COLLECTOR'S NOTICE.

THE subscriber informs the tax payers of Talbot county that he is prepared to receive their State and County Taxes for the year 1856. I hope they will be promptly paid, as I shall aim to close my collections within the time prescribed by law. The commissions paid for collecting the taxes are not sufficient to justify me in riding the county to make repeated calls on delinquents, therefore I shall expect tax payers to call on me at once, and settle their taxes. To enable persons to save the *four per cent* discount on their State tax, which they may do by paying their taxes during this month (September,) I shall be in Easton every Tuesday, at Trappe every other Saturday, beginning with to day, and at St. Michaels when not on a cruise in other parts of the county. Mr. Charles Robinson, in Easton, will receive and receipt for taxes for me during any day in the week for the Easton, Trappe and Chapel Districts.

Talbot County Fair.

THE Board of Trustees of the Maryland Agricultural Society for the Eastern Shore, and the Chapel Farmer's Association recommend to the farmers of Talbot, the project of holding at the town of Easton, semi-annual Fairs for the sale and exchange of live stock.

At such Fairs all of the live stock of the county that may be for sale, such draught animals as it may be desirable to match, and such breeding stock as it may be judicious to exchange, can be assembled, and thereby superior attractions and advantages will be offered to butchers, drovers, farmers and others interested in the sale, exchange or purchase of live stock.

Mr. Wm. T. Hardesty, the proprietor of the Easton Hotel, and who is also the lessee of the Cattle Show lot, offers to furnish accommodations for all kinds of stock that may be entered for sale or exchange, at the usual livery charges for such food as he may be requested to supply. Those who may prefer to do so can bring food for their stock with them.

To defray the costs of providing suitable stalls and fixtures for the care and exhibition of the stock, the costs of advertising and other costs incidental to the business, the following scale of entrance money for stock will be charged:

$1,00	do	" mules,
50	do	" cattle over one year old,
12½	do	" calves,
12½	do	" sheep,
12½	do	" hogs,
5	do	" pigs.

Ten cents per head admission will be charged for all persons entering the Cattle Show lot, with in which the stock will be exhibited.

In order that Mr. Hardesty may be enabled to make suitable provision and fixtures for the stock to be offered, and also that the public in other parts of the State may be informed through the newspapers of their number and description, all persons wishing or intending to offer stock at this Fair should in person or by letter, or otherwise, have entered in a book to be provided and arranged for the purpose, at the Easton Hotel, on or before the 10th day of September, the number and kinds of stock they respectively design to offer.

Stock which may not have been previously entered, will be admitted to the Fair, and likewise stock from the adjacent counties.

The Fairs should be held in March and September, just previously to the commencement of the Spring and Fall plowing, and *Wednesday, the 24th September*, is named as the day for the first Fair.

On the 9th of September those who have entered stock will meet at the Easton Hotel, at 11 o'clock A. M., and appoint officers and committees to conduct and arrange the Fair, and to protect their interests involved in the same.

Auctioneers will be in attendance to offer at auction, such stock by direction of the owners, as may not be sold at private sale.

"NO SUCH WORD AS FAIL."

A RESISTLESS REMEDY.

HOLLOWAY'S OINTMENT.

Circular to the Sick.

The first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflamatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflamation and corruption which underlie the external evidences of disease, and neutralize the fiery elements which feed and exasperate the malady.

RHEUMATISM, SCROFULA, ERYSIPELAS.

These are among the most terrible and agonizing diseases of the muscles, the fleshy fibre and the skin; yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antidote to pain and inflammation.

Salt Rheum, Fever Sores, Stiff Joints.

In cases of Salt Rheum, where medical waters, lotions, and every recipe of the pharmacopœa have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews, is truly wonderful.

Discharging Ulcers.

A most remarkable and happy change is produced in the appearence of malignant ulcers after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material, and the ulcer radically cured.

A Word to Mothers.

The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

Significant Facts.

This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scorbutic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

Both the Ointment and Pills should be used in the following cases:

Bunions	Rheumatism	Mercurial Eruptions
Burns	Salt Rheum	Sores of all kinds
Chapped hands	Skin-diseases	Sprains Scalds
Chilblains	Sore Legs	Swelled Glands
Piles	Sore throats	Wounds of all kinds
Lumbago	Sore Heads	Venereal Sores
Fistula, Gout	Sore Breasts	Stiff Joints Ulcers
Scalds	Tetter	Ringworm.

AYER'S

CATHARTIC PILLS

OPERATE by their powerful influence on the internal viscera to purge out the diseased and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the abdominal region, and by their regular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous disease almost beyond belief, were they not substantiated by persons of such exalted position and character as to shield the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquirers.

Annexed we give *Directions* for their use in the complaints which they have been found to cure.

FOR COSTIVENESS.—Take one or two Pills or such quantities as to gently move the bowels. Costiveness is frequently the cause or aiding cause of Piles, and the cure of the complaint is the cure of both. No person can be well while under a costive habit of body. Relief should be, as it can be, promptly relieved.

FOR DYSPEPSIA, which is sometimes the cause of *Costiveness*, and always aggravated by it, take mild doses—two one to four—to tone up the stomach and liver into healthy action. They will do it, and the *Purgative Pill Pills*, and *cure* of dyspepsia will follow as a consequence. When it has gone, don't forget a dose to cure you.

For a Foul Stomach, or *Morbid Inaction of the Bowels*, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

FOR NERVOUSNESS, SICK HEADACHE, NAUSEA, *Pain in the Stomach, Back, or Side*, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be cured out from the system. Don't wear these and their kindred disorders become your master's fool.

FOR SCROFULA, ERYSIPELAS *and all Diseases of the Skin*, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society, forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the swollen diseases of the skin. Purge your system with these pills.

To Purify your Blood, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which now the seeds of incurable disease, will be thrown out of the systemlike chaff before the wind. By this property they do a vast deal of good in preventing sickness as by the remarkable cures which they are making every where.

LAYER COMPANY, *Farmers, and all Bilious Affections*, arise from some derangement—either rapidity, congestion, or torpidity of the Liver. Torpidity and congestion vitiate the blood and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness or alternately costiveness and diarrhœa, prevails. Feverish symptoms, languor, loss of appetite, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach cold; the bowels seem to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhœa, dysentery, &c. A dose of three or four Pills taken at night, followed by two or three in the morning, and repeated for few days, will remove the cause of all the evil. It is wicked to suffer such pains when you can cure them for 25 cents.

RHEUMATISM, *Gout, and all Inflammatory Fevers*, are rapidly cured by the purging effects of these Pills upon the blood and the stimulus which they afford to the vital principle of life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a DINNER PILL this is both correct le and useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual to the purpose for which a dinner pill is employed.
