LEWIN W. WICKES,
JAMES W. IVENS,
JOHN C. REDMILE,
Democratic State Central Committee for Kent Co

THE ISSUE TO-DAY.

The paramount issue at the primaries to-day is the retention or the ousting of the present State Central Committee for the county—the three men who have only held the position for two years, and who have conducted themselves with perfect fidelity and zeal. Messrs. Lewin W. Wickes, James W. Ivens and John C. Redmile are true Democrats and there is no reason whatever for this fight against them. Why should Mr. Wickes be kicked out to please Mr. Harrison Vickers, Jr.? Be the latter ever so well qualified—and we do not say whether he is or not—he is certainly no improvement on Mr. Wickes. Mr. Wickes stands as high as any other in the county, and no one can question his integrity. Besides he has held the position but a short time. And so with the other two members of the committee, and the comparisons that might be made would be greatly to the advantage of James W. Ivens and John C. Redmile. Then let not such a wrong be done to these faithful partymen. Democrats who are willing for fair treatment will be at the polls to-day and vote the organization ticket. This is the only way to retain the present committee's efficient services. If the anti-organization ticket win Messrs. Wickes, Ivens and Redmile will be supplanted by others without the shadow of a doubt. *That is the issue.* Any delegation can be trusted to do the right thing in the matter of a gubernatorial nominee. The county will accept either of the distinguished men named, whether he be Ex-Governor Brown, Joseph D. Baker or Henry Williams, and either would make a strong candidate. There is no issue whatever on State officers. The attempt to creste such an issue in favor of Brown, or Baker, or Williams or any other man, is only intended to decieve voters and cover up the evil design in the other direction.

LET IT ALONE.

There should be no more talk about disfranchising amendments. The only one possible to pass Maryland, and which has once been made an issue, was voted down. That killed that business forever. No disfranchisement amendment can possibly be framed by mortal man in this State can again have any hope of the people's endorsement.

So, let that alone.

Let us accept Ex-Gov. Jackson's suggestion and make a straight fight for Governor on the good government platform.

THE insincerity of the anti-organization against the use of money in to-day's primaries was discovered yesterday. A straight proposition in writing not to use money from Lewin W. Wickes, Esq., as chairman of the State Central Committee, was made to them, and they declined under the *subterfuge* of judgship appointments.

WATCH THEM!

The anti-organizationists adopted the anti-bribery slogan in their organ last Saturday. They railed against the evil in the strongest possible language and tried to make its readers believe that our side was most likely to indulge in that sort of demoralizing business. Indeed they were so awfully virtuous that they threatended even *to beat the ticket if any money was used* in the primaries to-day! The organization leaders do not claim to have a monopoly of virtve but they are sure that their position upon this question is fully as elevated as their opponents. At least it was determined to test the anti-bribery howlers, and on Monday last Lewin W. Wickes, Esq., notified the other side that the organization was ready to enter into an agreement to carry out their own proposition. They took two days to consult each other and then DELIBERATELY REFUSED TO MAKE ANY SUCH AGREEMENT.

Nor is there any explanation for such a refusal. The people will draw their own conclusions.

We now reiterate our former advice—let the honest Democratic voters be on the watch today and rebuke that faction which *first begins* the use of money by voting against their candidates.

Both sides can and will use money if it is once commenced, so that it is those who begin it that should be watched closely today and punished.

MEMORIES BAD?

The organ of the anti-organization in a "kick" against the naming of judges by the State Central Committee says:

"Never before for 50 years has any State Central Committee for Kent County presumed to name judges at primaries."

My, my, my, what short memories our neighbors must have. In the call for Democratic primaries held June 10, 1905, we find the following judges *appointed by county executive committee and endorsed* by the State Central Committee which at that time comprised Adam F. Huey, John M. Comegys and Samuel J. Wickes:

Millington—Pearly Moffett, Gove Everett and William T. Jones.

Galena—Frank P. Cochran, Benjamin P. Walters and H. J. Gray.

Second District—E. C. Bowers, Charles G. Watts, John Redmile.

Third District—Thomas J. Willis, Arthur L. Harris, Joseph Duyer.

Fourth District—Harry Cannan, Alwyn M. Culp, Charles W. Kibler.

Fifth District, first precinct—Elmer E. Leary, Clarence Hersch, Milton L. Maslin.

Fifth District, second precinct—Wm. Burgess, John L. Lewis, Edgar H. Strong.

Sixth District—Mahlon Lee, Walter B. Barnes, Archie Ramage

Seventh District—Victor Hendrickson, Wesley McCleary, J. H. Thompson.

In the appointment of judges for today the State Central Committee has done *exactly* as the opposition did in the above case, viz., *took the judges named by the county executive committee!* And this was not 50 years ago, either.

THE judges selected for the primaries today are Democrats, fair and just. They have been tried and found to be efficient and worthy of confidence. They are as follows:

First Precinct, First District—George W. Jones, Wm. H. Loper, J. B. Stevens, Jr.

Second Precinct, First District—E. T. Massey, Walter R. McIntyre, Harry Parr.

Second District—W. S. Hurlock, George Rasin, Ellsworth Bowers.

Third District—Jas. Sheats, T. J. Willis, Joseph Howard.

Fourth District—C. L. Dodd, C. W. Kibler, Harry Cannon.

First Precinct, Fifth District—Rock Hall—W. Reybold Willson, Jeff. D. Ayres, Chas. Harrison.

Second Precinct, Fifth District, Edesville—Vachell Burgess, Capt. Lum Ashley, John E. Hadaway.

Sixth District—Archie Ramage, H. D. Rash, Frisk Ward.

Seventh District—Geo. Beck, Dave Sutton, Raymond Startt.

The above named Judges in each voting place shall have the power to appoint two clerks for each voting place, and in the event of a Judge refusing to serve, the remaining Judges shall have the power to appoint a Judge to fill the vacancy

Political Notes.

Republican primaries are called for Kent county Saurday, August 10th. The fight is warming up quite lively for control in State politics between Chairman Wilbur Eliason and John D. Urie, Esq.

The conference of Maryland Democratic leaders called by Senator Whyte met Tuesday afternoon at the Central Young Men's Christian Association Building, and the party is no nearer now to knowing who will be its candidate for Governor than it was before, although to our minds it looks like ex-Governor Brown.

The conference unanimously adopted resolutions describing the kind of man who should be nominated, pledging those present to attend the State convention and urge upon the delegates the selection of such a man.

Probably the most interesting piece of news that developed prior to the assembling of the conference, when those invited gathered in the lobby of the Hotel Rennert, was that ex-Gov. Elihu E. Jackson, the veteran leader of Wicomico county, is strongly opposed to the nomination of ex-Governor Brown and is exerting his influence on the Eastern Shore and elsewhere to prevent his nomination.

Lewin W. Wickes, Esq., made a hit when he suggested that the whole party could unite on Senator Whyte for the Governorship and elect him, but Gov. Whyte shook his head. Kent county, Mr. Wickes said, has no preference for Governor, but is anxious to see a winning candidate nominated.

SPOOL COTTON GOES UP.

Spools To Cost Ten, Not Five Cents, And Trust Is Blamed.

NEW YORK, July 18.—Cotton thread, until a short time ago the most stable in price of all the staples, selling the country over for 5 cents a spool, is to be advanced again, so that the retail price will be 10 cents. On May 29 there was an advance, which brought the retail price to 6 and 7 cents.

Cotton thread for domestic use is manufactured almost exclusively by a trust. Increased cost of raw material and an advance in wages is the reason given for the contemplated increase in price. Independent manufactures declare that neither of these reasons is a good one, for when cotton was selling much higher than it is now thread retailed for 5 cents.

Spool cotton is not the only article that is advanced in price by the trusts, but everything else. The only remedy to stop these advances is to revise the tariff Will it be done?

Scholarships Awarded.—At a meeting of the School Board for Queen Anne's county, held on Tuesday last, the following scholarships were awarded: St. John's College, S. Newton Smith, Jr., of Willoughby; Maryland State Normal School, Misses Mary Cullen, of Centreville, and Edna Walls, of Ingleside; Normal Department, Washington College, Miss Martha Pennington, of the First District. A number of changes were also made among the teachers in the county. Miss Margaret Lockard was appointed teacher of the fourth grade in the High School to succeed Miss Nellie Clash. Miss Clash was appointed teacher in the place of Miss Frances Crouse, resigned. Miss Nannie Keating was appointed to fill Miss Lockard's position in the primary school. Miss Rose Coursey was selected as Miss Keating's successor at Church Hill. Miss Evelyn Rolph was made an assistant teacher at Ingleside.

Is a sensible, a safe, a wise investment — purchasing the cheap kind is a waste. Putting a reasonable amount into a really good ring, for instance, is as wise as spending it for new clothing.

The ring assists to produce that general appearance of well-to-doness which it will pay any man or woman to cultivate.
