THE *University of Free Medicine and Popular Knowledge;* chartered by the State of Pennsylvania, at its last session, (viz. 29th April, 1853,) mainly for the purpose of arresting the evils resulting from the sale of spurious and dangerous nostrums, also for the purpose of supplying the public with reliable remedies, in cases wherein the patient cannot obtain or will not employ the best medical advisers; having purchased that invaluable remedy, Rowand's Tonic Mixture, on account of its just celebrity and known efficacy in the treatment of Fever and Ague, and its kindred affections,—has no hesitation in recommending it in the highest terms to the patronage of the afflicted.
