FOUR WEEKS IN HOSPITAL

No Relief—Mrs. Brown Finally Cured by Lydia E. Pinkham's Vegetable Compound.

Cleveland, Ohio.—"For years I suffered so sometimes it seemed as though I could not stand it any longer. It was all in my lower organs. At times I could hardly walk, for if I stepped on a little stone I would almost faint. One day I did faint and my husband was sent for and the doctor came. I was taken to the hospital and stayed four weeks but when I came home I would faint just the same and had the same pains.

A friend who is a nurse asked me to try Lydia E. Pinkham's Vegetable Compound. I began taking it that very day for I was suffering a great deal. It has already done me more good than the hospital. To anyone who is suffering as I was my advice is to stop in the first drug-store and get a bottle of Lydia E. Pinkham's Vegetable Compound before you go home."—Mrs. W. C. BROWN, 2844 W. 12th St., Cleveland, Ohio.

READ THIS ARTICLE, YOUNG MAN

If You Are More Than 20 And Less Than 31 Years Old, The Information Therein Is Vital to You.

The Selective Draft act provides that every man in this country between the ages of 21 years and 30 years, inclusive, must enroll for military service.

That means that every man who has passed his twenty-first birthday and has not reached his thirty-first birthday must go to the registration office on Tuesday, June 5, between 7 a. m. and 9 p. m, and answer the prescribed questions.

Exemptions from the actual drafting into the military service have nothing to do with this enrollment. Many men will be exempted from the drafting—after the enrollment has been made. None will be exempted from the enrollment, unless now in the military or naval service of the United States.

In other words, every man in the United States between 21 years and 30 years, inclusive, must enroll, unless he is a member of the army or navy, or unless he is a member of the National Guard or Naval Militia, in the service of the United States. That applies without any exemption for any reason whatsoever.

It is well to understand that many more men will be enrolled than drafted.

It has been estimated that there are in the neighborhood of 100,000 men in Maryland between the ages of 21 years and 30 years, inclusive; while the number to be drafted from Maryland for the army of 500,000 being raised will not exceed 10,000 and may not be more than 7,000. Nevertheless, every man within the ages must enlist.

What To Do If You Are Sick

If you are within the stated ages, and are sick, and expect to be sick on Tuesday, June 5, that you must arrange before that date to have your enrollment made through an agent.

Make your brother or your father or your friend your agent. He should go to the clerk of the court to attend to the first part of the duty—and he should several days before June 5. If live in one of the counties, your agent should go to the clerk of the Circuit Court.

The clerk will give your agent a registration card (or enrollment) card, if he is satisfied that the agent is intelligent and reliable—that he is a bona fide agent. The clerk's duty will be to explain thoroughly, too, to the agent the latter's duties. The agent will be deputized to fill out the registers' report on the back of the card.

After this shall have been done, you must mail your registration card to the registers of your precinct.

Whether you mail the card or have your agent deliver it, you should send to the registers of your precinct, with your card, a stamped envelope, addressed to yourself. They will send you in that envelope a certificate that you have been registered. You should keep that. It may save you serious trouble later.

If You Are Away From Home

If you are away from home or will be away on June 5, you must register by mail. Your card must be received by the registers of your home precinct not later than June 5. You should go at once to the clerk of the county court, or to the one in a city designated by the Mayor. The clerk—either in the city or in the county—is authorized to fill out answers on your registration card. That lets him out, but it is only half of your work. After your card has been filled out you must take it from the clerk and mail it to the registers in your home precinct. Do not get the idea that the clerk will attend to that. It is not his business. It is your business. If you do not know the address of the registration office in your precinct, or do not even known the number or other designation of your precinct, send the card at once to the Sheriff of your county.

If you are in a training camp, a school, a college, or any other similar institution you must proceed as described above for other absentees. This, however, may be done for convenience if there are a number of men to be registered in your institution. The clerk of the county court or the city clerk in the place where the institution is located may deputize some one to certify to the registration cards of those in the institution.

The only purpose of having the clerk deputize some one to certify to your registration is to save you and the others in the institution the bother of going to the clerk's office. Apart from the saving of that bother you are under exactly the same obligations as other absentees.

Persons in penal institutions who are not felons and those who are awaiting trial also will be registered by the wardens or jailers. The cards will be forwarded to the home precincts of those registered and the officers of the institutions will aid the inmates in so forwarding the cards.

The Graduating Class.—The graduating class of the Chestertown High School numbers 30 and is as follows: Academic—Helen Margaret Baxter, Esther Lee Beauchamp, Ellen Constable Beck, Florence Adele Brice, Frances Ferrill Corey, Jessie Perkins Copper, Kathryn H. Donahoe, Annie Lusby Duyer, Dorothy Smith Edwards, Nettie May Graham, Anna Irene Hendrickson, Rebecca Trew Kendall, Edna Lottie Kirby, Rebecca Moffett, Kathryn Myers, Grace Nickerson, Alice Halstead Skipper, Louise Miller Strong, Mary Elizabeth Willis, Eloise Cleaver Wilkins, C. Julian Coleman, G. Alan Rouse. Commercial—Lelia Rebecca Everett, Lurene Whaland Smith, J. Hodgson Clift, Edgar L. Chaires, William C. Newnam, H. Walter Redmile, Argus F. Robinson, Rolph Townshend.

A CHANGE in the firm of Sunset Pharmacy, Centreville, is noted. In March, 1915, W. W. Seward and A. A. M. Dewing opened the pharmacy. Mr. Seward has now sold his one-half interest in the business to E. E. Moyer, recently connected with Holland & Thompson, druggists. Solely on account of ill health Mr. Seward has severed his connection with the drug business.

IN MEMORIAM

In loving remembrance of our dear mother, SARAH J. HAYES, who entered her heavenly home May 31st, 1916.

One who was always kind,
Who would always forgive and forget,
One with the purest of mind,
Whose love and friendship never failed.
She was the one with a soul divine,
Whose heart was constant and true;
One who was the same at all times,
Dearest mother, that was you.
