DO YOU SEE THIS FELLOW?

LOOKS SURPRISED, DON'T HE?

Well, this is about the expression of those visiting our Regular Semi-Annual Reduction Sales.

We now propose to clear up all Summer goods at very much reduced prices.

Now we mean reductions from our already low quotations and every article of merchandise in our establishment is marked in plain figures. You can well see the significance and realize the difference in prices asked for similar qualities by city houses.

Come early while we have a fair assortment in Men's, Boys' and Children's Clothing, Straw Hats, Summer Underwear, Separate Trowsers and all Summer Merchandise will now be cleaned up.
