23 Marks Will Vote Fall Ticket

The ballot will contain over fifty names, and if every person stops to read all the names it will take some people several minutes to mark their ballot. However, there is a way to vote correctly, and that way is to mark an X mark opposite the word DEMOCRATIC wherever it appears on the ballot. And after you have done this look over your ballot and see if you have missed any. There is no excuse for any Democrat to vote for a Republican. A mark opposite the word DEMOCRATIC will vote every Democrat, there being 22 names.

It requires 22 marks to vote a full Democratic Ticket.

Mark an X in box after the word Democratic.

HAMILTON PROVED
"most accurate make of watch"

"Inquiring Reporters" in six large cities asked more than 1400 people, "What time have you?" and "What make is your watch?" Although nearly all makes of watches were checked in this test, Hamilton clearly won the title of "most accurate watch." Ask us to show you our selection of wrist, strap and pocket Hamiltons between $37.50 and $42.50.

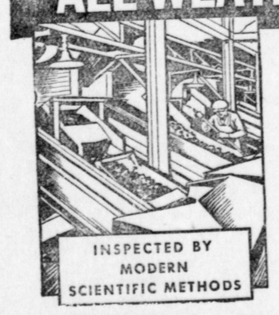
WHY 'blue coal' GIVES "ALL WEATHER" HEAT



REASON No. 29
'blue coal' is adaptable to all weather conditions. Because of its purity and careful preparation it starts up fast on zero mornings as soon as the drafts are opened. Because of its square fracture and high carbon content it burns evenly and completely on cold days, and makes a slow, lasting fire when banked in mild weather. For cozy, even, healthful warmth in every room, all winter—always specify 'blue coal'. And for clean, prompt deliveries—always order from us.
