FERTILIZERS.

AS the season advances I would again call the attention of our patrons and the public generally to the well known brands of fertilizers, which we continue to offer at very lowest prices, and on most favorable terms. Would quote

TURNER'S EXCELSIOR PHOSPHATE,
AND
WHITELOOK'S VEGETATOR,

can confidently recommend them as being in my judgment the best in the market.

LISTER'S SUPER-PHOSPHATE,
LISTER'S GROUND BONE.

Manufactured by Lister Brothers, who claim to be the largest Fertilizer manufacturers in the world. Their goods were introduced by me last year, and stood the test of the past season competing most favorably with all others in the market, and we have yet to record the first case where these fertilizers have not given universal satisfaction. I continue to sell the popular favorite

ORCHILLA GUANO,
ALSO
Davis' Excelsior and Bone Meal,
Pacific Guano,
Texas Bone Meal,
Popplein's Silicated Phosphate,
Rhodes' Ammo. Super-Phosphate,
Whann's Raw Bone Phosphate,
Baugh's Raw Bone Phosphate,
Allen's Marine & Pelican Guano.

All fertilizers sold are delivered at nearest landings free of freight. We would invite a call and inspection of our samples before purchasing.

Orders left at my office in Easton or with WILLIAM N. POWELL at Trappe, and JAMES BENSON at St. Michaels, will receive prompt attention.

AND
GENTS' FURNISHING GOODS.
I desire to call the attention of the public to the large and elegant stock of Clothing suitable for spring and summer wear now on exhibition at my store on Dover street. For cash you can purchase goods of me at the following prices:
A Good Business Suit for $5.
A Good Business Suit for $6.
A Good Business Suit for $8.
A Good Business Suit for $10.
Best Middlesex Blue Flannel Suits for $12.50.
I invite special attention to the Blue Flannel suit at $12.50. It is well made, of the best material and guaranteed equal to any $15.00 suit sold in Easton. Having had an experience of twenty years in the Ready-Made Clothing business, a large portion of the time with one of the largest houses in the country, I flatter myself that the knowledge thus gained is of great advantage in the purchase and sale of goods, and affords me facilities not possessed by those who have been in the business but a few years. I do my own work without an assistant and give my customers the benefit of the sum required to support a clerk.
Call and examine my stock and if my prices are not 10 per cent. lower than elsewhere, I will not ask you to buy.
