Talbot County Fair.

THE Board of Trustees of the Maryland Agricultural Society for the Eastern Shore, and the Chapel Farmer's Association recommend to the farmers of Talbot, the project of holding at the town of Easton, semi-annual Fairs for the sale and exchange of live stock.

At such Fairs all of the live stock of the county that may be for sale, such draught animals as it may be desirable to match, and such breeding stock as it may be judicious to exchange, can be assembled, and thereby superior attractions and advantages will be offered to butchers, drovers, farmers and others interested in the sale, exchange or purchase of live stock.

Mr. Wm. T. Hardesty, the proprietor of the Easton Hotel, and who is also the lessee of the Cattle Show lot, offers to furnish accommodations for all kinds of stock that may be entered for sale or exchange, at the usual livery charges for such food as he may be requested to supply. Those who may prefer to do so can bring food for their stock with them.

To defray the costs of providing suitable stalls and fixtures for the care and exhibition of the stock, the costs of advertising and other costs incidental to the business, the following scale of entrance money for stock will be charged:

$1.00	per head	for horses,
$1.00	do	" mules,
50	do	" cattle over one year old,
12½	do	" calves,
12½	do	" sheep,
12½	do	" hogs,
5	do	" pigs.

Ten cents per head admission will be charged for all persons entering the Cattle Show lot, within which the stock will be exhibited.

In order that Mr. Hardesty may be enabled to make suitable provision and fixtures for the stock to be offered, and also that the public in other parts of the State may be informed through the newspapers of their number and description, all persons wishing or intending to offer stock at this Fair should in person or by letter, or otherwise, have entered in a book to be provided and arranged for the purpose, at the Easton Hotel, on or before the 10th day of September, the number and kinds of stock they respectively design to offer.

Stock which may not have been previously entered, will be admitted to the Fair, and likewise stock from the adjacent counties.

The Fairs should be held in March and September, just previously to the commencement of the Spring and Fall plowing, and *Wednesday, the 24th September*, is named as the day for the first Fair.

On the 9th of September those who have entered stock will meet at the Easton Hotel, at 11 o'clock A. M., and appoint officers and committees to conduct and arrange the Fair, and to protect their interests involved in the same.

Auctioneers will be in attendance to offer at auction, such stock by direction of the owners, as may not be sold at private sale.

THE MEDICINE OF THE MILLION.

PHILOSOPHY AND FACT.

HOLLOWAY'S PILLS.

THE EXCITING CAUSE OF SICKNESS.

The blood is the life-sustaining agent. It furnishes the components of fibre, tone, muscle, nerve and integument. The stomach is its manufactory, the veins its distributors, and the intestines the channel through which the waste matter rejected in its productions is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

The National Complaint.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS.

The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the organ.

BOWEL COMPLAINTS.

Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dyspepsia, Diarrhœa, Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled.

A WORD TO FEMALES.

The feeble debility and irregularities which are the especial annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alterative.

Holloway's Pills are the best remedy known in the world for the following Diseases:

Asthma	Fever and Ague	Piles
Bowel Complaints	Female Complaints	Stone & Gravel
Coughs	Colds	Head-aches	Secondary Symptoms
Chest Diseases	Indigestion	
Costiveness	Inflammation	Venereal affections
Dyspepsia	Inward Weakness	Worms of all kinds
Diarrhœa	Liver Complaints	
Dropsy	Lowness of spirits	
Debility
