EYE DON'TS

DON'T buy glasses as you would hats. They should be fitted by some one who understands the anatomy of the eye.
DON'T wear other people's glasses.
DON'T allow some cheap fakir to tamper with your eyes. In most cases they get the money—you get the experience.
DON'T use your eyes after you discover that you have to hold your book or sewing at a greater distance than usual. This is the first symptom of eye strain.

NOVEMBER REPORT OF THE WOMAN'S DEFENSE COUNCIL OF KENT COUNTY, MD.

The day and night work of the Second Liberty Loan Drive added to the regular work ot the Chairman, together with the fact that October was an exceedingly busy month for the country women made it necessary to put much of the work of two months in this report.

Social and Welfare Department

Comfort For Soldiers and Sailors

I am placing Uncle Sam's Shelf Week under this heading.

The Sehlf was hastily arranged, owing to the request coming too late to get into our weekly papers, two of which are published on Saturday. When the nextSaturday's edition came out the Shelf Week was over. This necessitated phoning all over the county. If the request had come earlier, the amount sent to our boys for Thanksgiving would have been double.

Report of Miss Miriam Hubbard, Chairman of Uncle Sam's Shelf Week

The total contribution amounted to 912 containers of canned goods, preserves and jellies. They gave the very best that the housekeepers had to offer and everything looked delicious. This filled 11 barrels and 16 boxes. One barrel and one box was sent by the colored people of Kent County to the colored soldiers at Camp Meade. One barrel and one box were shipped to Fort Howard and the other ten barrels and fifteen boxes sent to Camp Meade according to instructions of the Baltimore Chairman of Uncle Sam's Shelf Week. One barrel was shipped direct from Rock Hall and one barrel from Betterton.

Red Cross Extended

Twenty boys were called by the draft during the month and were presented with comfort bags and baskets of fruit by the Red Cross workers.

Forty-seven colored men were called in defense of their country. They had a parade with a band of music and speeches by Judge Pearce and others. They were presented with comfort bags by Mrs. Brooks and Mrs. Satterfield, our committee, and were given a large reception by their own race.

There has been an effort in Kent to organize a home guard.

Kent County now has a Chapter of the American Red Cross. It was organized at our Defense Council Headquarters on Oct. 29, with the following officers: Mrs. Lewis H. Wood, Chairman; Mr. Howard Turner, Vice-Chairman; Mrs. James G. Beck, Secretary; Mr. Allan A. Harris, Treasurer. The Executive Board is composed of the chairmen of the nine units of the county. When fully established, we hope all of our Red Cross worries will be over.

Motor Messenger Service

A Motor Messenger Service was organized in Kent Nov. 26 by Mrs. Jane Vickers Robinson to aid in carrying packages for Red Cross work during the winter: Mrs. Scott Beck, Captain; Mrs. Cynthia Clendaniel, First Lieut.; Mrs. Frank Jarrell, Second Lieut. Other units around the county are expected to join.

Child Welfare

There were enrolled in the schools in Kent in Sept., 1916, 3240 scholars. In Sept., 1917, 3190 scholars.

Last year every child was enrolled as soon as possible. This year they were kept out as long as possible.

Violation of the Child Labor Law have not been frequent, but permits have been granted when the case justified it.

Hoover Pledge Cards

Kent County led the State in the distribution of Hoover Pledge Cards. Mrs. Wm. G. Smyth, Captain, with her Lieutenants, succeeded in having signed 2792 cards with a quota of 1696, making a percentage of 164.

Mr. Carey visited the county and systematized the work so that no other meeting was necessary. Fourteen workers attended the meeting at the Lyric. About three in each district refused to sign, several giving as reasons that the government licensed beer and other alcoholic beverages taking wheat and sugar, so they saw no reason why they should save wheat and sugar. Two gave as reasons that the President did not turn all of the Republicans out of office when he was elected.

Recreation

Books have been collected for soldiers, but we have not received full report. This will be given next month.

Respectfully submitted,
MRS. W. W. HUBBARD, Chairman.
