Continued From Second Page.

Scott Roberts in order that he might have an organ, but whether or not he can rout "Johnnie" George remains to be seen. Many people think he cannot, and there are others who assert that he played poor politics in not throwing his influence in the direction of the nomination of De Courcy Thom for the Senate, as there is no question of his domination of the caucus that preceded the Convention.

Regulars Expect To Win.

The regulars appear to be confident that they will win out in the fall, claiming that the independents have not "made good" and that the people of the county would oust them from office. "We are going to win hands down," said Mr. William J. Price, Jr., a strong organization man, "and you can take that home with you."

All of the candidates on the regular ticket have not publicly announced themselves, but it is said that Mr. J. Frank Harper, one of the leading members of the Centreville bar, will receive the nomination for the State Senate; Mr. George T. Faithful is slated for County Treasurer; Mr. Robert W, Thomas, the present Register of Wills, is mentioned as his own successor, and State's Attorney Thomas J. Keating will also be a candidate for renomination and re-election.

Talk Of Deal With Republicans.

The regulars assert that in order for the independents to win they must align themselves with the Republicans. The coalition, they say, would carry with it a compact to support Congressman William H. Jackson for the United States Senate.

Such arrangement is denied by the members of the Citizens' party, who say that while they would welcome the votes of Republicans at the polls in the interest of good government, they would under no consideration enter into a deal or dicker by which "Uncle Bill" could add to his political capital and fortunes. There are men to the front in the Citizens' party, say some of its members, who would not tolerate a combination with Jackson under any circumstances.

On the Democratic side favorable comment is heard in regard to Ex-Gov. Frank Brown as a candidate, and Mr. Joseph D. Baker, of Frederick, has some friends here who would like to see him nominated. Among the Republicans Mr. George R. Gaither is the man whose name appears to be most frequently discussed as a serious candidate. Mr. Gaither would be assured of a considerable proportion of the independent vote in the county.

The regular Democrats will select delegates to the State Convention at the primaries to be held on July 27, when the county ticket will also be chosen by the Crawford county system. The Citizens' party will, of course, have no delegates to the State Convention, as it has no official status or standing with the organization Democracy.

Invented Corn Cutter. — Mr. John Schauber, of Morgnec, has patented a corn cutter which will no doubt find a wide market. It is simple in construction, without cog or gear of any kind and so light running that it is easily drawn by one horse. Last fall Mr. Schauber with one machine and the help of only two men cut 58½ acres corn, shocked it and had the field ready for plow in 7 days. The cutters can be built so as to retail for about $35 or $40.

Returns From Pasteur Institute.—Master John Richard Whaley, eight-year-old son of Mr. and Mrs. John R. Whaley, of Paca's Island, who was bitten by a cat the early part of May and who has been at the Pasteur Institute, Baltimore for treatment, has returned home. After the child had been bitten the cat was killed and its head carried to the Institute for examination. Three rabbits were also inoculated with the virus and cantracted rabies. While at the Institute Master Whaley was under the treatment of Dr. Finley. The many friends of Mr. and Mrs. Whaley are pleased to learn of the successful treatment and that the case was taken in hand in time to prevent fatal results.

Cured Hemorrhages of the Lungs.

"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake, of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar, and my lungs are now as sound as a bullet. I recommend it in advanced stages of lung trouble." Foley's Honey and Tar stops the cough and heals the lungs, and prevents serious results rom a cold. Refuse substitutes. Sold by all druggists.

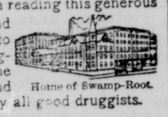
DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's **Swamp-Root** is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.



Home of Swamp-Root.

Don't make any mistake, but remember the name, Sawmp-Root, Dr. Kilmer's Swamp Root, and the address, Binghampton, N. Y. on every bottle.
