SATURDAY, APRIL, 13, 1907.

AFTER a charge considered adverse to Harry K. Thaw, Justice Fitzgerald, of New York, delivered the prisoner's fate into the hands of the jury at 5.17 P. M. Wednesday. At noon yesterday they had not reached a verdict.

THE report that is being circulated "confidentially" to the effect that the present board of town commissioners had spent $500 for a sea wall for a private party in Chestertown is totally false, and was put out to injure the Board. It is a fact that only $20 was spent on this wall by the town. Next.

Boys with hats on the back of their heads, and long hair hanging down their forehead, and cigaretts and smutty stories in their mouths, are cheaper than old worn-out horses. No one wants them at any price. Men will not employ them. They are not worth keeping to anyone and will not keep themselves. If any boy answering this description happens to read this, let him take a look at himself and do what his conscience says is best to do.

IN local Democratic politics the Senatorial question is about the only position now commanding special attention. During the week Senator Foxwell has definitely announced his candidacy for a renomination and is already "stirring round" among the people.

Capt. Curtis E. Crane is also understood to be "in the hands of his friends" in regard to this position.

Capt. Geo. E. Noland, of Tolchester, is being warmly advocated for the Senatorship and his candidacy pleases many of his friends.

Wm. M. Slay, Esq., is in the fight to a finish. He has received great encouragement from every district, and could not withstand the pressure from his many friends to enter the field.

DEMOCRATS throughout the State are delighted at the action of the Republican State Central Committee in electing Mr. Thomas Parran as chairman in place of Mr. John B. Hanna. This means it is contended that Mr. Sydney E. Mudd is in control of the party in the State and that the Bonaparte wing has been relegated to the rear. Under the open leadership of Mudd, to make their fight, it is said, will have to make their fight in the fall. This leadership will certainly not appeal to the people of Maryland when they remember and reflect upon Mr. Mudd's record, as a policeman, and also realize that the election of a Republican Legislature means the election of Mr. Mudd to the United States Senate. The manner in which the Mudd-Jackson combination has assumed control must be somewhat humiliating to Attorney-General Bonaparte, who by virtue of his official position is supposed to be the leader of his party in the State. It must also open the eyes of President Roosevelt to the real extent of Mr. Bonaparte's power in the party here. Outside of Baltimore City and Western Maryland, the Attorney-General has no influence or friends within his own party.

AT a meeting of the State Board of Health Wednesday Dr. John S. Fulton, who had been secretary of the board for more than 10 years, offered his resignation. Dr. Fulton said he resigned to become secretary-general of the International Congress of Tuberculosis, the greatest organization of its kind in the world. It was received with great regret. His successor will likely be Dr. Price the present deputy.

WEDDING BELLS.

BRADY—PARVIS.

A pretty wedding was solemnized last Wednesday evening at St. Anne's Church, Middletown, Del., when Miss Grace Hart Parvis became the bride of Mr. Henry Stevenson Brady, of near Mt. Pleasant, Del. The church was handsomely decorated for the occasion and filled with a fashionable audience. The ceremony was performed at eight-thirty o'clock by Rev. A. E. Clay, Rector of the Church. The bride was given away by her uncle, State Senator Edward Hart, of Townsend. Mr. Sewell Downs presided at the organ and played the wedding march. The bride was gowned in white satin and carried white carnations, and wore a crown with bridal veil. Miss Helen Brady, sister of the groom, maid of honor, was handsomely gowned in white and carried white carnations. The bridesmaids, Miss Eliza Green, Miss Helen Cochran, Miss Esther Shallcross and Miss Justine Peverley, were gowned in pink silk and carried pink carnations, wearing crowns of evergreens and carnations. The best man was Mr. Lucian Green, and the ushers were Messrs. William Brady, Frank R. Clayton, Joseph Comegys and Cuthbert Peverley. After a reception at the home of the bride's mother, Mr. and Mrs. Brady left for a Southern trip.

WATKINS—EMERSON.

Miss Mary V. Emerson, daughter of Mr. and Mrs. Samuel R. Emerson, of near Earleville, and Mr. C. Wilmer Watkins, of Baltimore, were united in marriage on Wednesday, April 3, at the home of the bride's parents. The ceremony was performed by Rev. W. F. Dawson and was witnessed by only the immediate family. They will reside in Baltimore.

Mr. and Mrs. Beverly Southerland announce the engagement of their sister, Miss Mary Harrison Gormley, to Mr. Julian Coleman Byrd, of Charlotte, N. C. The marriage, which, owing to the recent bereavement in the family of the bride-elect, will be very quiet, witnessed only by the near relatives and a few close friends, will be solemnized on the 24th instant. Mr. Byrd is a nephew of Mr. Charles H. Hurlock, of Chestertown.

SPARKS—MERCHANT.

Mrs. Maude Merchant was quietly married to Mr. Medford Sparks Wednesday evening, April 10th, at Crumpton, by Rev. Bennett.

TAYLOR—CHAMBERS.

Miss Urie Chambers, daughter of Mr. and Mrs. George W. Chambers, of Chestertown, and Elwood F. Taylor, son of William D. Taylor, of Church Hill, were married at the Methodist Episcopal parsonage at that place by the pastor, Rev. W. C. Poole, last Thursday night. Only a few friends of the bride and groom witnessed the ceremony. The couple will reside at Church Hill.

S. SCOTT BECK, WILLIAM W. BECK, } Attorneys.

Order of Publication.

A. W. Emory, John L. Smith,
versus
Hester Pipes, William Henry Pipes, Carrie Pipes, Samuel G. Pipes, Julie Pipes.

In the Circuit Court for Kent County, in Equity. No. 1613.

The object of this Bill is to procure a decree for the sale of the real estate of Henry Pipes, deceased.

The Bill of complaint of A. W. Emory and John L. Smith, by Wm. W. Beck and S. Scott Beck, their solicitors, respectfully shows,

That Henry Pipes was in his life time indebted unto your orator, A. W. Emory, in the full and just sum of twenty eight dollars and thirty-five cents, with interest thereon from the 2nd day of March, 1901, upon a balance due on open account which account is filed herewith and marked Plaintiffs Exhibit No. 1.

That the estate of Henry Pipes is indebted unto your orator, John L. Smith, in the full and just sum of twenty dollars with interest thereon from the 16th day of October, 1899.

Upon a balance due on open account for the burial of said Henry Pipes which account is filed herewith and marked Plaintiff Exhibit No. 2.

That the said Henry Pipes being so indebted unto your orators as aforesaid and also unto divers other persons, and having Real Estate of some value, but no personal estate sufficient to pay his debts, departed this life in the year 1899, leaving a widow, Hester Pipes, who lives in Millington, Kent county, and the following children survive him as heirs at law:—William Henry Pipes, who married Carrie Pipes, both of whom are non-residents of this State and reside in the city of Wilmington, State of Delaware, and Samuel G. Pipes, who married Julie Pipes, both of whom are non-residents of this State, and reside in the city of Philadelphia, State of Pennsylvania—

And that the said Henry Pipes left a last will and testament which was probated in the Orphan's Court of Kent County aforesaid on the 30th day January, 1906—

A copy of which is filed herewith and marked Plaintiffs Exhibit No. 3—

And your orators are informed and believe that the said Henry Pipes left a small and insufficient personal estate for the payment of his debts, and that letters of administration have never been granted on his estate, and your orators are advised that in order to pay their claims and the other debts due from the said Henry Pipes, it is necessary for the said real estate to be sold, which said real estate is in the First Election District of Kent county aforesaid, on the left side of the public road leading from Millington to Smyrna, Delaware, and adjoining the property of Samuel Hines and others, containing two acres of land, more or less, which property was conveyed to the said Henry Pipes by Isaac M. Jones, administrator of Thomas McLaughlin, by deed dated the 18th day of October, 1873, and recorded in Liber J. K. H. No. 12, folio 427, etc., and there is nothing else out of which your orators can secure the payment of their claims.

To the end therefore, that the said real estate of the said Henry Pipes, deceased, be sold for the payment of your orators' claims, and the other debts which may be due from the said Henry Pipes, and that your orators may have such other and further relief as their case may require.—

It is thereupon this 9th day of April, 1907, ordered by the Circuit Court in Equity that the complainants, A. W. Emory and John L. Smith by causing a copy of this order to be inserted in some newspaper printed and published in Kent county, Maryland, once in each of four successive weeks before the 13th day of May next, give notice to the said non-residents defendants, Wm. Henry Pipes and Carrie Pipes, his wife, Samuel G. Pipes and Julie Pipes, his wife, of the object and substance of this bill, and warning them to appear in this Court in person or by solicitor on or before the 30th day of May, next, to show cause, if any they have, why a decree ought not to be passed as prayed.
