The answer is simple. The public debt of the Federal government recently passed the \$37,000,000,000 mark. The nation is continuing to go into debt at the rate of several billions of dollars annually. And, no practical effort has been made to correct this sad state of affairs. The average citizen, while he may know plants may be taken now and citations comprising the citations comprising the Lesson-Sermon will be the following from the Bible—John 1:1— lowing from the Bible—John 1:1— mursery is to deliver and do the planting.

Among the citations comprising the Lesson-Sermon will be the following from the Bible—John 1:1— lowing from the Bible—John 1:1— mursery is to deliver and do the planting.

Just before the leaves fall in the wood was with God, and the Word was God."

The Lesson-Sermon also will include pasages from the Christian Science and the Word was God."

The Lesson-Sermon also will include pasages from the Christian Science and Control of Compost and fertilizer.
