LIME!

To the Editor of the Annapolis Gazette:

WE deem it due to Mr. COULTER, of your place, to invite public attention to the very superior article of LIME now furnished by him. In doing so we feel that we are rendering a service to the Farmers, and especially to those of Anne Arundel county. We say without hesitation that, in our opinion, Mr. COULTER furnishes an article greatly superior to any thing of the kind we have ever used or seen. The Lime furnished by him is burnt with the best spruce pine and light wood, the ashes of which every farmer knows the value of, in improving land. These mix with the Lime and add greatly to its fertilizing properties. Whereas the Lime obtained from Baltimore and elsewhere is burnt with the filthy coal offal, procured from yards, and of course inferior in quality and in much less value as a fertilizer than that furnished by Mr. COULTER.

Mr. Coulter must certainly possess some secret in manufacturing his Lime, for we have never seen any Lime where all the shells were so thoroughly burnt. He burns ten thousand bushels in ten days, and every shell is converted into Lime of the finest quality and as white as the driven snow.

Dr. James Higgins, State Agricultural Chemist, in Company with Col. Watson, visited Mr. Coulter's place of business a short time since, and pronounced his Lime the most beautiful article of the kind the said ever seen.

Mr. Coulter furnishes his Lime at Baltimore prices and the Farmers of Anne Arundel county and others would do well to give him a call, if they wish to procure an article of superior quality.

GOLD! GOLD!! GOLD!!!

THE greatest offer in gold pens, gold pencils, gold chains, and gold watches, ever made.—Read the following:

A SPLENDID GOLD PREMIUM worth from five to one hundred dollars, positively given to any person who can spare one day in a week, or one hour in a day, getting up clubs of subscribers in his own and adjoining neighborhoods, for the best and most popular Family Newspaper now published. No expense, no outlay, no capital required of Agents. An entire new plan is proposed, by which any person can succeed in making it a paying business, who will undertake the agency. A private circular, for the inspection of agents only, with full list of premiums, will be sent to any one who desires it, on receipt of a stamp to pay return postage. Some agents have earned a hundred dollars gold Watch in one week.

Every family should read at least one newspaper from New York city, without interfering with their Local Papers, which of course cannot, and should not, be dispensed with. But New York being the great commercial and business centre of this Continent, no farmer, mechanic, professional man, or merchant, is properly prepared for the emergencies of his calling, unless he is in communication with New York City, by means of one of its first class Newspaper mediums. Such a medium is our "LEDGER," neutral in politics, but giving all the facts, items of news, and thrilling incidents worth knowing throughout the country.

A VALUABLE GIFT.

Each new subscriber will receive with the first No. of his or her paper one of the new and beautiful glass pointed indelible Pencils, just imported from Europe, and for which we have obtained the exclusive agency for this country. This is the most ingenious and useful little improvement of the present age, and is the only pencil ever made that will write with ink, making it both a pen and a pencil of the finest quality at the same time. It will last for years, and for practical use is worth more than any gold pen in the market.

For list of premiums and full particulars, address

HALL & WEST, Publishers,

RETIRED PHYSICIAN.
75 YEARS OF AGE,

WHOSE hands of life have nearly run out, discovered while in the East Indies, a certain cure for Consumption, Asthma, Bronchitis, Coughs, Colds, and General Debility. The remedy was discovered by him when his only child, a daughter, was given up by the Physicians. He had heard much of the wonderful restorative and healing qualities of preparations made from the East Indian Hemp, and the thought occurred to him that he might make a remedy for the child. He tried it hard and succeeded in realizing his wishes—the child was cured, and is now alive and well. He has since administered the wonderful remedy to thousands of sufferers in all parts of the world, and he has never failed in bringing them back to health and happy. Wishing to do as much good as possible, he will send to such of his fellow-beings as require it, this recipe, with full and explicit directions for making it up, and successfully using it. He requires only the price of the medicine to defray the actual expense of advertising, &c., which is only Five Dollars for a sufficient quantity to effect a cure. Strawberry Plants for Sale.
STRANDBERG'S CHAMPION STRAWBERRIES.

AFTER four years of careful selection and cultivation, with personal attention, I have produced the finest Strawberries in the country, some of them measuring 5 inches around, in fact they are all very large and of a superior flavor.—As an evidence of their superiority over all other Strawberries that was in the Baltimore market, where they sold for 124 cents per quart retail, Strandberg's Champion Strawberries sold readily for 50 cents wholesale throughout the season, and the supply fail the demands at that price.—They were also sent to New York and pronounced by Taylor, the best ever sent to New York market. I offer my plants to the public, there is no humbug about them. I refer to gentlemen who have seen my Strawberries, and some of them examined my beds, and ready to testify to the above as correct. I refer to

Gen. T. Tilghman, Daniel Lloyd, Esq.,
Col. S. Hambleton, Morris O. Colston, Esq.
Col. R. L. Thomas, Jas. N. Goldsborough,
Col. Ed. Lloyd, Jr., Doct. Hardcastle,
James H. Martin, Esq.,
Talbot County.
Col. Ed. Francis, Mr. Bucher,
Doct. Owens,
Baltimore.

The plants will be ready for delivery the first of August. They will be packed carefully in moss, the roots covered with mack and can be sent any distance with perfect safety. Price $5 per hundred. Orders sent by mail will be promptly attended to, and sent according to direction.

HENRY J. STRANDBERG,
jn 13-tf Easton, Talbot County, Md.

Editors inserting the above three insertions and sending us a copy will receive 100 plants, sent to their address.

PHILEMON FLOYD takes this method of informing his customers and the public generally, that he can be found at the old stand, where he still continues to carry on everything in the line of a Barber. Having been at some additional expense, and the high price of provisions, has caused him to raise the price of Hair Cutting to 12½ cents—Shaving at the old price, 6¼. Shampooing 25, Boot Blacking 6. His patrons can find the Baltimore papers at his shop, after the arrival of the steamboats, and have an opportunity to read the latest news.
