THE subscriber, desirous of removing to the West, will sell his farm known as the

"Everlasting,"

lying and being upon Fairlee Creek one-and-a-half miles from the Chesapeake Bay, and seven and a half from Chestertown, in Kent county, Maryland. This farm may be called in a high state of cultivation, having been limed, ashed and manured very recently. Within the last two years 8000 bushels of lime have been spread, covering about two-thirds of the arable land for the fourth time—one half the balance has been covered three times, and the remainder once. This farm is considered one of the best in the county for grazing purposes, being well adapted to grass, and having running water in every field It is very conveniently situated with respect to market for all kinds of produce, having two landings upon it, and being within thirty miles of Baltimore. The BUILDINGS on the premises are in good order ($1000 having been expended upon them the past season) and well adapted to the uses for which designed, viz—Granary, Stabling, Shedding, Loft Room, &c. For School, Church and Mill facilities, this property cannot be surpassed; there being a well conducted grist and saw mill adjoining; four churches within five miles, a school within one and a half miles. There is a pump of excellent water convenient to house and barns. Also a young and flourishing

Peach Orchard

in full bearing, of choice and very early fruit, and many other advantages generally considered minor, but which in reality are a farmer's comfort and his pleasure. There is plenty of

for farm use, and some young and thriving chestnut and l cust.

A FINE MEADOW

can be made with very little cost; in fact, the incipient step towards it has already been taken. All persons wishing to buy land in this county, would do well to come and survey this property.
