## Leinau's American Fertilizer.

HEAR what Mr. Barkesdale, of Virginia, says of Leinau's American Fertilizer: Upon my Tobacco plants your Fertilizer surpasses anything I ever used. I mean to try it on my wheat crop this year, 1854. He purchased 38 tons.

Hear what Messrs. Plumby & Nields, of Wilmington, Delaware says: We have received intelligence from Farmers who have used Leinau's American Fertilizer, both in Chester and Lancaster Counties, and to whom we have sold Leinau's American Fertilizer, that it is equal to the best Guano.

Hear what David Field, of Camden County says: I used Leinau's American Fertilizer upon my Wheat Fields, and they exceed any wheat fields in my neighborhood.

Hear what S. Thompson. Esq., of Chester County says: I have used Leinau's American Fertilizer upon my wheat crop, and the wheat is far superior to other fields where I used Guano, Superphosphate and Barnyard Manure

☞Farmers, use Leinau's American Fertilizer Can be had at half the price of Guano, and is more lasting. and will not burn the seed

☞ONLY $25 A TON OF 2240 LBS ☜

Also, Fertilizers for Fruit Trees and Grape Vines—a sure remedy for the peach worm and the circulio.

**352½ ACRES.**

THE subscriber, desirous of removing to the West, will sell his farm known as the

**"Everlasting,"**

lying and being upon Fairlee Creek one-and-a-half miles from the Chesapeake Bay, and seven and a half from Chestertown, in Kent county, Maryland. This farm may be called in a high state of cultivation, having been limed, ashen and manured very recently. Within the last two years 8000 bushels of lime have been spread, covering about two-thirds of the arable land for the fourth time—one half the balance has been covered three times, and the remainder once. This farm is considered one of the best in the county for grazing purposes, being well adapted to grass, and having running water in every field It is very conveniently situated with respect to market for all kinds of produce, having two landings upon it, and being within thirty miles of Baltimore. The BUILDINGS on the premises are in good order ($1000 having been expended upon them the past season) and well adapted to the uses for which designed, viz—Granary, Stabling, Shedding, Loft Room, &c. For School, Church and Mill facilities, this property cannot be surpassed, there being a well conducted grist and saw mill adjoining; four churches within five miles, a school within one and a half miles. There is a pump of excellent water convenient to house and barns. Also a young and flourishing

***Peach Orchard***

in full bearing, of choice and very early fruit, and many other advantages generally considered minor, but which in reality are a farmer's comfort and his pleasure. There is plenty of
