HELMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT OF BUCHU

Is prepared directly according to the RULES OF PHARMACY & CHEMISTRY, with the greatest accuracy and chemical knowledge and care devoted in its combination. Its popularity has extended in all directions, and whether used in town, country, hospital or private practice, has invariably given the most decided and unequivocal satisfaction and produced the most salutary and beneficial effects. It has been and is used in all the principal cities in the United States and British Provinces, in both public and private practice, with great success. It is certainly let it be understood, for the proofs are too conclusive to be contradicted, that Helmbold's Highly Concentrated Compound Fluid Extract Buchu is the most valuable remedy ever offered to the public.

The force of voluntary testimony in possession of the proprietor is immense, embracing names well known in SCIENCE AND FAME. Celebrated Physicians and Distinguished Clergymen.

See pamphlets. Persons who have valuable works on the Practice of Physic and Surgery of the late standard works of the day.

Dr. Ephraim McDowell, a highly distinguished physician and member of the Royal College of Surgeons, Ireland, and published in the transactions of the King and Queen's Journal, says: "The Fluid Extract Buchu having been lately strongly recommended, I was induced to make it a trial, and my experiments have resulted in the most satisfactory manner, having succeeded in saving the most inveterate cases in which I had no hopes of success."

An interesting letter is published in the Medico Chirurgical Review on the subject of Extract Buchu, by BENJAMIN TRAVERS, F. R. S., speaking of Syphilis and diseases arising from excess of maturity, he states that "no remedy is equal to it—its power is extraordinary, more so than any drug I am acquainted with. It is in the strict sense a Tonic with this peculiar attribute, that it is applicable to a state of the system so sunken and relaxed as to render other substances of a Tonic class unavailable, or injurious." We take the liberty of making (in full) says the distinguished Dr. Johnson, because we most cordially concur with Mr. Travers in his statements of Extract Buchu.

It is a medicine which is perfectly pleasant in its taste and odor, but immediate in its action, and it is by persons of either sex, without his knowledge or medical advice, as explicit directions for use and an ample number of testimonials and responsible certificates to convince the most skeptical will accompany each bottle.

COLLECTOR'S NOTICE.

THE subscriber informs the tax payers of Talbot county that he is prepared to receive their State and County Taxes for the year 1856. I hope they will be promptly paid, as I shall aim to close my collections within the time prescribed by law. The commissions paid for collecting the taxes are not sufficient to justify me in riding the county to make repeated calls on delinquents, therefore I shall expect tax payers to call on me at once, and settle their taxes. To enable persons to save the *four per cent* discount on their State tax, which they may do by paying their taxes during this month (September,) I shall be in Easton every Tuesday, at Trappe every other Saturday, beginning with to-day, and at St. Michaels when not on a cruise in other parts of the county. Mr. Charles Robinson, in Easton, will receive and receipt for taxes for me during any day in the week for the Easton, Trappe and Chapel Districts.
