By its mild action on the
STOMACH, LIVER and KIDNEYS,
it will cure the diseases of those Organs with all Chronic complaints, as
DYSPEPSIA, COUGH, ASTHMA, BRONCHIAL and LUNG AFFECTIONS, PAINS in the BACK, SIDE and BREAST, CONSUMPTION, SCROFULA, RHEUMATISM, GOUT, NEURALGIA, FISTULA, Piles, Bowel Complaint,
Worms, Nervous Debility, with all Diseases arising from IMPURE BLOOD.

ORAL TESTIMONY.

THOUSANDS feel it a duty to talk to their afflicted friends of the benefit derived from HAMPTON'S VEGETABLE TINCTURE.—From day to day we have given the certificates of cures performed on our best known citizens, and still we have a perfect avalanche of letters pouring upon us, all giving a weight of testimony that must convince the most skeptical. All are invited to call and read for themselves. The letter below is from one of the first mercantile firms. To those who know them, it must carry conviction, and induce many sufferers to give this Tincture a trial:

PORT ROYAL, VA. July 27, 1852.

Messrs. Mortimer and Mowbray: Gents: We have again to send an order for more of our truly wonderful Hamptons Vegetable Tincture. Since it was first tried it has sold without an effort, and we have not seen the first person who has not been greatly benefitted by its use. A gentleman of our neighborhood was induced to try the "Tincture" for a violent palpitation of the heart. He had suffered so much from it that he said he had prayed for death. He had taken but three doses when he assured us he would not take five hundred dollars for the benefit he had derived, and that he should never cease to remember us with gratitude for calling his attention to so valuable a medicine.

Yours, truly, GRAY & PENDLETON.

The Whole World, Attention!—Hear him, ye sick, and do likewise!!

BALTIMORE, Feb. 9, '52

Messrs. Mortimer & Mowbray: Gentlemen: It is with real pleasure that I am able to add to the general healing and curative powers of Dr. Hampton's Vegetable Tincture. Sometime during last November I was taken with a very bad and serious cough. I was advised to take Cod-Liver Oil, and did so; but getting no better, I was induced to try your Tincture. I got one bottle, and before I had used it all my cough left me. Permit me also to state that, for the last fifteen years, I have suffered very much from Acute Rheumatism and Vertigo, confining me at times to my bed:—I am fully convinced that I owe my present good health to the use of the Tincture, and a kind Providence.

You are, my friends, at liberty to use this as you may think proper, and believe me, yours very respectfully,

G. DUNAN.

N. B.—I can be seen at any time at the Mayor's office. G. D.

THE ALMOST MIRACULOUS CURES made by Hampton's Vegetable Tincture on our most respectable citizens—men well known and tried—we challenge the world to show anything on record in medicine to equal it. *Many hundreds who have felt its healing powers bear the same testimony.*

BALTIMORE, July 6, 1852.

Messrs. Mortimer & Mowbray: Gents: Last September I was attacked with erysipelas, from which a dreadful ulcer formed on my right leg. Getting better of this, last November I took a deep cold, which led to what my physician told me was bilious pleurisy, which left me with a constant, deeply seated, and painful cough, having no rest day or night, and constantly throwing up from my lungs a thick matter; I became much emaciated, growing weaker every day, and keeping my bed the greater part of the time.—My friends thought I had the consumption, and at times I was also of the same opinion. At this stage of my disease, after having tried many and various remedies, without success, a friend advised me to try Dr. HAMPTON'S VEGETABLE TINCTURE, and procured me a bottle, which I now pronounce the greatest medicine I ever took. Before I had taken half the contents of one bottle I felt much improved; and now, having taken but *two* bottles, my *cough* and *pains have entirely left me*, and I am enabled to attend to business. I can truly say that, with the blessing of God, I have been restored to the health I now enjoy by the use of this most invaluable medicine.

Yours, WESLEY ROCK,
Schroeder, near Saratoga street.

Truth stranger than Fiction!—None need despair—A Lady's Testimony after thirty-eight years' of suffering

Were there not real virtue in this wonderful medicine, could it perform the astonishing cures made by it?

NORTHAMPTON Co., April 13, 1852.

Messrs Tyler & Adair: I have been afflicted with Rhumatism, at times, from my twelfth year; I will be fifty years of age the 18th of this month; the attacks were at times so severe as to render me helpless; I have tried various remedies to very little effect. Last October I was attacked in my shoulders, sides, back, and hips; I could not rest, day or night; I could not move any part of my body without crying with pain; at this time I also tried many remedies, internal and external, without receiving any relief; I was at last advised to HAMPTON'S VEGETABLE TINCTURE; before I had taken one bottle of which I felt much better, and as I continued taking it I felt strength coming into my back and limbs, and my stomach strengthened and revived every way; I have taken five bottles, and am much better than I ever expected to be. I intend to use it whenever I need it, and would recommend it to the afflicted, believing it unequaled. Yours,

ELIZABETH BAGWELL.

GOOD MEDICINES.

DIARRHŒA CORDIAL

Is a pleasant Mixture, composed in agreement with the rules of Pharmacy, of the aperitic agents, long known and celebrated for their peculiar efficacy in curing DIARRHŒA, and similar affections of the system. In its action, it ALLAYS NAUSEA and produces a healthy action of the LIVER, thus removing the cause at the same time that it cures the disease.

Opinion of Dr. John Addison, Physician to the Baltimore Southern Dispensary.

Having a trial of your "Diarrhœa Cordial," and being also acquainted with the ingredients of which it is composed, it gives me much pleasure in adding my testimony to that of others in favor of its EXTRAORDINARY EFFICACY in the cure of Summer and Summer Complaints in children and adults."

With respect &c.
JOHN ADDISON, M. D.

STABLER'S ANODYNE CHERRY
EXPECTORANT

Is confidently recommended to invalids as UNSURPASSED by any known preparation for the cure of COUGHS, HOARSENESS, and other forms of common colds; BRONCHITIS, ASTHMA, CROUP, CONSUMPTION in an early stage, and for the RELIEF of the Patient even in advanced stages of that Fatal Disease.

It combines, in a scientific manner, remedies of long esteemed value, with others of more recent discovery, and besides its *soothing* and *tonic* qualities, acts through the skin gently, and with great efficacy; for the cure of this class of diseases.

A number of the most respectable Physicians, to whom we have communicated a knowledge of the constituents of these medicines, have been pleased to favor us with their opinions, (some of them in writing,) that they are the best remedies they have ever been acquainted with for the cure of the diseases for which they are recommended.

OPINION OF Dr. SAMUEL B. MARTIN,
One of the most experienced of the faculty in this city, and long celebrated for successful practice:

GENTLMEN—I have carefully examined the component parts of your Diarrhœa Cordial, as well as your Anodyne Cherry Expectorant, and find them BOTH valuable compounds, the doses are safe and consistent with medical practice, and I do not hesitate to recommend them.

Your friend, &c., S. B. MARTIN, M. D.

Baltimore, June, 1852.

Certificate from Doct. JOHN ADDISON, Physician to the Baltimore Southern Dispensary.

HAVING been made acquainted with the ingredients which enter into the composition of your "Anodyne Cherry Expectorant," and having also made trial of its virtues, I have no hesitation in recommending it to the confidence and patronage of the public, as a most valuable medicine in the treatment of the various diseases for which it is intended. JOHN ADDISON, M. D.

We beg leave, as convincing evidence of the highly valuable properties of the above named medicines, to refer to the annexed complimentary notice from sixteen of the most respectable Apothecarries and Pharmaceutists in the city of Baltimore, whom we have appointed our agents, and who have the several articles for sale.

"The subscribers, Apothecaries and Pharmaceutists in the city of Baltimore, are satisfied that the preparations known of "Stabler's Anodyne Cherry Expectorant" and "Stabler's Diarrhœa Cordial," are medicines of great value, and very efficient for the relief and cure of the diseases for which they are recommended: they bear the evidence of skill and care in their preparation and style of putting up, and we take pleasure in recommending them to our customers.

STABLER'S
DR. CHAPMAN'S WORM MIXTURE.
Prepared from a Receipt invented by DR. JOHN CHAPMAN, a member of the Royal College of Surgeons of London
A Remedy more efficient than this is not known.

Many (perhaps one-half) of the diseases from which children suffer are occasion by the presence of Worms in the system; and if neglected, give rise to the most uncomfortable and irritating feelings, violent pains, sickness at the stomach, emaciation and frequently to vomiting.

This medicine is an efficient, safe and pleasant remedy for their extermination; it contains all the virtues of the most approved vermifuge, and although it has been used by many thousands, and has been before the public for several years, it has never been known to fail in effecting a complete cure.

Extract from a letter received from S. S. FORTE, M. D., member of the Royal College of Surgeons, London.

To E. H. STABLER & Co. October 20th, 1851.

Gentlemen,—I some time last year, by accident, got hold of a few bottles of your Stabler's Dr. Chapman's Worm Mixture and used it in my practice with much unequaled success as induced me to send for 50 dozen. * * * I last month ordered, through the same gentleman, 100 dozen. * * * You can ship me 50 dozen every three months from date of receipt of this, and draw for the amount, &c. &c.

Numerous certificates of cures of the most aggravated cases of disease could be readily appended hereto, but we feel assured that they would add but little to the strong and respectable evidence here given by persons competent to judge of the merits of these remedial agents.

HOLLOWAY'S PILLS.
Cure of a Disordered Liver and bad Digestion

Copy of a letter from Mr. R. W. Kirkus, Chemist 7 Prescott St, Liverpool dated 6th Jan., 1851,

To Professor HOLLOWAY.

SIR:—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines for same years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver and a bad digestion. On the last occasion, however, the violence of the attack was so alarming, and inflamation set in so severely, that doubts were entertained of her not being able to stand up under it. fortunately she was induced to try your Pills, and she informs me that after the first and each succeeding dose, she had greal relief.—She continued to take them, and also she used only three Boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above, from the severity of the attack, and the speedy cure, speaks much in favor of your astonishing pills

(Signed) R W KIRKUS.

☞*An extraordinary cure of Rhumatic Fever in Van Dieman's Land.*

Copy of a letter inserted in the Hobart Town Courier, of 1st March, by Major J. Watch.

Margaret M'Connigan, nineteen years of age, residing at New Town, had been suffering from a violent rheumatic fever for upwards of two months, which had entirely deprived her of the use of her limbs. During this period she was under the care of the most eminent men in Hobart Town, and by them her case was considered hopeless. A friend prevailed upon her to try Holloway's celebrated Pills, which she consented to do, and in an increditable short space of time they effected a perfect cure.

I am now rendered by their means comparitively active, and can take exercise without inconvenience or pain which I could not be before. (Signed) H. COE.
