WHY PAY MORE?

AT the demonstration held on the farm of Mr. Backus, near Elkton, under the auspices of the County Agent, Mr. Knode, on the 27th and 28th ultimo, in two fields a little wet, much of which was on a 12% to 15% grade, the allotted task of this Tractor Attachment was performed in connection with a 1912 Ford car, to the satisfaction of many interested spectators.

Read what the great Berlin (Md.) nurserymen say about the Fond Du Lac Tractor Attachment and Ford cars:

HARRISON'S NURSERY, BERLIN, MD, March 18, 1918.
MR. I. C. COCKEY, CLAIBORNE, MD.
DEAR SIR:—We have been using one of your Fond du Lac Tractor Attachments for about one month; have put it through very severe tests and have found it satisfactory. We have it attached to a 1912 Ford Auto, and have been pulling a 2-[illegible] plow, also a 32 disc harrow, which ordinarily requires six horses to pull. As a result of these tests, you may enter our order for two more of the attachments, and we think within 30 days we will allow you to ship us six more.
Yours very truly,
J. G. HARRISON & SONS.
