HOWARD ASSOCIATION,
PHILADELPHIA.

A Benevolent Institution, established by special endowment for the relief of the sick and distressed, afflicted with Virulent and Epidemic diseases.

TO all persons afflicted with Sexual Diseases, such as Spermatorrhœ, Seminal Weakness, Impotence, Gonorrhœa, Gleet, Syphilis, the Vice of Onanism, or Self Abuse, &c., &c.

The Howard Association, in view of the awful destruction of human life, caused by sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by Quacks, several years ago, directed their consulting Surgeon, as a Charitable Act worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical Advice Gratis, to all who may apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in cases of extreme poverty, to FURNISH MEDICINES FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just published by the Association, a Report on Spermatorrhœa, or Seminal Weakness, the Vice of Onanism, Masturbation or Self Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed letter envelope,) FREE OF CHARGE, on receipt of TWO STAMPS for postage.

Address, for Report or treatment, Dr. GEO R. CALHOUN, Consulting Surgeon, Howard Association, No. 2 South Ninth Street, Philadelphia, Pa. By order of the Directors,

RETIRED PHYSICIAN,
75 YEARS OF AGE,

WHOSE sons of life have nearly run out, discovered while in the East Indies, a certain cure for Consumption, Asthma, Bronchitis, Coughs, Colds, and General Debility. The remedy was discovered by him when his only child, a daughter, was given up to die. He had heard much of the wonderful restorative and healing qualities of preparations made from the East India Hemp, and the thought occurred to him that he might make a remedy for the child. He studied hard and succeeded in realizing his wishes.—His child was cured, and is now alive and well. He has since administered the wonderful remedy to thousands of sufferers in all parts of the world, and he has never failed in making them completely healthy and happy. Wishing to do as much good as possible, he will send to such of his afflicted fellow-beings as request it, this recipe, with full and explicit directions for making it up, and successfully using it. He requires each applicant to inclose him one shilling—three cents to be returned as postage on the recipe, and the remainder to be applied to the payment of this advertisement. Address

LIME.

To the Editor of the Annapolis Gazette:

WE deem it due to Mr. COULTER, of your place, to invite public attention to the very superior article of LIME now furnished by him. In doing so we feel that we are rendering a service to the Farmers, and especially to those of Anne Arundel county. We say without hesitation that, in our opinion, Mr. COULTER furnishes an article greatly superior to any thing of the kind we have ever used or seen. The Lime furnished by him is burnt with the best spruce pine and light wood, the ashes of which every Farmer knows the value of, in improving land. These mix with the Lime and add greatly to its fertilizing properties. Whereas the Lime obtained from Baltimore and elsewhere is burnt with the filthy coal offal, procured from yards, and of course inferior in quality and of much less value as a fertilizer than that furnished by Mr. COULTER.

Mr. Coulter must certainly possess some secret in manufacturing his Lime, for we have never seen any Lime where all the shells were so thoroughly burnt. He burns ten thousand bushels in ten days, and every shell is converted into Lime of the finest quality and as white as the driven snow.

Dr. James Higgins, State Agricultural Chemist, in Company with Col. Walton, visited Mr. Coulter's place of business a short time since, and pronounced his Lime the most beautiful article of the kind he had ever seen.

Mr. Coulter furnishes his Lime at Baltimore prices; and the Farmers of Anne Arundel county and others would do well to give him a call, if they wish to procure an article of superior quality

Strawberry Plants for Sale.
STRANDBERG'S CHAMPION STRAWBERRIES.

AFTER four years of careful selection and cultivation, with personal attention, I have produced the finest Strawberries in the country; some of them measuring 5 inches around, in fact they are all very large and of a superior flavor.—As an evidence of their superiority over all other Strawberries that was in the Baltimore market, when the best sold for 12½ cents per quart retail, Strandberg's Champion Strawberries sold readily for 50 cents wholesale, throughout the season; nor could he supply half the demands at that price.—They were also sent to New York and pronounced by Taylor, the best ever sent to New York market. I offer my plants to the public, there is no humbug about them. I refer to gentlemen who have seen my Strawberries, and some of them examined my beds, and ready to testify to the above as correct. A VALUABLE GIFT.

Each new subscriber will receive with the first No. of his or her paper one of the new and beautiful glass pointed indelible Pencils, just imported from Europe, and for which we have obtained the exclusive agency for this country. This is the most ingenious and useful little improvement of the present age, and is the only pencil ever made that will write with ink, making it both a pen and a pencil of the finest quality at the same time. It will last for years, and for practical use is worth more than any gold pen in the market.

For list of premiums and full particulars, address HALL & WEST, Publishers,

PHILEMON FLOYD takes this method of informing his customers and the public generally, that he can be found at the old stand, where he still continues to carry on everything in the line of a Barber. Having been at some additional expense, and the high price of provisions, has caused him to raise the price of Hair Cutting to 18¾ cents—Shaving at the old price, 6¼; Shampooing 25, Boot Blacking 6. His patrons can find the Baltimore papers at his shop, after the arrival of the steamboats, and have an opportunity to read the latest news. july 1—y
