COLLECTOR'S NOTICE.

THE Public are notified that my Books as Collector are now in sufficient readiness to enable me to receive Taxes for the present year. It is as important to those having claims against the county, as it is desirable to me, as a public officer, that public dues should be promptly paid. It is also the the interest of all debtors, that speedy paymet be made, as they not only avoid the tax of interest on their accounts but actually secure a deduction or discount on the State Tax. If paid by the 1st of September, the discount is five per centum—by the first of October, four per centum, and by the first of November, three per centum. No discount after the last period named.

The Law is very strict and onerous on the Collector. He is subjected to a Tax of 6 per cent. after a certain period and to a larger one afterwards. He is required to make quarterly payments, and is subjected to penalties on all sides for the non performance of duty. Under these circumstances, indulgencies cannot be given or expected. To facilitate the collections, I have procured the services of three gentlemen who will attend to the collections in the several election districts, viz:—John N. McDaniel, Esq., of the first or Lower District—Charles T. Lusby, Esq., for the second or Middle District, and John T. Hurtt, Esq., for the third or Upper District. These gentlemen are invested with full authority to make collections, and to enforce the same by all the power the Law vests in the Collector, without reference to me. I cannot in any case interfere with their lawful proceedings. They are bound to me for a strict performance of duty, and as I shall hold them to the punctual and faithful discharge that duty I have armed them with all the power I possess to aid in their fulfillment.

It will be a source of pleasure to me, to find that in no case will coercive measures be necessary, but that full and prompt payments will characterize the collections of the present year.

JAMES MANSFIELD,
Collector Kent Co.
