Petroleum, or Rock Oil!

A NATURAL REMEDY!

Procured from a Well in Allegheny County, Pa.

FOUR HUNDRED FEET BELOW THE EARTH'S SURFACE!

PUT UP AND SOLD BY

SAMUEL M. KIER,

Canal Basin, 7th Street, Pittsburg, Pa.

THE PETROLEUM has been fully tested! About one year ago it was placed before the public as a Remedy of Wonderful efficacy. Every one not acquainted with its virtues, doubted its healing properties. The cry of humbug was raised against it. I had some friends. Those that were cured through its wonderful agency.—These spoke out in its favor. The lame, through its instrumentality, were made to walk—the blind to see. Those who had suffered for years under the torturing pains of Rheumatism, Gout and Neuralga, were restored to health and usefulness. Several who were blind have been made to see the evidence of which will be placed before you. If you still have doubts, go and ask those who have been cured! Some of them live in our midst, and can answer for themselves, in writing about a medicine we are aware that we should write Truth—that we should make no statements that cannot be proved. We have the witness—crowds of them, who will testify in terms stronger than we can write them, to the efficacy of this Remedy, who will testify that the Petroleum has done for them what no medicine ever could before—cases that were pronounced hopeless and beyond the reach of remediate means—cases abandoned by Physician- of unquestioned celebrity, have been made to exclaim "This is the most Wonderful Remedy ever discovered!" We will lay before you the certificates of some of the most remarkable cases; to give them all, would require advertising. Since the introduction of the Petroleum, about one year ago, many Physicians have been convinced of its efficacy, and now recommend it in their practice; and we have no doubt that in another year it will stand at the head of the list of valuable Remedies.—If the Physicians do not recommend it, the people will have it of themselves—for its transcendant power so heal, will and must become known and appreciated—when the voices of the cured speak out; when the cures themselves stand out as bold relief, and when he who has suffered with the tortures and pangs of an immedicable losion, that has been shortening his days and hastening him "to the narrow house appointed for all the living," when he speaks out its praise, who will doubt it?

Rheumatism yields to the power of Petroleum!

I feel myself under a debt of gratitude to the proprietor of the Petroleum—the use of which great medicine has entirely cured my wife of a violent attack of Rheumatism. She had labored under an attack of the disease for about two months, suffering the most intense pain; the greater part of the time confined to her bed, and unable to do anything.—The pain in the limbs was very great, attended with a great deal of swelling.—The Petroleum had a happy effect, for the first two or three applications the swelling diminished and the pain left her. I continued to apply the medicine daily for about two weeks, which entirely relieved her, and she is now as well as ever she in her life. I feel confident that the Petroleum is one of the greatest medicines in the world for Rheumatic pains and swellings.

WILLIAM THOMPSON.

A Bad case of Inflammatory Rheumatism

The following extracts are from a letter received from a young a gentleman of Middleburg, Summit Co., Ohio.—They are attested by Chas. Belden, and Dr. Elijah Curtis of that place:

MR. KIER—*Dear Sir:* Gratitude compels me to express to you my thanks for the discovery of your invaluable medicine. I was afflicted with that awful and disheartening disease, the Inflammatory Rheumatism, on the 21st of September last, whilst I was in Cleveland, and was brought home from that place to Middleburg, where I lay on my back for over two months—for three weeks of this time I was in the most intense suffering and agony. I lay with my limbs in one position and could not stir a muscle, nor have my bed changed. My screams could be heard all over the neighborhood so intense was my suffering. When every other remedy proved valueless, I had recourse to your invaluable Petroleum, of which I had made but three applications, until I commenced to get better. I used altogether but two bottles and a half, and am now well. I can get any number of persons to to testify to the above facts if necessary.
