Petroleum or Rock Oil!

A NATURAL REMEDY!

Procured from a Well in Anneghany County, Pa.

FOUR HUNDRED FEET BELOW THE EARTH'S SURFACE!

PUT UP AND SOLD BY

SAMUEL M. KIER.

Canal Basin, 7th Street, Pittsburg, Pa.

THE PETROLEUM has been fully tested! About one year ago it was placed before the public as a Remedy of Wonderful efficacy. Every one not acquainted with its virtues, doubted its healing properties. The cry of humbug was raised against it. I had some friends. Those that were cured through its wonderful agency.—These spoke out in its favor. The lame, through its instrumentality, were made to walk—the blind to see. Those who had suffered for years under the torturing pains of Rheumatism, Gout and Neuralgia, were restored to health and usefulness. Several who were blind have been made to see, the evidence of which will be placed before you. If you still have doubts, go and ask those who have been cured! Some of them live in our midst, and can answer for themselves, in writing about a medicine we are aware that we should write Truth—that we should make no statements that cannot be proved. We have the witness—crowds of them, who will testify in terms stronger than we can write them, to the efficacy of this Remedy, who will testify that the Petroleum has done for them what no medicine ever could before—cases that were pronounced hopeless and beyond the reach of remediate means—cases abandoned by Physicians of unquestioned celebricy have been made to exclaim "This is the most Wonderful Remedy ever discovered!" We will lay before you the certificates of some of the most remarkable cases; to give them all, would require advertising. Since the introduction of the Petroleum, about one year ago, many Physicians have been convinced fo its efficacy, and now recommend it in their practice; and we have no doubt that in another year it will stand at the head of the list of valuable Remedies,—for its transcendant power so heal, will and must become known and appreciated—when the voices of the cured speak out; when the cures themselves stand out as bold relief, and when he who has suffered with the tortures and pangs of an immediable lesion, that has been shortening his days and hastening him "to the narrow house appointed for all the living," when he speaks out its praise, who will doubt it?

Rheumatism yields to the power of Petroleum!

I feel myself under a debt of gratitude to the proprietor of the Petroleum—the use of which great medicine has entirely cured my wif of a violent attack of Rheumatism. She had labored under [illegible] months, suffering the most intense pain; the greater part of the time confined to her bed, and unable to do anything.—The pain in the limbs was very great, attended with a great deal of swelling.—The Petroleum had a happy effect, for the first two or three applications the swelling diminished and the pain left her. I continued to apply the medicine daily for about two weeks, which entirely relieved her, and she is now as well as ever she in her life. I feel confident that the Petroleum is one of the greatest medicines in the world for Rheumatic pains and swellings.

A Bad case of Inflammatory Rheumatism

The following extracts are from a letter received from a young a gentleman of Middleburg, Summit Co., Ohio.—They are attested by Chas. Belden, and Dr. Elijah Curtis of that place:

MR. KIER—*Dear Sir:* Gratitude compels me to express to you my thanks of the discovery of your invaluable medicine. I was afflicted with that painful and disheartening disease, the Inflamatory Rheumatism, on the 21st of September last, whilst I was in Cleveland, and was brought home from that place to Middleburg, where I lay on my back for over two months—for three weeks of this time I was in the most intense suffering and agony. I lay with my limbs in one position and could not stir a muscle, nor have my bed changed. My screams could be heard all over the neighborhood so intense was my suffering. When every other remedy proved valueless, I had recourse to your invaluable Petroleum, of which I had made but three applications, until I commenced to get better. I used altogether but two bottles and a half, and am now well. I can get any number of persons to to testify to the above facts if necessary.

When every other remedy has proved ineffectual,

Many persons have said, on reading my pamphlet, that it *Cures too many Complaints*; but I have replied, "Use it according to the directions, and if you do not get relieved, your money will be returned." More I cannot say: for if I confer no benefit I ask no remuneration. All that is asked for is a fair trial; then I am assured there will be no dissatisfaction.

Opinion of Dr. JOHN ADDISON, Physician to the Baltimore Southern Dispensary.

Having a trial of your "Diarrhœa Cordial," and being also acquainted with the ingredients of which it is composed, it gives me much pleasure in adding my testimony to that of others in favor of its EXTRAORDINARY EFFICACY in the cure of "Diarrhœa and Summer Complaints in children and adults."

STABLER'S ANODYNE CHERRY EXPECTORANT

Is confidently recommended to invalids as UNSURPASSED by any known preparation for the cure of COUGHS, HOARSENESS, and other terms of common colds; BRONCHITIS, ASTHMA, CROUP, CONSUMPTION in an early stage, and for the RELIEF of the Patient even in advanced stages of that Fatal Disease.

It combines, in a scientific manner, remedies of long esteemed value, with others of more recent discovery, and besides its *soothing* and *tonic* qualities, acts through the skin gently, and with great efficacy; for the cure of this class of diseases.

A number of the most respectable Physicians, to whom we have communicated a knowledge of the constituents of these medicines, have been pleased to favor us with their opinions, (some of them in writing,) that they are the best remedies they have ever been acquainted with for the cure of the diseases for which they are recommended.

OPINION OF Dr. SAMUEL B. MARTIN,

One of the most experienced of the faculty in this city, and long celebrated for successful practice:

GENTLEMEN—I have carefully examined the component parts of your Diarrhœa Cordial, as well as your Anodyne Cherry Expectorant, and find them some valuable compounds, the doses are safe and consistent with medical practice, and I do not hesitate to recommend them.

Your friend, &c. S. B. MARTIN, M. D.

Baltimore, June, 1852.

Certificate from Doct. JOHN ADDISON, Physician to the Baltimore Southern Dispensary.

HAVING been made acquainted with the ingredients which enter into the composition of your "Anodyne Cherry Expectorant," and having also made trial of its virtues, I have no hesitation in recommending it to the [illegible] public, as a most valuable medicine in the treatment of the various diseases for which it is intended. JOHN ADDISON, M. D.

We beg leave, as convincing evidence of the highly valuable properties of the above named medicines, to refer to the annexed complimentary notice from sixteen of the most respectable Apothecarries and Pharmaceutists in the city of Baltimore, whom we have appointed our agents, and who have the several articles for sale.

STABLER'S

DR. CHAPMAN'S WORM MIXTURE.

Prepared from a Receipt invented by DR. JOHN CHAPMAN, a member of the Royal College of Surgeons of London. A Remedy more efficient than this is not known.

Many (perhaps one-half) of the diseases from which children suffer are occasion by the presence of Worms in the system; and if neglected, give rise to the most uncomfortable and irritating feelings, violent pains, sickness at the stomach, emaciation and frequently to vomiting.

This medicine is an efficient, safe and pleasant remedy for their extermination; it contains all the virtues of the most approved vermifuge, and although it has been used by many thousands, and has been before the public for several years, it has never been known to fail in effecting a complete cure.

Extract from a letter received from S. S. FORTE, M. D., member of the Royal College of Surgeons, London.

To E. H. STABLER & Co. October 20th, 1851.

Gentlemen,—I some time last year, by accident, got hold of a few bottles of your Stabler's Dr. Chapman's Worm Mixture and used it in my practice with much unequalled success as induced me to send for 50 dozen. * * * I last month ordered, through the same gentleman, 100 dozen. * * * You can ship me 50 dozen every three months from date of receipt of this, and draw for the amount, &c., &c.

Numerous certificates of cures of the most aggravated cases of disease could be readily appended hereto, but we feel assured that they would add but little to the strong and respectable evidence here given by persons competent to judge of the merits of these remedial agents.

COME, LET US REASON TOGETHER.

ORAL TESTIMONY.

THOUSANDS feel it a duty to talk to their afflicted friends of the benefit derived from HAMPTON'S VEGETABLE TINCTURE.—From day to day we have given the certificates of cures performed on our best known citizens, and still we have a perfect avalanche of letters pouring upon us all, all giving a weight of testimony that must convince the most skeptical. All are invited to call and read for themselves. The letter below is from one of the first mercantile firms. To those who know them, it must carry conviction, and induce many sufferers to give this Tincture a trial:

PORT ROYAL, VA. July 27, 1852.

Messrs. Mortimer and Mowbray: Gents: We have again to send an order for more of our truly wonderful Hamptons Vegetable Tincture. Since it was first tried it has sold without an effort, and we have not seen the first person who has not been greatly benefitted by its use. A gentleman of our neighborhood was induced to try the "Tincture" for a violent palpitation of the heart. He had suffered so much from it that he said he had prayed for death. He had taken but three doses when he assured us he would not take five hundred dollars for the benefit he had derived, and that he should never cease to remember us with gratitude for calling his attention to so valuable a medicine.

Yours, truly, GRAY & PENDLETON.

The Whole World, Attention!—Hear him, ye sick, and do likewise!!

BALTIMORE, Feb. 9, '52.

Messrs. Mortimer & Mowbray: Gentlemen: It is with real pleasure that I am able to attest to the general healing and curative powers of Dr. Hampton's Vegetable Tincture. Some time during last November I was taken with a very bad and serious cough. I was advised to take Cod-Liver Oil, and did so; but getting no better, I was induced to try your Tincture. I got one bottle, and before I had used it all my cough left me. Permit me also to state that, for the last fifteen years, I have suffered very much from Acute Rhumatism and Vertigo confining me at times to my bed—I am fully convinced that I owe my present good health to the use of the Tincture, and a kind Providence.

You are, my friends, at liberty to use this as you may think proper, and believe me, yours very respectfully.

G. DUNN.

N. B.—I can be seen at any time at the Mayor's office. G. D.

THE ALMOST MIRACULOUS CURES made by Hampton's Vegetable Tincture on our most respectable citizens—men well known and tried—we challenge the world to show anything on record in medicine to equal it. *Many hundreds who have felt its healing powers bear the same testimony.*

BALTIMORE, July 6, 1852.

Messrs Mortimer & Mowbray: Gents: Last September I was attacked with erysipelas, from which a dreadful ulcer formed on my right leg. Getting better of this, last November I took a deep cold, which led to what my physician told me was bilious pleurisy, which left me with a constant, deeply seated, and painful cough, having no rest day or night, and constantly throwing up from my lungs a thick matter; I became much emaciated, growing weaker every day, and keeping my bed the greater part of the time.—My friends thought I had the consumption, and at times I was also of the same opinion. At this stage of my disease, after having tried many and various remedies, without success, a friend advised me to try Dr. HAMPTON'S VEGETABLE TINCTURE, and procured me a bottle, which I now pronounce the greatest medicine I ever took. Before I had taken half the contents of one bottle I felt much improved; and now, having taken but *two* bottles, my *cough* and *pains have entirely left me*, and I am enabled to attend to business I can truly say that, with the blessing of God, I have been restored to the health I now enjoy by the use of this most invaluable medicine.

Were there not real virtue in this wonderful medicine, could it perform the astonishing cures made by it?

NORTHAMPTON Co., April 13, 1852.

Messrs Tyler & Adair: I have been afflicted with Rhumatism, at times, from my twelfth year; I will be fifty years of age the 18th of this month; the attacks were at times so severe as to render me helpless; I have tried various remedies to very little effect. Last October I was attacked in my shoulders, sides, back, and hips; I could not rest, day or night; I could not move any part of my body without crying with pain; at this time I also tried many remedies, internal and external, without receiving any relief; I was at last advised to HAMPTON'S VEGETABLE TINCTURE; before I had taken one bottle of which I felt much better, and as I continued taking it I felt strength coming into my back and limbs, and my stomach strengthened and revived every way; I have taken five bottles, and am much better than I ever expected to be. I intend to use it whenever I need it, and would recommend it to the afflicted, believing it unequaled. Yours,
