DENTON, MARYLAND,

THURSDAY, FEBRUARY 26, 1903.

"WHAT did Cleveland stand for?" Well, according to the correspondents, there were times when he stood for hours in the hot sun waiting for a bite.

THERE is no question of the President's determination to secure a vote on the Cuban Treaty. He is reported as regarding this treaty as the most important of all those pending and his announcement to a number of Senators is so positive as to leave no doubt of his intention to call an extra session of the Senate in case this Congress does not bring the treaty to a vote.

THE German method of "nursing the friendship of the United States" seems to have consisted in pushing Uncle Sam as far as he will go and then being sorry for it, and semi-officially announcing that it is only a friendly bout and, we take it all back. Your Uncle Sam is a good natured old chap and will stand lots of shoving, but he has been known to strike back. Pulling the tail feathers of his pet eagle too hard may arouse the old gentleman some day in a way which Germany won't relish.

THE statement that Judge Parker is to be the Democratic presidential candidate with the backing of the trusts and unlimited money for the campaign is hardly ingenious enough to be credited. Certain professional politicians are antagonistic to the President as are also many of the trust interests which have not been pleased with the President's aggressive demands for anti-trust legislation. But Mr. Roosevelt himself could want nothing better than an opposing candidate backed by Wall Street, and whatever punishment the trusts contemplate meting out to the President for his temerity in interfering with their operations, it is evident that they will be careful not to publish their program broadcast to the country.

WORLD'S FAIR NEWS.

From the Press Bureau.

The magnificent character of the ceremonies contemplated for April 30th next, at St. Louis has scarcely been touched upon. The occasion is the celebration of the 100th anniversary of the Louisiana Purchase, and the dedication of the buildings for the World's Fair of 1904.

President Roosevelt, accompanied by his cabinet and diplomatic corps, will attend. Former President Cleveland will deliver the principal address. Cardinal Gibbons, Bishop Potter and Bishop Hendricks will represent three of the great church organizations at the ceremonies. The governors of the Louisiana Purchase states will be present with their staffs. The governors of many other states will also be present. The national commission and board of lady managers of the exposition, state and foreign commissions to the World's Fair and many other distinguished persons will take part in the event.

A public holiday season will be proclaimed continuing for three days, April 30, May 1 and 2. Major General Henderson C. Corbin will be the grand marshall and over 5,000 government troops and 10,000 members of the national guard will attend in uniform and participate in the grand parades.

The fire works display will be of a character surpassing any previous attempt in this line. The fire works program covers the entire three days and provides both day and evening displays. The program for the evening display of Thursday, May 30 contains fifty-two parts, for Friday evening, May 1, forty-four parts. On Saturday, May 2, a day program only will be given. Among the many large features will be the unfurling of an American flag 300x400 feet in size and the flags of several of the leading nations of the world 200x300 feet in size. These will be carried 2,500 feet in the air by seven immense balloons, and there the fire works of which they are composed will be set off. One of the set pieces will be a representation, full size, of the illuminated cascades and colonades of the Cascade Gardens. This will be over fifty feet high with central feature 200 feet high, and the whole over a mile long. There will be flights of 100 rockets of various kinds, flights of 100 bombs, 1,000 triple star candles, 500 pots of the mammoth prismatic whirlwinds, volleys of 1,000 showers, grand bouquet of 5,000 large colored rockets, a Jacob's ladder consisting of 1,000 special rockets, an illumination of the park, a flight of balloons carrying the flags of all nations, jeweled mines, 100 batteries of gyrated wonders, etc. The display is the largest ever planned for any occasion.

Splendid musical events will be a part of the three-day celebration. Two hundred thousand visitors are expected, for which provision has been made by a complete canvas of the city and provision will be made for the comfort of all.

Not a bit of use to endure the tortures of rheumatic pains when there is a sure relief in reach. Ramon's Nerve and Bone Oil goes "right to the spot," and acts like magic. It not only relieves the pain instantly but if its use is continued cures the disease. Get the genuine Ramon's, every bottle bears name of Brown Manufacturing Co. R. J. Colston, Denton; J. D. A Weak Stomach

causes a weak body and invites disease. Kodol Dyspepsia Cure cures and strengthens the stomach, and wards off and overcomes disease. J. B. Taylor, a prominent merchant of Chriesman, Texas, says: "I could not eat because of a weak stomach. I lost all strength and ran down in weight. All that money could do was done, but all hope of recovery vanished. Hearing of some wonderful cures effected by the use of Kodol, I concluded to try it. The first bottle benefited me, and after taking four bottles I am fully restored to my usual strength, weight and health." Hugh Duffey, Hillsboro.

The St. James Saving Fund whose advertisement appears in another column, is one of the best known institutions of Baltimore, and has three branch establishments in that city. Its financial strength is unquestioned. Its new department "Banking by Mail" promises to be most successful, and its list of out of town depositors is constantly growing. The system is explained in a handsomely illustrated booklet entitled "Banking by Mail" which the St. James Savings Fund sends free to those who send for it. 3½ per cent. interest, a handsome rate, is paid on all deposits. The system is so arranged as to entirely minimize risk of loss of money in transit, and makes banking by mail as easy as banking in person. It offers an exceptional opportunity to those engaged in agricultural and similar pursuits.

One Minute Cough Cure gives relief in one minute, because it kills the microbe which tickles the mucous membrane, causing the cough, and at the same time clears the phlegm, draws out the inflamation and heals and sooths the affected parts. One Minute Cough Cure Strengthens the lungs, wards off pneumonia and is a harmless never-failing cure in all curable cases of Coughs, Colds and Croup. One Minute Cough Cure is pleasant to take, harmless and good alike for old and young. Hugh Duffey, Hillsboro.

MR. T. HARVEY:
The Steel Range I bought of you gives entire satisfaction. It is a good burner and a splendid baker. I don't see how a range could work any better.
JAS. HOBBS,

December 14, 1901.
To MR. HARVEY, Sir:—Have given the "Quick Meal" Range bought of you a thorough trial, and am well satisfied with it. Being quick to heat it saves much in fuel, and yet bakes evenly at bottom and top. I could not ask a better cooking stove. H. L. SAULSBURY.

Hickman, Del., Nov. 27, 1901.
MR. HARVEY, Sir:—The Born Steel Range that I bought of you is perfectly satisfactory in every way.
A. H. CAHALL.

Whitleysburg, Md., Feb. 27, 1902
MR. T. HARVEY:—The Born Steel Range I bought of you gives entire satisfaction in every way. It burns green wood well and bakes to perfection.

Rheumacide

Is a new and scientific compound made from roots, herbs and barks—contains neither opiates nor poisons. It purifies the blood and removes the causes of rheumatism and all blood diseases. Anyone can take RHEUMACIDE with absolute safety. Does not injure the digestive organs.

TWO CURES.

FLORENCE, S. C., Aug. 16, 1902.
Gentlemen:—I began to suffer from rheumatism about three years ago, and had it very bad in my limbs. At times I could hardly walk. Was treated by a physician without benefit. More than a year ago, Mr. George Wilson, an engineer on the Coast Line, living in Florence, told me that "RHEUMACIDE" cured him. I got a bottle and it benefitted me. I took five bottles and am now as well as I ever was in my life. I regard "RHEUMACIDE" as a great medicine. I know of others it has cured.
Truly,
S. T. BURCH.

DARLINGTON, S. C., Aug. 19th, 1902.
Gentlemen:—About two years ago I had a very severe attack of inflammatory rheumatism. I suffered great pain and was confined to my bed for five weeks. During the time I was treated by two Physicians without permanent relief. Capt. Harker, a conductor on the Atlantic Coast Line heard of my condition and sent me two bottles of "RHEUMACIDE." I began to take it and in a week I got up and walked on crutches. After taking three bottles of the remedy I got entirely well and went back to my business.
I personally know of a number of other bad cases that were cured by the use of your medicine, in this town and vicinity. It is all that you claim for it.
Truly, J. L. SISKRON.
