so with pleasure. With much respect, your ob't serv't.

FLETCHER WHITE.

—

EASTON, 12th, January, 1850.

I hereby certify that after a trial of the medicine manufactured by Mr. Samuel B. Hopkins, for Reumatics, having purchased one bottle of him and tried it, I consider it the best remedy I have seen for that complaint.

JAMES PARROTT.

From Rev. T. L. McLean.

HOPKINS' LINIMENT has been quite remedical in a case of Face ache in my family.

T. L McLEAN.

Easton, March 16, 1850.

—

MR. S. B. HOPKINS—*Dear Sir*:—I made use of the Liniment obtained from you, and its effects were beyond my most sanguanine expectations. For years I have been a martyr to the Head ache—a large proportion of my time being passed in excrutinating pain. The first application of your remedy, greatly to my surprise and gratification relieved me immediately. My wife also has tried it and with the same success. Should it operate in other cases as it has in mine, no doubt it will be one of the most popular medicines ever offered to the public.

Your's Respectfully,
S. HARRINGTON.
