CITIZENS—I return you my *sincere* thanks for the liberal support you have extended to me during the last twenty years, and would further say that I have recovered my health so as to be able to supply all your demands for anything pertaining to head gear.

But how long I shall be able to continue to do so depends *altogether* upon you. The state of the case stands thus: I must raise **Fifteen Hundred Dollars** very soon, or leave the county. Now I would say to you who may desire my services as a Hatter, that I would prefer to spend the balance of my days in the county of adoption, but as I intimated above, that is for you to say. I don't ask you to give me or lend me any thing, but simply to render unto me what you may think is my due—a word to the wise is enough. I remain as ever, your friend,

Mr. Groome, of Elkton, whom the Democratic party are going to support for Governor of Maryland, because he supported Mr. Buchanan in opposition to Mr. Fillmore, a Whig as long as the Whig party existed.

Does our respectable contemporary expect them or their like to staunch the wounds of the country? Is it the Whig doctrine of our contemporary that the Democratic administration is free from political sin? that it has not occasioned the present bitter alienation between the people of the country? that the Democrats have not encouraged, aided and incited, the fillibustering marauders, under the Ostend doctrines of their President, to invade peaceful neighboring States? that they have not agitated the slavery question? that they have not neglected the rivers, and harbors, and commerce of the country, vetoed by their last great chief, for the more tempting and less honorable field of political agitation? Do Whigs do these things? Is that the Whig doctrine?

If it be, then he is right in asking where are the Whigs? And the answer for him is that they have all turned Democrats; and that those who desire *their* aid to repress other evils will find it easy to obtain it!

### In Talbot & Queen Annes County.

BY virtue of a decree of the Circuit Court for Talbot county, sitting as a Court of equity, the undersigned as Trustee, will offer at public sale, to the highest bidder, on

This property consists of about **235** *ACRES OF LAND*, situate on the left of the main road leading from Easton to Hillsborough, the larger portion lying in Talbot county and the smaller part thereof in Queen Anne's county. The land is of excellent quality and highly susceptible of improvement. Guano acts finely upon it and Lime can be had very cheap at Hillsboro', the land bending on Tuckahoe Creek. The improvements on this portion are a Dwelling and some Out-houses. The Md and Del Railroad runs immediately through the Land. It would be very desirable and valuable for the purposes of a market garden and farm.

This Store and the Granaries are now occupied by Robert Morgan, and formerly by Morgan & Greenly.—The stand is a very valuable one for the mercantile and boating business, and is well established as such, having been so used for some time past—There are about 50 *ACRES of LAND* attached to this portion. Wm A Barton who owns the other one third of the Store, Granaries and tenements and land last named will sell his interest in the same, so that the purchaser can have the title to the whole property. ### LIME.

*To the Editor of the Annapolis Gazette:*

WE deem it due to Mr. COULTER, of your place, to invite public attention to the very superior article of LIME now furnished by him. In doing so we feel that we are rendering a service to the Farmers, and especially to those of Anne Arundel county. We say without hesitation that, in our opinion, Mr. COULTER furnishes an article greatly superior to any thing of the kind we have ever used or seen. The Lime furnished by him is burnt with the best spruce pine and light wood, the ashes of which every Farmer knows the value of, in improving land. These mix with the Lime and add greatly to its fertilizing properties. Whereas the Lime obtained from Baltimore and elsewhere is burnt with the filthy coal offal, procured from yards, and of course inferior in quality and of much less value as a fertilizer than that furnished by Mr. COULTER.

Mr. Coulter must certainly possess some secret in manufacturing his Lime, for we have never seen any Lime where all the shells were so thoroughly burnt. He burns ten thousand bushels in ten days, and every shell is converted into Lime of the finest quality and as white as the driven snow.

Dr. James Higgins, State Agricultural Chemist, in Company with Col. Walton, visited Mr. Coulter's place of business a short time since, and pronounced his Lime the most beautiful article of the kind he had ever seen.

Mr. Coulter furnishes his Lime at Baltimore prices; and the Farmers of Anne Arundel county and others would do well to give him a call, if they wish to procure an article of superior quality.

M. Jump, Thomas Hopkins, Jr., and William M. Higgins, Esq., examiners, appointed by the Commissioners for the purpose:

"The Bridge to be 20 feet long and 16 feet wide; to be raised 4 feet from the ground; the abutments to be supported by 5 piles, to be driven or settled from 3 to 4 feet in the ground; the centre to be supported by a sill bolted down upon 5 piles, to be driven 4 feet in the ground; the piling to be of sufficient size to square six inches; the sleepers to be 5 by 8 inches square, 5 in number, 22 feet long; the piling of the abutments to be mortised into the end of the sleepers; to be made of 2 inch plank, with sufficient bannisters 5 by 4 inches; the whole to be built of White Oak exclusively, the road to be raised 4 feet at the bridge, running back 50 feet on the North side, 18 feet wide; and on the South side, the embankment to run back 100 feet."

The contractor will be required to enter into bond, with approved security, in double the amount of contract, for the faithful compliance with the contract. The work to be completed in four months from the day of award of the contract, and to be completed in all respects as per contract; and to be approved by examiners to be appointed by the County Commissioners for that purpose, before payment is made in full.

### THE EASTON FOUNDRY
### IN FULL BLAST.

THE Farmers of Talbot and adjoining counties are respectfully informed that my NEW FOUNDRY on the front street, at the lower end of the town, on the road leading to Trappe, in Easton, is now in full operation, where all kinds of casting for the farmers can be done at the shortest notice, and in the most satisfactory manner.

I have on hand, and intend keeping a full supply of the following articles:

*Plows and Plow Castings of all kinds; Harrows, Cultivators, &c.*, which will be sold *below Baltimore prices for* CASH. As I have been at great expense to fit up a complete Foundry, I hope the farmers will give me a liberal patronage, and spend their money at home instead of sending it abroad. Nothing will be left undone to give entire satisfaction.
