A FIRST RATE

FARM,

And a first Class House which ranks A. No. 1,

FOR SALE.

THE SUBSCRIBER will on

Tuesday,

the 15th of November, 1853, offer at Public Auction to the highest bidder, on terms to suit any one able to buy, at the Hotel of John McDaniel, in Chester Town, Md., at 11 o'clock, A. M., his estate called

"POPLAR NECK" OR "DEER PARK," (formerly Major Thomas B. Hynson's) containing

711 ACRES,

by recent survey; 295 Acres are in

WOOD and Timber,

of white oak ship timber, red and black oaks, Black Walnut, Yellow Poplar, and Chesnut; on which may now be cut of the latter 100,000 rails. It is situated on Langton's Bay, a prong of the Chester river, 3/4th surrounded by navigable water of 15 to 50 feet in depth, and the 4th side binding on the Mail county road to Rock Hall. It is 8 miles from Chester Town. The arable land is laid off into 6 fields and 4 Lots, under the best of fencing, two fields in clover, and the land hallimed with 50 bushels to the acre. THE MANSION

HOUSE & KITCHEN of brick, has 4 rooms below and 5 above; they are large, airy and finished in the best manner for my own residence without much regard to cost. It is ornamented with a Portico, Lawn and Garden. The Barn, Granary, and corn-houses are erected on Granite Pillars and Caps, rendering them rat-proof. It is a large concern. Three wells, two carriage houses, a large Dairy, and Poultry houses, fine water, (well and springs.) A Manager's house of 4 rooms with a kitchen, two meat houses and a large Quarter. All the buildings are new and of superior class. My Manager or myself will show the place to any one prior to the sale. Inspection is better than description, and will disappoint no one. The purchaser to pay in appraised value for 150 bushels of what seeded, and for the provender, as he can buy at an appraisement any of the personal property, and hire my team (of blacks.) Full possession given on 1st January, 1854, if not earlier.

A first class Female Boarding School is the want of our entire shore. A person competent to head and conduct such an establishment in a superior manner, can easily make a large Fortune in a few years, if able to buy a House suitable for such purposes; and such he can meet with in the residence of the subscriber in Chestertown.

It is a Double first-class two story

BRICK HOUSE,

in complete condition, large enough for a college, finished off with Granite Porticoes, Egyptian Marble Mantles, in the most expensive manner and adorned with English Stucco and wainscoting is the interior, rendering it dry and healthy. The grounds of Two acres are tastefully laid off into a beautiful Garden with Terrace and filled with choice fruit, flowers, and shrubberies of all kinds. It commands a splendid water scenery directly on Chester River and has all necessary Stableage and out buildings. It is Insured in the Franklin fire Insurance Co., of Philadelphia, at $7000 and Mechanics say cannot be built for $15000. It will be offered after the sale of the Farm, and a purchaser can have his own terms as to time and money. It can be bought low. A superior Female Boarding School will be hailed with the best wishes and patronage of the Eastern Shore and the conductor, beyond doubt, in a few years can make a fair fortune.

Shell Lime.

THE subscribers having greatly enlarged their means for burning Shells are now prepared to fill all orders for Shell Lime. They therefore would confidently say to farmers that they need not fear getting a supply at any time when it may suit their convenience to order either SHELLS or SHELL LIME.

B. S. & F. HOLT,

Foot of West Falls Avenue.

BALTIMORE, Aug. 10, 1853.—3m.

Important to Farmers,

THE undersigned have for sale the remainder of the stock of SEED DRILLS, PIERSON'S PATENT. They are desirous of occupying the building in which they are stored, for other purposes, and will sell the Drills at a very considerable deduction if called for soon.

This will probably be the only opportunity to procure this superior Drill, the low price we offer them at being no inducement to continue their manufacture. Persons not acquainted with the merits of the Drill, can see the most satisfactory "Recommendations" at the office of the subscribers, on second and Lombard streets, Wilmington, Del.
