VOL. 69. CHESTERTOWN MD., SATURDAY, AUGUST 24, 1907 NO. 12

A Reasonable Proposition.

The season is well advanced and we have more goods than we will carry over, and there is but one way for us to bring about the desired result; that is to fix prices at such tempting smallness as to attract the purchasing public. Hence our

Great Reduction

on all remaining summer goods. Men's, Boys', Children's weareables all go alike at our wind-up-of-the-season price.

It is needless for us to mention figures on clothing as you are well acquainted with our clearance sales of the past and know the positive genuineness of them. We never indulged in that flim-flam method of marking prices up and then reducing them to a point where there is still left a great big profit. You've only to see the values offered in this sale to appreciate them.

In this sale is included the best one dollar neglige shirt in the world, full cut and guaranteed fit, 79c and so on throughout our entire store you will find the greatest bargains. STRAW HATS half price—our loss your gain.

Yours for business,

J. D. Lucas

(Opposite Stam's Hall.)

This is the greatest motor yet produced. Come see it work. Get my prices. Installing done right here and all machines and work guaranteed for one year. Write for catalogue and prices.

Mr. Kramer is an up-to-date merchant and his fair dealing methods are meeting with the approval of the people of lower Kent. It is not necessary for persons to go to the city to get suited in clothing, dress goods, millinery, etc. when merchants like we have in Kent are right at our doors.

DEATH'S DOINGS.

GEORGE THOMAS WILLIAMS.

After a long illness, Mr. George Thomas Williams died at his home near Worton Station Friday night, aged 69 years. The deceased was a well-known and highly respected citizen and leaves a void in the community about Worton which will be noticed. Funeral services were held at his late home on Monday afternoon at 2 o'clock, Rev. W. E. Habbert, of Kenton, Del., officiating. Interment was in Chester cemetery. Undertaker W. H. Krusen had charge of funeral arrangements. Bearers, James T. Dixon, Jas. W. Ivens, Harry C. Cooper, Samuel F. Cooper, Harrison I. Parsons, George S. Biddle.

JOHN J. GREER.

Mr. John J. Greer, of the firm of John J. Greer & Co., wholesale iron and steel dealers, 207-209 West Pratt street, died Friday morning at his home, 1819 Park avenue, after an illness of three weeks, aged 57 years. During his long business career Mr. Greer became prominent in mercantile and manufacturing circles. He was a Mason and a Knight Templar. He was also a member of the Baltimore Whist Club and the Baltimore Country Club. He married Miss Rose Ingle, daughter of the late Henry Ingle, a pioneer citizen of Washington, D. C., who survives him. He also leaves four sisters—Mrs. James S. Harris, of Kent county, and Mrs. Joseph A. Forman and Misses Anna and Belle Greer, 335 West Biddle street.

GEORGE ALFRED RAWLEIGH.

George Alfred Rawleigh, 3 month old son of Mr. Bert Rawleigh, died Saturday and was buried Monday, interment Chester cemetery.

Claudia Brown, daughter of Mr. and Mrs. Claude Brown, of Pomona, died on Thursday morning, aged one year. Rev. Mr. McCoy officiating. J. E. Ferguson undertaker. Interment at Chester cemetery.

CHURCH NOTES.

Rev. Luther R. Dyott, the only son of Mrs. Sarah E. Dyott, of Centreville, at one time a member of the Methodist Protestant Conference, but at present pastor of the United Congregational Church, Brooklyn, N. Y., has accepted a call to the First Congregational Church, at Portland, Oregon. The church has a thousand members and is said to be one of the most influential congregations on the Pacific Coast. Before accepting a call to Brooklyn Rev. Mr. Dyott was pastor of the Methodist Protestant Church, at Newark, N. J. It is not known just when he will leave for his new field of labor.

A goodly number of friends met at Mr. Samuel Wallen's last Monday night and organized an aid society for the benefit of Providence M. P. church, of Crumpton circuit. They decided to hold an oyster supper in connection with a festival on the 14th and 21st of September. This society starts out with bright prospects. Rev. C. J. Burdette is pastor.

Dr. H. L. Elderdice filled the pulpit of Christ church Sunday in a most acceptable manner.

At the recent convention of the Protestant Episcopal Church a committee was appointed to raise a purse to be presented to Bishop W. F. Adams, of the Diocese of Easton, who has just completed his 20 years' service in the diocese. The committe met at the Episcopal residence, corner of Aurora and Goldsborough streets, Saturday evening and presented him with the purse, which amounted to $500, as a token of appreciation of his services.

On account of the illness of the rector, Rev. S. R. S. Gray, there will be no services in either St. Paul's or I. U. churches Sunday August the twelth.

Sale of Property.—Messrs. Benjamin Durding, of Rock Hall, and J. Waters Russell, of Chestertown, have purchased of the Simmons heirs the farm in Piney Neck known as "Kimbolton" and "Smyth's Venture." This farm is tenanted by Mr. Charles D. Wood and contains 401 acres. The price is stated to be $12,000.

Dr. W. H. Jacobs has sold his small farm in Queen Anne's, near Millington.

Accidents.—A team belonging to Mr. W. T. H. Whiteley, liveryman, was badly used up Sunday evening near Chester bridge. The carriage was wrecked and the horse cleared the bridge as he ran at a rapid gait to Kent.

Benjamin Beck, the nine-year-old son of Mr. Benjamin F. Beck, Jr., of Lankford, while riding Mr. Joseph M. Stoops' young horse to town on Monday afternoon was thrown and received a very severe scalp wound. Young Beck was riding the horse to town to Mr. Wm. A. Bell's stables, who will train and drive him at the Tolchester Fair, and while descending the hill at Brice's mill the horse stumbled and fell throwing the boy with violence headlong upon a stone inflicting a painful laceration, laying bare the skull for about four inches. Mail carrier, Fred S. Russell, who happened along, took the boy and hurried him to town, where Dr. H. G. Simpers rendered medical attention. Mr. Stoops' horse also was cut and scared.

Mr. Clifton Jarrell's driving horse was chloroformed Sunday having been seriously cut in a runaway last week as noted in the NEWS.

CHESTER RIVER DRAW.

Nothing Will be Done For Sometime—Both Sides Must be Heard Before Action Taken.

No report from Colonel Hoxie in regard to the drawbridge over Chester River, at Chestertown, has been received at the War Department. If Mr. Motte, who examined the bridge, with Mr. Boggs and Mr. Clements, as to increasing the size of the draw, has made a report recommending that the draw be widened he has made the recommendation to his chief—Colonel Hoxie—and not to the War Department, as reported in daily papers. General McKenzie, the chief of engineers, said that the department would not receive a report from anyone except the engineer in charge of that district, and that engineer was Colonel Hoxie, and even then the department would not be able to take immediate action on the question. The law in the matter was explicit and required that both sides of the controversy be given reasonable time to present their sides on the subject.

The department always had a preliminary investigation made of questions as to obstructions to navigations in navigable rivers. On the request of the committee and associations asking for the widening of the draw of the Chestertown bridge, a preliminary investigation was started by asking Colonel Hoxie to examine the complaint and make a report to the department. Until Colonel Hoxie reports, the department can do nothing. When he does report, the matter will come before the Secretary, and if he sees fit he will order a formal investigation or examination, and, according to law, will order that a public hearing be held after "reasonable" notice has been given both sides to appear and state their reasons for desiring or opposing the asked-for change.

In this case the Secretary of War will instruct Colonel Hoxie to advertise the date of this public hearing and invite both sides to appear at the meeting for argument. All others interested in the proposed widening of the draw will be allowed to appear and be heard on the question if they desire. The entire testimony is taken and included in the report to the Secretary, who, after considering it, will give his decision.

General McKenzie stated that there was not the least desire to delay the matter, but the law prescribed a certain course in all such matters and this course had to be and would be followed in the Chestertown bridge matter, as it had been done in all bridge matters hitherto. The public hearing, if it is held, will be held by Colonel Hoxie in Baltimore or at whatever place he desires in his engineer district.

Wills Probated.—The will of the late Mrs. J. C. Jones was filed for probate in the Orphans' Court Tuesday. It bequeaths $500 worth of stock to her husband provided he does not marry within five years and $100 to Mrs. Minnie A. Jones Mann, provided she remains with her father five years after the death of Mrs. Jones. To Mrs. Clara Louise Jones Williams is left all jewelry and dresses. The balance of the estate is to be sold and divided among the children. This will was made May 13, 1886, and witnessed by Chas. H. Baker and Casper G. Woodall.

Great Camp Meeting.—The Holiness Camp in Klinefelter's woods closed Sunday night after a most successful session. Sunday was a big day in camp there being more than a thousand people present. Vehicles from as far as Denton, Smyrna, Bohemia Manor and elsewhere were picketed in the beautiful grove. The immersion of three ladies and two gentlemen in Chester river opposite Riversihe Hotel took place at 8 A. M. and was witnessed by scores of persons who lined the shore or stood upon the bridge. There were about a score converted during the day. The singing was certainly inspiring.

Story of a Watch.—Rev. J. H. Kuhlman, pastor of Chesterville M. E. Church South, lost an elegant gold watch in Chestertown on July 6th, 1906, and recovered same this week. The watch was found by a colored youth, Herbert Wells, who gave it as a present to his girl. It was stolen from the girl recently and pawned in Chestertown but afterwards redeemed. The watch was displayed before a crowd of colored men this week and a dispute arose as to its value. To prove its worth the watch was carried to J. H. Sides' jewelry store and as soon as the expert jeweler, Samuel Kreeger, examined it he recognized the lost watch and retained it greatly to the chagrin of the colored folks.

(Distributive share of real estate of late Capt. Andrew Woodall.)

MEET your friends at the Fair next week at Tolchester.

Painters' Strike.—The painters in Chestertown struck for higher pay last week and their employes, Messrs. Fowler, Baker and Needles, were compelled to accede to their demands.

THE buoy boat Holly in command of Capt. Lloyd, a native of Talbot, was at Chestertown yesterday. Capt. L. married one of the popular daughters of the late Judge Robinson.

NEXT week will be Fair week.
