HOT IN QUEEN ANNE'S

Democratic Factions Lined up For Fall Fight—Regulars Accuse Independents of Dickering With Republicans to Aid "Uncle Bill" Jackson.

(From a NEWS Staff Correspondent.)

Centreville, June 21.—Politics promise to be pretty warm in Queen Anne's county from now until the November election.

There will be a fight for control within the Democratic ranks between the "Regulars" and the Independet Citizens' party, which will have affiliated with it the Republicans. Mr. W. Cookman Orrell, postmaster of Centreville and chairman of the Republican State Central Committee in the county, says that the Republicans will make no nominations of their own, but will support the candidates of the Independent Citizens' party.

A Perfunctory Convention.

At its convention the Citizens' party nominated candidates for all the county offices on the petition plan. The convention was a very cut-and-dried affair, and there has been considerable criticism of its perfunctory nature by the regulars.

At a caucus lasting over three hours the slate was fixed up, and went through like greased lightning at the convention, which was over in 15 minutes. One could very well close his eyes and imagine himself back at any convention in the old ring days, when everything was arranged in advance and everyone, of course, knew that it was fixed. It was difficult to associate the proceedings at the Citizens' party convention with the open-door policy and will-of-the-people idea.

The regulars did not hesitate to say that the ticket nominated by the Citizens' party is weak as a whole, although it contains the names of several good men. The regulars also expect to make capital out of the methods of the Citizens' party in nominating its ticket, dwelling apon the three-hour caucus to fix up the slate and the 15 minutes in which it was rushed through. It had been announced that the convention would be called at noon, but there was so much wrangling over the candidates and so much time devoted to the caucus that practically the whole day was exhausted before the ticket was completed.

Many Wanted Mr. Thom.

Friends of Mr. DeCourcy W. Thom, who has a fine estate called Blakeford, near Queenstown, wanted that gentleman nominated for the State Senate, and even many of the regulars who are not in sympathy with the Citizens' party expressed the view that Mr. Thom, irrespective of his political affiliations, would make a worthy representative of the county in the Senate. He was the type of man, they said, that is wanted in the General Assembly and that the State should send to Annapolis next winter.

But early in the day the practical men of the organization said that the independents would not nominate Mr. Thom.

"They are afraid of him," one of them said.

"Afraid of him for what reason?" he was asked.

"Why they don't think he will 'deliver the goods' to the Republicans. They know that Thom won't enter into a dicker or a deal, because he has openly said as much through the columns of one of the county papers. They know that he would take no part or parcel in turning the delegation over to 'Bill' Jackson for the Senate.

Mr. James T. Bright the leader of the Citizens' party, and to whom his opponents, the regulars, refer as "Boss Bright," said that Mr. Thom was very highly regarded throughout the county but that on account of his spending much of his time in Baltimore, where he has extensive business interests, he is not so widely known personally to the voters as is Mr. McGinnss, the gentleman nominated for the Senate.

After "Johnnie" George.

John E. George, chairman of the Democratic State Central Committe in the county and leader of the organization, or "Johnnie," as everyone calls him, is the man that the independents are after. He has dominated politics too long, they say, and they would put him out of business. Mr. George has been the "See Me First" party in the local Democracy, and there were some who objected to this plan.

Men who wanted jobs and at the same time were tired of "seeing" "Johnnie" George, or objected to seeing him, started out on their own hook. Queen Anne's has long been considered the Gibraltar of Democracy on the Eastern Shore, and the fight for office was confined to the Democratic party. The Republicans had no show, unless by a combination with one wing of the Democracy. There are a good many people in Queen Anne's with a longing to hold office. Some of them who couldn't or wouldn't play ball with "Johnnie" George determined to down him and with their friends, get control of the county.

"Jim" Bright To The Fore.

"Jim" Bright, the leader of the Citizens' party, was one of them. Bright is a young lawyer and a pretty shrewd politician. He is a Kent Island man, and could not hit it off with James E. Kirwan, the present State Senator, who hails from the same section of the county. Kent Island wasn't big enough for them both, so Bright came to Centreville to practice law. "Johnnie" George stuck to Kirwan and Bright went in to lick the pair of them. He bought the Centreville Record from Col. W.

A Trite Saying.

It is a trite saying that no man is stronger than his stomach. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body and thus cures both liver and kidney troubles. If you take this natural blood purifier and tonic, you will assist your system in manufacturing each day a pint of rich, red blood, that is invigorating to the brain and nerves. The weak, nervous, run-down, debilitated condition which so many people suffer from, is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin and the feelings "blue." Dr. Pierce's "Discovery" *cures* all blood humors as well as being a tonic that makes one vigorous, strong and forceful. It is the only medicine put up for sale through druggists for like purposes every ingredient of which has the professional endorsement of the leading medical writers of this country. Some of these endorsements are published in a little book of extracts from standard medical works and will be sent to any address *free*, on receipt of request therefor by letter or postal card, addressed to Dr. R. V. Pierce, Buffalo, N. Y. It tells just what Dr. Pierce's medicines are made of.

"The Words of Praise" for the several ingredients of which Dr. Pierce's medicines are composed, by leaders in all the several schools of medical practice, and recommending them for the cure of the diseases for which the "Golden Medical Discovery" is advised, should have far more weight with the sick and afflicted than any amount of so-called "testimonials" so conspicuously flaunted before the public by those who are afraid to let the ingredients of which their medicines are composed be known. Bear in mind that the "Golden Medical Discovery" has THE BADGE OF HONESTY on every bottle wrapper, in a full list of its ingredients.

Dr. Pierce's Pleasant Pellets cure constipation, invigorate the liver and regulate stomach and bowels.
