LIME.

To the Editor of the Annapolis Gazette:

WE deem it due to Mr. COULTER, of your place, to invite public attention to the very superior article of LIME now furnished by him. In doing so we feel that we are rendering a service to the Farmers, and especially to those of Anne Arundel county. We say without hesitation that, in our opinion, Mr. COULTER furnishes an article greatly superior to any thing of the kind we have ever used or seen. The Lime furnished by him is burnt with the best spruce pine and light wood, the ashes of which every Farmer knows the value of, in improving land. These mix with the Lime and add greatly to its fertilizing properties. Whereas the Lime obtained from Baltimore and elsewhere is burnt with the filthy coal offal, procured from yards, and of course inferior in quality and of much less value as a fertilizer than that furnished by Mr. COULTER.

Mr. Coulter must certainly possess some secret in manufacturing his Lime, for we have never seen any Lime where all the shells were so thoroughly burnt. He burns ten thousand bushels in ten days, and every shell is converted into Lime of the finest quality and as white as the driven snow.

Dr. James Higgins, State Agricultural Chemist, in Company with Col. Walton, visited Mr. Coulter's place of business a short time since, and pronounced his Lime the most beautiful article of the kind he had ever seen.

Mr. Coulter furnishes his Lime at Baltimore prices; and the Farmers of Anne Arundel county and others would do well to give him a call, if they wish to procure an article of superior quality

Strawberry Plants for Sale.
STRANDBERG'S CHAMPION STRAWBERRIES.

AFTER four years of careful selection and cultivation, with personal attention, I have produced the finest Strawberries in the country; some of them measuring 5 inches around, in fact they are all very large and of a superior flavor.—As an evidence of their superiority over all other Strawberries that was in the Baltimore market, when the best sold for 12½ cents per quart retail, Strandberg's Champion Strawberries sold readily for 50 cents wholesale, throughout the season; nor could he supply half the demands at that price.—They were also sent to New York and pronounced by Taylor, the best ever sent to New York market. I offer my plants to the public, there is no humbug about them. I refer to gentlemen who have seen my Strawberries, and some of them examined my beds, and ready to testify to the above as correct.
