Have You a Manure Pile

If you have, get it out on your fields where it will do some good. No, not with a wagon. You waste a full third of it if you do it that way, and you have a hard, dirty, disagreeable job besides. The easy way is the paying way. Get a Low Corn King spreader that will tear the manure into small pieces, discharge its load in four to seven minutes, and spread it in an even coat over the entire surface of the ground. That's the way to use stable manure. Then you can depend upon an increase of crop yields without having to plant more acreage than you can care for. Look at the present prices of farm produce. Raise all you can. Buy and use a

Low Corn King Manure Spreader

Wheels just the right distance apart, and spread wide enough to top dress three rows of corn at once. Three sizes—small, medium and large. All narrow boxes. All steel frames with working parts of the spreader securely attached to the frame. Turns short. Drive from both rear wheels. Return apron driven by worm gear which insures even spreading up hill and down. Pull comes straight on steel frame. Solid two-inch rear axle working in roller bearings carries seventy-five per cent of the load. All-steel beater cannot warp, shrink or rot. Built up to International Harvester standards of quality in every respect.

Buy a Corn King spreader and use it. The increased yield from a few acres will pay for your spreader this year. Come in and place your order now.

NOW RAISES 600 CHICKENS

After Being Relieved of Organic Trouble by Lydia E. Pinkham's Vegetable Compound.

Oregon, Ill.—"I took Lydia E. Pinkham's Vegetable Compound for an organic trouble which pulled me down until I could not put my foot to the floor and could scarcely do my work, and as I live on a small farm and raise six hundred chickens every year it made it very hard for me.

"I saw the Compound advertised in our paper, and tried it. It has restored my health so I can do all my work and I am so grateful that I am recommending it to my friends."—Mrs. D. M. ALTERS, R. R. 4, Oregon, Ill.

Only women who have suffered the tortures of such troubles and have dragged along from day to day can realize the relief which this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, brought to Mrs. Alters.

Women everywhere in Mrs. Alters' condition should profit by her recommendation, and if there are any complications write Lydia E. Pinkham's Medicine Co., Lynn, Mass., for advice. The result of their 40 years experience is at your service.

Officers And Committees Named For Coming Chautauqua

At a recent meeting of the Chautauqua Guarantors, the following officers were elected:

Wm. F. Russell, President; W. B. Copper, Vice-President; M. Wilbur Thomas, Secretary and Treasurer; with the following committees:

Ticket Committee:—C. N. Jefferson, Chariman; C. C. Jones, R. S. Thomas, Edgar R. Pennington, Wm. G. Smyth, Joseph Downey, A. Parks Rasin, W. I. Walker, H. Stockton Startt.

On Hospitality:—Dr. H. Benge Simmons, Chairman; with others to be named.

On Advertising:—Chas. N. Satterfield, Chairman; P. M. Brooks, T. K. Bordley, Wm. B. Newnam, W. Robt. Huey.

On Grounds:—Jno. C. Davis, T. S. Bordley, C. S. Smith.

Junior Committee:—Miss Inez Russell, Miss Rose Duyer.

On Decorations:—Mrs. A. L. Sparks, Chairman; Mrs. J. Hydie Thompson, Mrs. Leonard Needles, Mrs. J. T. Dixson, Miss Annie Clements, Miss Clara Usilton.

Dr. Geiser, who made such an enviable reputation on the Chautauqua platform last year, and whose return on the circuit was almost unanimously asked for this year, will be in Chestertown on the opening day Aug. 31st. afternoon and evening.

Red Cross and Defense Council Meet

On Monday of this week there was a meeting of the chairmen of the different auxiliaries of the Red Cross and of the Defense Council of the county at the beautiful new High School at Rock Hall. The morning was devoted to the business of the Red Cross and reports from the different chapters were read. Mrs. Wood, the county chairman, presided. Miss Norton, the Red Cross Nurse, urged the "fly campaign" be more vigorously pushed, also that greater interest be manifested in the weighing in the county of all children under six years.

During the intermission the ladies of the Rock Hall Chapter gave a most delightful luncheon to the visitors and the generous hospitality for which the Rock Hall people are noted was most heartily enjoyed. After the luncheon, Miss Copper, the County Demonstrator, spoke of the importance of drying fruits and vegetables, thereby conserving sugar, jars and rubbers, all of which are very scarce. She gave an interesting demonstration in drying.

The officers of the Defense Council held a meeting, after which all met in the spacious Assembly Hall. Report of the last meeting was read. Mrs. W. W. Hubbard, County Chairman, gave a talk explaining the work of the Council of Defense and spoke of the drive which is now on hand for women nurses. Reports were given by the chairman of each district and Kent's quota of ten nurses has been nearly completed.

Mrs. Wm. G. Smyth, woman chairman of the County Food Conservation Committee, explained the scarcity of sugar and urged every one to help in this work.

Mrs. Lecates, of Georgetown, chairman of the Woman in Industry, reported that many women in Kent Co. were taking the places of men in the industrial world. After a vote of thanks to the Rock Hall Chapter for their generous hospitality, the meeting was adjourned.

Automobile Accident

While returning from Tolchester beach last Sunday afternoon, an automobile driven by Miss Edna Kirby, skidded into the ditch at the Caulk's field turn, injuring several of the occupants of the car. In the party were: Miss Kirby's father, Mr. James W. Kirby, and Master Vernon Kirby, of Chestertown; and Mr. Wm. J. Sappington, Mrs. Emma Rayfield and daughter, Miss Doris, of Baltimore. Mr. Kirby sustained several cuts on the face by glass from a broken windshield and Mr. Sappington suffered a dislocated shoulder blade. The other occupants escaped unhurt. Dr. H. G. Simpers rendered surgical attention to the injured, and Mr. Frank Skirven brought the entire party to town. The automobile was only slightly damaged.

NEW CHANGES IN GAME LAWS

The Game Warden, calls attention to the fact that the Conservation Commission is in receipt of the new regulations governing the taking of migratory birds under the treaty which was entered into between Great Britain, Canada and the United States. President Wilson has signed these regulations and the same have become effective from the 31st day of July of this year.

The important changes which effect Maryland are as follows:

1. No wild fowl shall be shot with a gun larger than a 10-guage gun.
2. It absolutely prohibits the sale at all times of wild fowl, which includes ducks.
3. It absolutely prohibits at all times the killing of reedbirds.
4. It has prescribed an open season for doves, beginning September1, whereas the State of Maryland permits doves to be shot from the 15th day of August.
5. It has placed a bag limit of 25 ducks of all kind per day.

The balance of the regulations are practically the same as were promulgated under the other Federal statute regulating the taking of migratory birds.

These changes are very important, as the Maryland laws were published previous to issuing of these regulations, and, of course, these changes are not included in the publication of the game laws issued by the Conservation Commission.
