SATURDAY, JULY 6, 1907.

DEMOCRATIC PRIMARIES.

In accordance with the action of the Democratic State Central Committee, the Democratic voters of Kent county will meet in their respective Election Districts and Precincts, at the usual places for holding primary elections on Saturday, July 27th, 1907, between the hours of two and six o'clock p. m. for the purpose of appointing six delegates from each district to meet in Chestertown, Maryland, on Tuesday, July 30th, 1907, at 11 o'clock a. m., to elect delegates to the Democratic State Convention to be held in Baltimore, Maryland, on the 8th day of August, 1907, for the purpose of nominating candidates for Governor, Comptroller of the Treasury, Attorney General and Clerk of the Court of Appeals. And also, to elect delegates to the Democratic Judicial Convention to be held in Centreville, Maryland, on the 15th day of August, 1907, for the purpose of nominating two candidates for Associate Justices of the Second Judicial Circuit of Maryland.

If there be any contest for the election of delegates and a desire is expressed for a vote, each district shall have judges and clerks and shall open and close the polls at the hours herein prescribed, and when polls are opened, shall receive the votes of all Democrats offering to vote, whose names shall appear upon the registration books and who shall vote in the districts where they are registered, and shall also receive all the votes of all young Democrats, who, on account of their age are not now registered but who will be entitled to registration and to vote at the ensuing November Election. And, upon the closing of the polls at the hours herein directed the judges shall proceed to count the votes cast, and shall certify to the person receiving the highest number of votes as delegates. Whereupon it shall be the duty of said delegates to proceed to Chestertown on said Tuesday in July and cast the vote of the district in convention and elect delegates as aforesaid to this convention.

Should no desire be expressed for a ballot, then the district meetings may select delegates by a viva voce vote, or by committee nominations. The mode of procedure herein prescribed must be strictly followed, any other method will not be legal.

LEWIN W. WICKES,
JAMES W. IVENS,
JOHN C. REDMILE,
Democratic State Central Committee for Kent Co.

JUDGE A. L. CROTHERS is said to be out of the race for judge of this circuit. Wouldn't he make an excellent candidate for Governor?

THOMAS G. BOGGS, ESQ., Secretary of the Merchants and Manufacturers Association, of Baltimore, visited Kent yesterday and in company with Mr. Charles Clements, of Crumpton, paid a call at the NEWS office. Mr. Boggs is after the Eastern Shore trade for Baltimore and if Baltimore will continue on the line begun she will get it. There is a movement now to run a trolley to Tolchester and thence by boat to North Point and from there by trolley to Baltimore. There is plenty of capital in Baltimore and if the purse strings are untied there will be a vast change in trade.

THIS is no time for snarling and abuse and the sooner this fact is realized the better off will be all parties. The Democratic party has an enemy to fight worthy their greatest endeavor and there is need of every man's earnest and united support. The Republicans are trying to stir up strife within our ranks by encouraging the sulkers to kick and by praising any abuse that widens the breach. Don't be fooled by any of their sympathetic talk. Get sweet, keep sweet and you will be surprised at the result.

POLITICAL NOTES.

A Republican leader of Kent sends the following statement to the Baltimore Evening News:

"Adherents of the "old guard," or Gormam regime are in full control of the democratic organization in Kent county, with ex-comptroller M. deK. Smith as the dominating personalty. The delegates to the state convention therefore will be amenable to his judgement and instructions. Circumstances and the best information obtainable at this time indicate that the delegates will support Col. Spencer C. Jones for the gubernatorial nomination."

The above is a misrepresentation both of the organization in Kent and of the Democratic party as a whole. Sentiment here has not centered about anyone unless it be for ex-Governor Frank Brown. Joseph D. Baker, Geo. Numsen, Frank A. Furst and others have adherents.

THE Democratic Executive Committee which met in session in Chestertown last month, of course, *will hold over until their successors are appointed*. Otherwise, there would be no authority vested in anyone to call Democratic Primaries in the future.

KENT COUNTY may present the name of either John D. Urie, Esq., or Hon. James H. Baker as candidate for the nomination of comptroller on the Republican ticket, in the event of the Governor being named from Western Shore.

A DISPATCH from Ocean City Wednesday where the State Bar Association is in session says: It is said here tonight by prominent lawyers of the Second judicial circuit attending the Bar Association convention that Judge Austin L. Crothers, of Elkton, has decided not to be a candidate for the Democratic nomination for judge. He is now filling, by appointment, the vacancy caused by the death of Judge E. H. Brown. It was generally accepted until today that he would be a candidate for the full term on the bench.

The Democrats are at sea in finding a candidate. It is said that Cecil may present Wm. H. Evans or Albert Constable. Kent may present Marion deK. Smith or Lewin W. Wickes. Queen Anne may present the son of the late Judge Brown or Frank Harper. Caroline will present H. F. Lewis. Judge Adkins will be nominated for the full term by the Democrats. The Republicans of the circuit will nominate W. T. Warburton, of Cecil, and A. G. Towers, of Caroline.

TO LIMIT NAMES ON THE TICKET

Republican Plan In Kent And Other Counties — Mr. Wilbur Eliason, John D. Urie And Other Leaders Favor The Plan.

The official organ of the Republican party in the State says that "While the Republican leaders have not definitely and positively agreed upon the plan, it is understood among them that they are willing that in the so-called Wilson counties the number of names on the ticket to be voted at the November election shall be reduced to a minimum. In other words, in those counties it is proposed to make no nominations for county commissioners, for judges of the Orphans' Court, surveyor and sheriff.

Their object is to eliminiate from the statute books the present election law. They believe this to be their paramount duty. Hence their resolve to try to make possible the election of a Republican governor, a Republican Senate and a Republican House of Delegates by limiting the number of names on tickets in the so-called Wilson counties. These counties are: Anne Arundel, Calvert, Charles, Kent, Prince Georges, St. Marys, Somerset, Worcester.

For Governor And Legislature.

A hint of this proposition of the Republicans to limit the number of names on the ballots in the Wilson counties found an echo at the recent meeting of the Republican state executive committee. Mr. Wilbur Eliason of Kent county, arose and asked the committee to take under consideration a plan by which Republican success in the state could be materially aided. He did not outline his plan in detail, for it was deemed advisable not to push it at that time, and he had in mind the plan which has since grown in favor, to reduce to a minimum the number of names on the ballots in the Wilson counties by the declination of Republicans to make nominations for local offices.

John D. Urie, Esq., is also in favor of this plan as is S. P. Townshend, Esq., and other Kent leaders, of whom there have been several conferences this week in Chestertown.

The object of this bill is to procure a decree for the sale of the Leasehold interest of which Horace Brown, late of Kent county, deceased possessed at the time of his death in a small lot of land located on the west side of Washington Avenue, in Chestertown, Kent County, Maryland, and to distribute the proceeds among those thereto entitled, being the above entitled parties who are the only heirs at law of the said Horace Brown who died intestate.—

The bill states that the leasehold interest in said property is not Susceptible of division without material loss and injury among the parties thereto entitled, and in order to make a division of said property a sale of the same as prayed is necessary—

That all said parties are residents of Kent County, Maryland, except the following: John Brown, Hattie Brown, Alfred Brown, and Thos. Brown of Horace Brown, Jr., who are none-residents of this state and reside at Wilmington state of Delaware, Vincent Brown who is a non-resident of the State of Maryland and is a resident of the State of Pennsylvania, and Ella Brown whose residence is unknown but is believed to be a non-resident of the State of Maryland, nor is it known if she be living or dead, and if dead whether she left descendents surviving her—

To the end therefore that a decree may be passed as prayed—

It is therefore ordered this 27th day of June A. D., 1907—by the Circuit Court for Kent county, State of Maryland, in Equity that the Plaintiff by causing a copy of this order to be inserted in some newspaper, publisned in Kent county, aforesaid, once in each of four successive weeks before the 29th day of July, A.
