Petro'eum, or Rock Oil!

A NATURAL REMEDY!

Procured from a Well in Anneghany County, Pa.

FOUR HUNDRED FEET BELOW THE EARTH'S SURFACE!

PUT UP AND SOLD BY

SAMUEL M. KIER,

Canal Basin, 7th Street, Pittsburg, Pa.

THE PETROLEUM has been fully tested! About one year ago It was placed before the public as a Remedy of Wonderful efficacy. Every one not acquainted with its virtues. doubted its healing properties. The cry of humbug was raised against it. I had some friends. Those that were cured through its wonderful agency.—These spoke out in its favor. The lame, through its instrumentality, were made to walk—the blind to see. Those who had suffered for years under the torturing pains of Rheumatism, Gout and Neuralga, were restored to health and usefulness. Several who were blind have been made to see, the evidence of which will be placed before you. If you still have doubts, go and ask those who have been cured! Some of them live in our midst, and can answer for themselves, in writing about a medicine we are aware that we should write Truth—that we should make no statements that cannot be proved. We have the witness—crowds of them, who will testify, in terms stronger than we can write them, to the efficacy of this Remedy, who will testify that the Petroleum has done for them what no medicine ever could before—cases that were pronounced hopeless and beyond the reach of remediate means—cases abanboned by Physician- of unquestioned celebricy have been made to oxclaim "This is the most Wonderful Remedy ever discovered!" We will lay before you the certificates of some of the most remarkable cases; to give them all, would require advertising. Since the introduction of the Petroleum, about one year ago, many Physicians have been convinced of its efficacy, and now recommend it in their practice; and we have no doubt that in another year it will stand at the head of the list of valuable Remedies.—If the Physicians do not recommend it, the people will have it of themselves—for its transcendant power so heal, will and must become known and appreciated—when the voices of the cured speak out; when the cures themselves stand out as bold relief, and when he who has suffered with the tortures and pangs of an immedicable losion, that has been shortening his days and hastening him "to the narrow house appointed for all the living," when he speaks out its praise, who will doubt it?

Rheumatism yields to the power of Petroleum!

I feel myself under a debt of gratitude to the proprietor of the Petroleum—the use of which great medicine has entirely cured my wife of a violent attack of Rheumatism. She had labored under an attack of the disease for about two months, suffering the most intense pain; the greater part of the time confined to her bed, and unable to do anything.—The pain in the limbs was very great, attended with a great deal of swelling.—The Petroleum had a happy effect, for the first two or three applications the swelling diminished and the pain left her. I continued to apply the medicine daily for about two weeks, which entirely relieved her, and she is now as well as ever she in her life. I feel confident that the Petroleum is one of the greatest medicines in the world for Rheumatic pains and swellings.

PETER PUHL,

Read the following of a Sprained Ankle, from which the Patient had suffered long and severely.

Coleraine Forges, Huntingon co, Pa.

MR. KIER:—I am under great compliments to you, for the benefits received from the use of your Petroleum, which cured my Ankle by a few applications.

WILLIAM THOMPSON.

A Bad case of Inflammatory Rheumatism

The following extracts are from a letter received from a young a gentleman of Middleburg, Summit Co., Ohio.—They are attested by Chas. Belden, and Dr. Elijah Curtis of that place:

MR. KIER—*Dear Sir:* Gratitude compels me to express to you my thanks of the discovery of your invaluable medicine. I was afflicted with that awful and disheartening disease, the Inflamatory Rheumatism, on the 21st of September last, whilst I was in Cleveland, and was brought home from that place to Middleburg, where I lay on my back for over two months—for three weeks of this time I was in the most intense suffering and agony. I lay with my limbs in one position and could not stir a muscle, nor have my bed changed. My screams could be heard all over the neighborhood so intense was my suffering. When every other remedy proved valueless, I had recourse to your invaluable Petroleum, of which I had made but three applications, until I commenced to get better. I used altogether but two bottles and a half, and am now well. I can get any number of persons to to testify to the above facts if necessary.

Signed—FRED. H. BLECKER.

20,000 PERSONS CURED.

No Relief No Pay!

THE Public are respectfully informed that Dr. Tobias adopted the above as his motto since he has introduced his invaluable

Venetian Linement,

On sale in the United States—now over 3 years.

☞During that period, every bottle sold has been warranted to give *Relief*, if used according to the directions, or the money would be refunded; and No Agent was allowed to have it on sale without he would warrant it

Thousands of Bottles

Have been sold, and *not one in a thousand have been returned!*

Wherever it has been introduced it has superseded every other Linement, and, with scarcely any advertising, has quietly won public confidence. Now, there are hundreds of families that are never without it. This has been done by private recommendation, chiefly from those who have been cured by it of obstinate Diseases,

When every other remedy has proved ineffectual,

Many persons have said, on reading my pamphlet, that it *Cures too many Complaints*; but I have replied, "Use it according to the directions, and if you do not get relieved, your money will be returned." More I cannot say: for if I confer no benefit I ask no remuneration. All that is asked for is a fair trial; then I am assured there will be no dissatisfaction.

It is Warranted to Cure

Cholero, Colic, Dysentary, Cramp, Vomiting, Sea-Sickness, Chronic, Rheumatism, Sore Throats, Cuts, burns, Chilblains, Swellings, Old Sores, Bruises, Coughs, Croup, Mumps, Chapped Hands, Wens, Heart, Weakness in the Limbs, Back, and Chest; Pains in the Joints Hemmorrhage, &c.

Thousands of certificates can be seen at the depot.

☞Full Directions wrapped up with every Bottle.

Ladies

can find no article that will so quickly and harmlessly remove Pimples and Blotches from the Neck, Face and Hands.

Croup

which carries off hundreds of children annually, can be averted by the timely application of the Venetian Linement. If parents would observe their children, and when the eyes are heavy, or the breathing slightly the breathing slightly thick they would rub the neck and chest well with the liniment, they would never have to suffer that distressing complaint.

Chronic Rheumatism,

it cures as certainly as it is applied.—But inflammatory requires the aid of a physician as internal treatment is requisite.

Persons suffering from Weakness or Pains in the Back Chest or Limbs, will find relief in a few applications of this liniment. It opens the Pores, besides strengthening the muscles.

Toothache is cured by it in a few minutes.

Vomiting is immediately stopped by it, and when the stomache will not retain medicine or food, take 20 drops of iniment in half a wine glass full of water—then nothing will be ejected.

Cholera and *Dysentary* were cured in hundreds of cases, when last in this country, by the timely use of this liniment.
