Wherever it has been introduced it superseded every other Linement, d, with scarcely any advertising, has ietly won public confidence. Now, ere are hundreds of families that are ver without it. This has been done private recommendation, chiefly from ose who have been cured by it of stinate Diseases,

hen every other remedy has proved ineffectual,

Many persons have said, on reading y pamphlet, that it *Cures too many omplaints*; but I have replied, "Use according to the directions, and if ou do not get relieved, your money ill be returned." More I cannot say: r if I confer no benefit I ask no re- muneration. All that is asked for is a air trial; then I am assured there will e no dissatisfaction.

It is Warranted to Cure

Cholero, Colic, Dysentary, Cramp, Vomiting, Sea-Sickness, Chronic, Rheu- natism, Sore Throats, Cuts, burns, Chil- blains, Swellings, Old Sores, Bruises, Coughs, Croup, Mumps. Chapped Hands, Wens, Heart, Weakness in the Limbs, Back, and Chest; Pains in the Joints Hemmorrhage, &c.

Ladies

can find no article that will so quickly and harmlessly remove Pimples and Blotches from the Neck, Face and Hands.

Croup

which carries off hundreds of children annually, can be averted by the timely application of the Venetian Linement. If parents would observe their children, and when the eyes are heavy, or the breathing slightly the breathing slightly thick they would rub the neck and chest well with the liniment, they would nev- er have to suffer that distressing com- plaint.

Chronic Rheumatism,

it cures as certainly as it is applied.—But inflammatory requires the aid of a physician as internal treatment is requi- site.

Persons suffering from Weakness or Pains in the Back Chest or Limbs, will find relief in a few applications of this liniment. It opens the Pores, be- sides strengthening the muscles.

Toothache is cured by it in a few min- utes.

Vomiting is immediately stopped by it, and when the stomach will not re- tain medicine or food, take 20 drops o iniment in half a wine glass full of wa- ler—then nothing will be ejected.

Cholera and *Dysentary* were cured in hundreds of cases, when last in this country, by the timely use of this lini- ment.

STABLER'S

DIARRHŒA CORDIAL

Is a pleasant Mixture, composed in agree- ment with the rules of Pharmacy, of the raputic agents, long known and celebrated for their peculiar efficacy in curing DIAR RHŒA, and similar affections of the sys- tem. In its action, it ALLAYS NAUSEA and produces a healthy action of the LIVER, thus removing the cause at the same time that it cures the disease.

Opinion of Dr. JOHN ADDISON, Physician to the Baltimore Southern Dispensary.

Having a trial of your "Diarrhœa Cordi- al," and being also acquainted with the in- gredients of which it is composed, it gives me much pleasure in adding my testimony to that of others in favor of its EXTRAORDI- NARY EFFICACY in the cure of "Diarrhœa and Summer Complaints in children and adults."

With respect, &c.,
JOHN ADDISON, M. D

Price 50 cts. per Bottle.

STABLER'S ANODYNE CHERRY

EXPECTORANT

Is confidently recommended to invalids AS UNSURPASSED by any known preparation for the cure of COUGHS, HOARSENESS, and other forms of common colds; BRON- CHITIS, ASTHMA, CROUP, CON- SUMPTION in an early stage, and for the RELIEF of the Patient even in advanced stages of that Fatal Disease.

It combines, in a scientific manner, rem- edies of long esteemed value, with others of more recent discovery, and besides its *soothing* and *tonic* qualities, acts through the skin gently, and with great efficacy; for the cure of this class of diseases.

A number of the most respectable Physi- cians, to whom we have communicated a knowledge of the constituents of these med- icines, have been pleased to favor us with their opinions, (some of them in writing,) that they are the best remedies they have ever been acquainted with for the cure of the diseases for which they are recommen- ded.

OPINION OF DR. SAMUEL B. MARTIN,

One of the most experienced of the faculty in this city, and long celebrated for success- ful practice:

GENTLEMEN—I have carefully examined the component parts of your Diarrhœa Cordial, as well as your Anodyne Cherry Expectorant, and find them BOTH valuable com- pounds, the doses are safe and consistent with medical practice, and I do not hesitate to recommend them.

Your friend, &c., S. B. MARTIN, M. D.

Baltimore, June, 1852.

Certificate from Doct. JOHN ADDISON, Physician to the Baltimore Southern Dis- pensary.

HAVING been made acquainted with the ingredients which enter into the composition of your "Adodyne Cherry Expectorant," and having also made trial of its virtues, I have no hesitation in recommending it to the confidence and patronage of the public, as a most VA- LUABLE medicine in the treatment of the various diseases for which it is intended. JOHN ADDISON, M. D.

We beg leave, as convincing evidence of the highly valuable properties of the above named medicines, to refer to the annexed complimentary notice from sixteen of the most respectable Apothecaries and Phar- maceutists in the city of Baltimore, whom we have appointed our agents, and who have the several articles for sale.

The subscribers, Apothecaries and Pharmacuetists in the city of Baltimore, are satisfied that the preparations known of "Stabler's Anodyne Cherry Expectorant" and "Stabler's Diarrhœa Cordial," are medicines of great value, and very efficient for the relief and cure of the diseases for which they are recommended: they bear the evidence of skill and care in their prepazation and style of putting up, and we take dleasure in recommending them to our customers.

STABLER'S

DR. CHAPMAN'S WORM MIXTURE,

Prepared from a Receipt invented by DR. JOHN CHAPMAN, a member of the Royal College of Surgeons of London. A Remedy more efficient than this is not known.

Many (perhaps one-half) of the diseases from which children suffer are occasion by the presence of Worms in the system; and if neglected, give rise to the most uncom- fortable and irritating feelings, violent pains, sickness at the stomach, emaciation and frequently to vomiting.

This medicine is an efficient, safe and pleasant remedy for their extermination; it contains all the virtues of the most appro- ved vermifuge, and although it has been used by many thousands, and has been be- fore the public for several years, it has nev- er been known to fail in effecting a com- plete cure.

Extract from a letter received from S. S. Forte, M. D., member of the Royal College of Surgeons, London.

October 20th, 1851.

To E. H. STABLER & Co.

Gentlemen,—I some time last year, by accident, got hold of a few bottles of your Stabler's Dr. Chapman's Worm Mixture and used it in my practice with much unequalled success as induced me to send for 50 dozen. * * * I last month ordered, through the same gen leman, 100 dozen. * * * You can ship me 50 dozen every three months from date of receipt of this, and draw for the amount, &c.. &c.

Numerous certificates of cures of the most aggravated cases of disease could be readily appended hereto, but we feel assur- ed that they would add but little to the strong and respectable evidence here given by persons competent to judge of the mer- its of these remedial agents.

COME, LET US REASON TOGETHER.

ORAL TESTIMONY.

THOUSANDS feel it a duty to talk to their af- flicted friends of the benefit derived from HAMPTON'S VEGETABLE TINCTURE.—From day to day we have given the certificates of cures performed on our best known citizens, and still we have a perfect avalanche of letters pour- ing upon us- all, all giving a weight of testimony that must convince the most skeptical. All are invited to call and read for themselves. The let- ter below is from one of the first mercantile firms. To those who know them, it must carry convic tion, and induce many sufferers to give this Tinc- ture a trial:

PORT ROYAL, VA, July 27, 1852.

Messrs. Mortimer and Mowbray: Gents: We have again to send an order for more of our truly wonderful Hamptons Vegetable Tincture. Since it was first tried it has sold without an effort, and we have not seen the first person who has not been greatly benefitted by its use. A gentleman of our neighborhood was induced to try the "Tinc- ture" for a violent palpitation of the heart. He had suffered so much from it that he said he had prayed for death. He had taken but three doses when he assured us he would not take five hun- dred dollars for the benefit he had derived, and that he should never cease to remember us with grattitude for calling his attention to so valuable a medicine.

Yours, truly, GRAY & PENDLETON.

The Whole World, Attention!—Hear him, ye sick, and do likewise!!

BALTIMORE, Feb. 9, '52

Messrs Motimer & Mowbray: Gentlemen: It is with real pleasure that I am able to attest to the general healing and curative powers of Dr. Hamp- ton's Vegetable Tincture. Sometime during last November I was taken with a very bad and seri- ous cough I was advised to take Cod-Liver Oil, and did so; but getting no better, I was induced to try your Tincture. I got one bottle, and be- fore I had used it all my cough left me. Permit me also to state that, for the last fifteen years, I have suffered very much from Acute Rhumatism and Vertigo, confining me at times to my bed—I am fully convnced that I owe my present good health to the use of the Tincture, and a kind Prov- dence.

You are, my friends, ta liberty to use this as you may think proper; and believe me, yours very espectfully. G. DUNAN.

N. B.—I can be seen at any time at the Mayor's office. G. D.

THE ALMOST MIRACULOUS CURES made by Hamptan's Uegetable Tincture on our most respectable citizens—men well known and tried —we challenge the world to show anything on record in medicine to equal it *Many hundreds who have felt its healing powers bear the same testi- mony.*

BALTIMORE, July 6, 1852.

Messrs Mortimer & Mowbray: Gents: Last Sep- tember I was attacked with erysipelas, from which a dreadful ulcer formed on my right leg. Getting better of this, last November I took a deep cold, which led to what my physician told me was bilious pleurisy, which left me with a constant, deeply seated, and painful cough, hav- ing no rest day or night, and constantly throw- ing up from my lungs a thick matter; I became much emaciated, growing weaker every day, and keeping my bed the greater part of the time.—My friends thought I had the consumption, and at times I was also of the same opinion. At this stage of my disease, after having tried many and various remedies, without success, a friend ad- vised me to try Dr. HAMPTON'S VEGETABLE TINCTURE, and procured me a bottle, which I now pronounce the greatest medicine I ever took. Before I had taken half the contents of one bottle I felt much improved; and now, having taken but *two* bottles, my *cough* and *pains have entirely left me*, and I am enabled to attend to business can truly say that, with the blessing of God, I have been restored to the health I now enjoy by the use of this most invaluable medicine.

Were there not real virtue in this wonderful medicine, could it perform the astonishing cures made by it?

NORTHAMPTON Co., April 13, 1852.

Messrs Tyler & Adair: I have been afflicted with Rhumatism, at times, from my twelfth year; I will be fifty years of age the 18th of this month; the attacks were at times so severe as to render me helpless; I have tried various remedies to very little effect. Last October I was attacked in my shoulders, sides, back, and hips; I could hot rest, day or night; I could not move any part of my body without crying with pain; at this time I also tried many remedies, internal and external, with- out receiving any relief; I was at last advised to HAMPTON'S VEGETABLE TINCTURE; before I had taken one bottle of which I felt much better, and as I continued taking it I felt strength com- ing into my back and limbs, and my stomach strengthened and revived every way; I have taken bottles, and am much better than I ever ex- ed to be. I intend to use it whenever I need nd would recommend it to the afflicted, bei- ng it unequaled. Yours,

ELIZABETH BAGWELL.
