## STABLER'S DIARRHŒA CORDIAL

is a pleasant Mixture, composed in agreement with the rules of Pharmacy, of the opiate agents, long known and celebrated for their peculiar efficacy in curing DIARRHŒA and similar affections of the system. In its action it ALLAYS NAUSEA and produces alimal by action of the LIVER, thus removing the cause at the same time that it cures the disease.

Opinion of Dr. JOHN ADDISON, Physician to the Baltimore Southern Dispensary.

Having a trial of your "Diarrhœa Cordial," and being also acquainted with the ingredients of which it is composed, it gives me much pleasure in adding my testimony to that of others in favor of its EXTRAORDINARY EFFICACY in the cure of "Diarrhœa and Summer Complaints in children and adults."

With respect, &c.,
JOHN ADDISON, M. D.

☞Price 50 cts. per Bottle.

## STABLER'S ANODYNE CHERRY EXPECTORANT

Is confidently recommended to invalids, as UNSURPASSED by any known preparation for the cure of COUGHS, HOARSENESS, and other forms of common colds; BRONCHITIS, ASTHMA, CROUP, CONSUMPTION in an early stage, and for the RELIEF of the Patient even in advanced stages of that Fatal Disease.

It combines, in a scientific manner, remedies of long esteemed value, with others of more recent discovery, and besides its soothing and tonic qualities, acts through the skin gently, and with great efficacy, for the cure of this class of diseases.

A number of the most respectable Physicians, to whom we have communicated a knowledge of the constituents of these medicines, have been pleased to favor us with their opinions, (some of them in writing,) that they are the best remedies they have ever been acquainted with for the cure of the diseases for which they are recommended.

OPINION OF DR. SAMUEL B. MARTIN,

One of the most experienced of the faculty in this city, and long celebrated for successful practice:

GENTLEMEN—I have carefully examined the components of your Diarrhœa Cordial, as well as your Anodyne Cherry Expectorant, and find them every valuable compounds, the doses are safe and consistent with medical practice, and I do not hesitate to recommend them.

Your friend, &c.,
S. B. MARTIN, M. D.

Baltimore, June, 1852.

Certificate from Doct. JOHN ADDISON Physician to the Baltimore Southern Dispensary.

HAVING been made acquainted with the ingredients which enter into the composition of your "Anodyne Cherry Expectorant," and having also made trial of its virtues, I have no hesitation in recommending it to the confidence and patronage of the public, as a most valuable medicine in the treatment of the various diseases for which it is intended. JOHN ADDISON, M. D.

We beg leave, as convincing evidence of the highly valuable properties of the above named medicines, to refer to the annexed complimentary notice from sixteen of the most respectable Apothecaries and Pharmaceutists in the city of Baltimore, whom we have appointed our agents, and who have the several articles for sale.

The subscribers, Apothecaries and Pharmaceutists in the city of Baltimore, are satisfied that the preparations known as "Stabler's Anodyne Cherry Expectorant" and "Stabler's Diarrhœa Cordial," are medicines of great value and very efficient for the relief and cure of the diseases for which they are recommended; they bear the evidence of skill and care in their preparation and style of putting up, and we take pleasure in recommending them to our customers.

## STABLER'S DR. CHAPMAN'S WORM MIXTURE

*Prepared from a Receipt invented by DR. JOHN CHAPMAN, a member of the Royal College of Surgeons of London. A Remedy more efficient than this is not known.*

Many (perhaps one-half) of the diseases from which children suffer are occasion by the presence of Worms in the system and if neglected give rise to the most uncomfortable and irritating feelings—violent pains, sickness at the stomach, emaciation and frequently to vomiting.

This medicine is an efficient, safe and pleasant remedy for their extermination; it contains all the virtues of the most approved vermifuge, and although it has been used by many thousands, and has been before the public for several years, it has never been known to fail in effecting a complete cure.

Extract from a letter received from S. S. FOOTE, M. D., member of the Royal College of Surgeons, London.

October 20th, 1851.

To E. H. STABLER & Co.

Gentlemen,—I some time last year, by accident, got hold of a few bottles of your father's Dr. Chapman's Worm Mixture and used it in my practice with much unequalled success. Introduced me to send for 50 dozen. * * I last month ordered, through the same agent, 100 doz. more. * * You can ship me 50 dozen every three months from date of receipt of this, and draw for the amount, &c. &c.

Numerous certificates of cures of the most aggravated cases of disease could be readily appended hereto but we feel assured that they would add but little to the strong and respectable evidence here given by persons competent to judge of the merits of these remedial agents.

## COME, LET US REASON TOGETHER ORAL TESTIMONY.

THOUSANDS feel it a duty to talk to their afflicted friends of the benefit derived from HAMPTON'S VEGETABLE TINCTURE.—From day to day we have given the certificates of cures performed on our best known citizens, and still we have a part always ready for inspection upon us, all giving a weight of testimony that must convince the most skeptical. Attention is invited to call and read for themselves. The letter below is from one of the first mercantile firms. To those who know them it must carry conviction, and induce many sufferers to give this Tincture a trial.

PORT ROYAL, VA July 27, 1852.

*Messrs. Mortimer and Moubray*—Gents: We have again to send an order for more of our truly wonderful Hamptons Vegetable Tincture. Since it was first tried it has sold without an effort, and we have not seen the first person who has not been greatly benefited by its use. A gentleman of our neighborhood was induced to try the "Tincture" for a violent palpitation of the heart. He had suffered so much from it that he said he had prayed for death. He had taken but three doses when he assured us he would not take five hundred dollars for the benefit he had derived, and that he should never cease to remember us with gratitude for calling his attention to so valuable a medicine.

Yours, truly, GRAY & PENDLETON.

*The Whole World Attention!—Hear him ye sick, and do likewise!!*

BALTIMORE, Feb. 9, '52.

*Messrs Mortimer & Moubray*: Gentlemen: It is with real pleasure that I am able to inform you of the general healing and curative powers of Dr. Hampton's Vegetable Tincture. Some time during last November I was taken with a very bad and settled cough. I was advised to take Cod-Liver Oil and did so, but getting no better, I was induced to try your Tincture. I got one bottle, and before I had used it a few days I felt the benefit. Permit me also to state that, for the last fifteen years I have suffered very much from Acid Rheumatism and Vertigo, confining me at times to my bed. I am happy convinced that I owe my present good health to the use of the Tincture, and a kind Providence.

You can use my name in your business as you may think proper, and believe me, yours very respectfully,

G. DUNTON.

N. B.—I can be seen at any time at the Mayor's office. G. D.

THE ALMOST MIRACULOUS CURES made by Hampton's Vegetable Tincture on our most respectable citizens—men well known and tried—we challenge the world to show anything on record in medicine to equal it. *Many hundreds who have felt its healing powers bear the same testimony.*

BALTIMORE, July 6, 1852.

*Messrs Mortimer & Moubray*: Gentlemen: Last September I was attacked with erysipelas, from which a dreadful ulcer formed on my right leg. Getting better of this, last November I took a deep cold, which led to what my physician told me was bilious pleurisy, which left me with a constant, deeply seated, and painful cough, harassing me night and day, and constantly throwing up from my lungs a thick matter. I became much emaciated, growing weaker every day, and keeping my bed the greater part of the time.—My friends thought I had the consumption, and at times I was also of the same opinion. At this stage of my disease, after having tried many and various remedies, without success, a friend advised me to try Dr. HAMPTON'S VEGETABLE TINCTURE, and procured me a bottle, which I now pronounce the greatest medicine I ever took. Before I had taken half the contents of one bottle I felt much improved, and now, having taken but five bottles, my cough and *pains have entirely left me*, and I am enabled to attend to business. I can truly say that, with the blessing of God, I have been restored to the health I now enjoy by the use of this most invaluable medicine.

Yours,
WESLEY ROCK,
Schroeder, near Saratoga street.

*Truth stranger than Fiction!—None need do so—A Lady's Testimony after thirty-eight years' of suffering*

Were there not real virtues in this wonderful medicine, could it perform the astonishing cures made by it?

NORTHAMPTON Co., April 13, 1852.

*Messrs Tyler & Adair*: I have been afflicted with Rheumatism, at times, from my twelfth year; I will be fifty years of age the 12th of this month; the attacks were at times so severe as to render me helpless; I have tried various remedies to very little effect. Last October I was attacked in my shoulders, sides, back, and hips; I could not rest, day or night; I could not move any part of my body without crying with pain; at this time I also tried many remedies, internal and external, without receiving any relief; I was at last advised to try HAMPTON'S VEGETABLE TINCTURE; before I had taken one bottle of which I felt much better, and as I continued taking it I felt strength coming into my back and limbs, and my stomach strengthened and relieved every way; I have taken five bottles, and am much better than I ever expected to be. I intend to use it whenever I need it, and would recommend it to the afflicted, believing it unequaled. Yours,
ELIZABETH BAGWELL.

HAMPTON'S VEGETABLE TINCTURE, by its mild action on the Stomach, Liver, and the Kidneys, will cure Dyspepsia, Cough, Asthma, Bronchial and Lung Affections; Pains in the Back, Side, and Breast; Consumption, Scrofula, Rheumatism, Gout, Neuralgia, Fistulas, Piles, Bowel Complaints, Worms, Nervous Debility—with all diseases arising from impure blood, and is the greatest Female Medicine ever known.

For Cholera Morbus, Cholic, Diarrhœa and all diseases incident to the bowels in the summer season, it has no equal.

We ask the afflicted to call on those having this wonderful article for sale and get pamphlets gratis.

## Report of Analysis of Quick LIME

DELIVERED by Messrs Ermentrout at my farm. The specimens were taken with my own hand from a number of cart loads after they were deposited in the field, and the sample was a fair representation of the whole:

| | |
|---|---|
| Lime, weight of, as pure Lime, or Oxide of Calcium, | 60.37 |
| Magnesia, weight of, as pure, or Calcined Magnesia, or Oxide of Magnesia, | 22.38 |
| Potash and Soda, | 01.00 |
| Iron and Alumina, or clay, | 00.66 |
| Silica, or sand, | 01.10 |
| Silica acid, or soluble silica, | 03.00 |
| Bone earth, weight as Phosphate of Magnesia, | 00.10 |
| Loss, supposed to be carbonic acid and water, | 05.13 |
| | 100 |

REMARKS—Every hundred bushels of this Lime contains Phosphates about equal to one bushel of Bones. When bones are dissolved and minutely divided, it is said that the immediate effect of one bushel is equal to four; if so the value of these phosphates is more than one bushel.

Respectfully,
DAVID STEWART, M. D.
