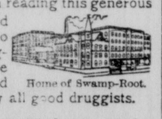
DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's **Swamp-Root** is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.



Home of Swamp-Root.

Don't make any mistake, but remember the name, Sawmp-Root, Dr. Kilmer's Swamp Root, and the address, Binghampton, N. Y. on every bottle.

RECTOR IN CHURCH FRAY.

Physical Encounters Over Collection In The Vestry Room.

Philadelphia, April 7.—A genuine battle, participated in, it is alleged, by the rector, Rev. E. G. Knight, vestrymen and members of the congregation, was the after-climax of morning service at Emmanuel Protestant Episcopal Church, Marlborough street and Girard avenue, this morning. The rector was much shaken up as the result of a personal encounter with George Shegog, the leader of the faction actively opposed to him.

Several of the participants counted bruised heads, numerous lacerations and badly torn clothing as souvenirs. The congregation had participated in communion only a few minutes before the fight.

Emmanuel Church has been faction-torn for some time, and the rector is under $1,000 bail upon the technical charge of having embezzled last year's Easter collection. Last Monday two sets of vestrymen were chosen at the election—one favorable to the rector and the other to his opponents. Wednesday night each of the vestries named an accounting warden to take charge of the church money. Both financial officers of the church had announced their intention of passing the collection plates yesterday and many members of the congregation attended in the expectation of witnessing a lively session.

Before the service Mr. Knight sent a note to George Shegog, the anti-Knight accounting warden, stating that he had appointed two choir boys to take up the offering in the church. Shegog stated that to prevent trouble he would permit the choir boys to gather the money.

Immediately after the recessional the rector, carrying the two plates of money, followed the surpliced choir out of the chancel. As he left the auditorium Shegog, arose in a rear pew and went downstairs to the vestry rooms. Close at his his heels walked Miss Alice Shegog, his 18-year-old daughter, and Harry, his 17-year-old son. In the vestry room Shegog stepped forward to take the collection, and the next instant he and J. W. Watkins, who had been elected accounting warden by the Rector's faction, were locked in close embrace. The belligerents fell to the floor and rolled over and over the small vestry room, pummelling each other. A general mix-up followed. At least four other members who had followed could be seen struggling on top of the two main contestants, and fisticuffs were in order. Outside of the vestry rooms the congregation gathered. Some of the women wept. Then the rector got into the fray.

Shegog declares the minister attacked him, and the rector's adherents contend that Shegog was the assailant. The men fought. However, the rector, having the advantage of numbers, forced Shegog and his crowd out of the room.

During the rumpus most of the collection had been scattered about the room, but the rector's adherents recovered all of it.

The Offer Still Holds Good.—Shorly after the opening of the bowling alleys in Centreville, and while all the players of the town were ordinary amatuers, there came from Chestertown Mr. Cordray Loud and made a score of 214, and offering to play any one in Centreville three games for $25. In a very few days the papers at Chestertown came out with the announcement that Mr. Loud had been here and given the bowlers a lesson or so in the art and stated that he could find no one to accept his offer to bowl for $25. A short time ago Mr. Loud was in Centreville again and made the same offer. Neither of the first two were accepted. Mr. Loud was here again the first of the present week and was exceedingly anxious to bowl for $25, and willing to meet all comers. Between Mr. Loud's second and last visit Mr. Edwin Holt, of Cambridge, arrived in town. Mr. Loud offered to meet him for a like sum. In the afternoon he visited the alleys and watched Mr. Holt bowl, and for some reason the match that was to occur at night between Mr. Loud and Mr. Holt did not take place. The last heard of our brother from Chestertown was that he had left town at the rate of a mile in three minutes—on the train for Queenstown. Although he may have been pressed for time Mr. Holt informs us the offer still holds good. When the ladies of the town find that Mr. Loud only made a score of 214 we would not be surprised to hear that he had been challenged by one of them.—*Record.*
