BY

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS

PREPARED BY

DR. C. M. JACKSON,

At the German Medicine Store, No. 120 Arch St., Philadelphia.

Their power over the above diseases is unexcelled if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and smaller glands, existing the most searching powers in weakness and affections of the digestive organ, they are withal, safe, certain and pleasant.

READ and be CONVINCED.

From the Boston Gee.

The editor said, Dec 22d—"Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience and to the afflicted we advise their use."

Scott's Weekly, one of the best Literary papers published, said Aug. 25:

"Dr Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon the weak system."

MORE EVIDENCE.

The Philadelphia Saturday Gazette, the best family newspaper published in the United States, the editor says of

DR. HOOFLAND'S GERMAN BITTERS

"It is seldom we recommend what are termed patent medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met he hearty approval of the faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strangest testimony in its favor is that there is more of it used in the practice of the regular physicians of Philadelphia than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, and no one can doubt, after using it as directed. It acts specifically upon the stomach and liver—it is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to female or infant with safety and reliable benefit, at any time.

BEWARE OF COUNTERFEITS

This medicine has attained that high character which is necessary all medicine to attain to induce counterfeits to put forth a spurious article at the risk of the lives those who are innocently deceived.

LOOK WELL TO THE MARKS OF THE GENUINE.

They have the written signature of C. M. JACKSON on the wrapper, and the name blown on the bottle, without which they are spurious.

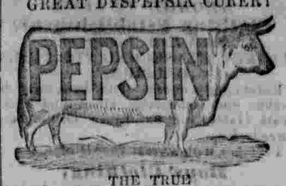
Another Scientific Wonder!

DR. J. S. HOUGHTON'S GREAT DYSPEPSIA CURER!



THE TRUE

DIGESTIVE FLUID, OR GASTRIC JUICE

Prepared from Rennet, or the fourth stomach of the Ox, after directions of Baron Liebig the great Physiological Chemist by J. S. Houghton, M. D., cor. of 9th and Filbert sts., Philadelphia, Pa.

This is truly a wonderful remedy for Indigestion, Dyspepsia, Jaundice Liver Complaint, Constipation and Debility, curing after nature's own method, by nature's own agent, the gastric juice.

☞ Half a teaspoonful of Pepsin, infused in water will digest or dissolve, five lbs. of roast beef in about two hours, out of the stomach.

DIGESTION.

Digestion is chiefly performed in the stomach by the aid of fluid which freely exudes from the inner coat of that organ, which in a state of health, called the Gastric Juice. This fluid is the Great Solvent of the Food, the purifying, preserving, and Stimulating agent of the stomach and intestines. Without it there can be no digestion—no conversion of food into blood, and no nutrition of the body, but rather a painful, rapid, painful and destructive condition of the whole digestive apparatus. A weak, half cooked, or inflamed stomach produces no good Gastric Juice, and hence the disease, distress and debility which ensues.

Pepsin and Rennet.

Pepsin is the chief element, or great Digestive Principle of the Gastric Juice. It will dissolve pound meat more rapidly than salt and will do a proportionate share of the work of digestion. It is also a body stimulating to the nervous system, and to the stomach and other digestive organs. It is found in great abundance in the soft parts of the human stomach, and in the stomachs of animals, as the ox, calf, &c. It is the material used by farmers in making cheese, called Rennet, the effect of which has long been the amazement of the dairy. The curdling of milk is the first process of digestion. Rennet possesses astonishing power. The stomach of a calf will curdle nearly one thousand times its own weight of milk. Baron Liebig states that one part of Pepsin dissolved in sixty thousand parts of water, will digest roast beef or food. Pepsin and Rennet are good Gastric Juice, Renneter Pepsin.

The Great Discovery!

The true Digestive Fluid, or Gastric Juice, can be obtained from nature's own source or supply—the healthy stomach! The pure digestive principle, Pepsin, may readily be extracted from the stomach of animals resembling man, thus forming an artificial digestive fluid, precisely like the natural gastric juice, in its chemical powers, and furnishing a complete and perfect substitute for it.

By the aid of Pepsin, or this artificial digestive fluid, the pains and evils of indigestion, dyspepsia and liver complaint are speedily removed, just as they would be by a healthy stomach; the food is properly converted into blood; the body is nourished, good health and vigor are mildly imparted to the whole organization; and the digestive organs share with the rest in this happy result.

Scientific Evidence!

Baron Liebig, in his celebrated work on animal Chemistry, says: An artificial digestive fluid, analagous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the calf, in which various articles of food, as meat and eggs, will be softened, changed and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on 'Food and Diet,' published by Fowlers & Wells, New York page 35, states the same great fact and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. John W. Draper, Professor of Chemistry in the Medical College of the University of New York in his text book of chemistry,' page 386 says: 'It has been a question whether artificial digestion could be performed—but it is now universally admitted that it may be.'

The fact that an artificial digestive fluid or gastric juice, perfectly resembling the natural fluid may be readily prepared, does not admit of question. The only wonder is that it has not before been applied to the cure of Indigestion and dyspepsia—so natural a remedy such a use suggest itself to the mind.

As a Dyspepsia Curer.

Dr. Houghton's Preparation of Pepsin has produced the most marvelous effects, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than *Two Hundred Remarkably cures*, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great *Nervous Antidote*, and particularly useful for tendency to Bilious disorder, Liver Complaint, Fever and Ague, and the evil effects of Quinine, Mercury and other drugs upon the Digestive organs after a long sickness. Also for excess in eating, and the too free use of ardent spirits. It almost reconciles *Health* with intemperance.

Old Stomch Complaints

There no form of old Stomach complaint which it does not to seem to reach and remove at once. No matter how bad they may be, it gives instant Relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated, for a short time, to make it seem a decided permanent. Purity of blood and vigor of Body, follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Spasms of the pit of the Stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Price, ONE DOLLAR per bottle. One bottle will often effect a lasting cure.

☞ Observe this!—Every bottle of the genuine *Pepsin* bears the written signature of J. S. HOUGHTON, M D, Sole Proprietor, Philadelphia, Pa.

☞ Sold by all Druggists and Dealers in Medicine.

DR. SWAYNE'S Celebrated Family Medicines

DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY

The Original and Genuine Preparation

THE MOST COMMON SAYING

Is that I would not give one bottle of Dr Swayne's Compound Syrup of Wild Cherry for half a dozen of any other preparations. I have tried all the popular ones, but this stands unrivalled for the cure of the following diseases: Influenza, Coughs, Colds, Consumption, Spitting of Blood, Palpitation of the Heart, Whooping Cough, Tickling or Rising Sensation in the Throat, Asthma, or a Weakness of the Nervous System, or impaired constitution from any cause, and to prevent persons from falling into a decline, this medicine has not its equal. And when too much calomel or quinine has been used, this medicine will prevent its evil effects on the system, and repair the billiary functions.

TESTIMONIALS WITH EVERY BOTTLE.

REMARKABLE CURE OF CONSUMPTION.

Abraham Hunsicker, Jun. of Conshohocken, Pa., contracted a severe cold, which settled upon the lungs, attended with violent coughing, great difficulty of breathing, an abscess formed in his lungs, and he let his way through the side, and discharge large quantities of pus externally. This mournful state of things continued for a long time, until nothing was left for Dr. Swayne's Compound Syrup of Wild Cherry, which performed a perfect cure!

Have you the Asthma, Liver Complaint or Bronchitis? If so give this medicine a trial. It seldom fails to cure.

VERY IMPORTANT CAUTION

It very particular to inquire for Dr. Swayne's Compound Syrup of Wild Cherry, as some unprincipled individuals have stolen the name of Wild Cherry, thinking to borrow a reputation from the already established. Remember, the genuine is put in square bottles, covered with a buff wrapper, (Not engraving,) with the portrait of DR. SWAYNE thereon, and his signature in other colors and positively *fallacious and unwholesome*.

SWAYNE'S CELEBRATED VERMIFUGE.

A safe and effectual remedy for Worms, Dyspepsia, Cholera Morbus, sickly or Adults, and the most useful Family Medicine ever offered to the public."

EXTRACT OF A LETTER TO DR SWAYNE.

Dated, Andersontown, Indiana.

A man purchased a bottle of your Vermifuge the other day for his child, and by its use discharged sixty-three of the largest worms he had ever seen. It is scarcely credible to tell the people to try it, as they have been so often sold by nauseous and worthless worm medicines. Yours being so very pleasant to the taste, at the same time effectual, I shall be able to dispose of a large quantity. Respectfully, yours.

TOWNSEND SHARP, P. M.

BEWARE OF MISTAKES! Remember, Dr. Swayne's Vermifuge is now put up in square bottles, (having recently been changed) covered with a beautiful steel engraving wrapper, with the portrait of Dr. Swayne thereon. Bear this in mind, and be not deceived.

See that the name is spelt correctly.—SWAYNE

CLEANSE AND PURIFY

DR. SWAYNE'S SUGAR COATED SARSAPARILLA AND EXTRACT OF TAR PILLS.

A mild and effective purgative great purifyer of the blood, they correct all the functions of the Liver, and as an alterative in Dropsical affections, they are very valuable. Giddiness of the head, dimness of sight, depression of spirits, headache, &c., are cured by these purifying Pills. No medicine can have a better effect for monthly irregularities, which occasionally happen to women, they are perfectly safe, and will in conjunction with Dr. Swayne's Compound Syrup of Wild Cherry, take all pain and disease from every part of the system.
