Vs.
HARRISON WILKINS, Centreville, Maryland, LUCILLE FISHER, Grasonville, Maryland, DURLEY WILSON, Grasonville, Maryland, WILLIAM NICHOLSON, Grasonville, Maryland, JAMES OWEN NICHOLSON, 473 N. Marshall St., Philadelphia, Pennsylvania, and the UNKNOWN HEIRS OF SUSANNA WILKINS, DECEASED, Respondents.
IN THE CIRCUIT COURT FOR QUEEN ANNE'S COUNTY
IN EQUITY
Cause No. 3890

The object of the Bill is to procure a decree for the sale of the hereinafter described real estate for the purpose of applying the net proceeds of sale to the payment of the debts of Charles Wilkins and Susanna Wilkins, and for such other and further relief as the complainant may be entitled to.

The Bill alleges that the Complainant disbursed Old Age Assistance payments to Charles Wilkins of $3,657.65 and to Susanna Wilkins of $2,732.90, that Charles Wilkins died a resident of Queen Anne's County, Maryland, about July 29, 1951, intestate, leaving said Susanna Wilkins, his widow, and Harrison Wilkins, one of Respondents, his adult son, as his only heirs; that no letters of administration have been granted upon his estate, that he died possessed of no personal estate but seized and possessed of that lot of land, improved by a dwelling house, situate in the Fifth Election District of said Queen Anne's County, being Lot No. 23 of the Grason Lots, containing 4 acres of land, more or less, being the same land conveyed to him by two deeds: (1) from John B. Brown, Trustee, dated September 25, 1890, recorded among the land records of said county in Liber W.D. No. 7, folio 88, and (2) from Alexander Wilkins, dated April 27, 1892, recorded in said Liber at folio 89; that Susanna Wilkins died a resident of said County about September 7, 1952, intestate, leaving surviving her the following adult persons, all respondents to this suit, as her only heirs known to the Complainant: Lucille Fisher, child and believed to be only heir of Rachel Hurt, daughter of decedent who predeceased her; Durley Wilson ,son of decedent; William Nicholson, son of Annie Nicholson, daughter of decedent who predeceased her; and James Owen Nicholson, also a son of said Annie Nicholson, deceased; that no letters of administration have been granted upon the estate of Susanna Wilkins, that she died possessed of no personal estate but seized and possessed of (1) a one-third undivided interest acquired as widow and an heir of Charles Wilkins, deceased, in and to the lot of land above described:; and (2) the lot of land, unimproved, situate in the Fifth Election District of said Queen Anne's County, containing 24,219 square feet of land, more or less, which was conveyed to Susanna Wilkins by John Wesley Wilkins, et al., by deed dated November 28, 1949 ,recorded among said land records in Liber N.B.W. No. 4, folio 579.

It is thereupon, this 10th day of November, 1953, by the Circuit Court for Queen Anne's County, in Equity, ORDERED that the Complainant, by causing a copy of this order to be published in a newspaper printed and published in Queen Anne's County, Maryland, once in each of four successive weeks before the 12th day of December, 1953, give notice to James Owen Nicholson and the Unknown Heirs of Susanna Wilkins, deceased, of the object and substance of the Bill of Complaint and warning them and each of them to be and appear in this Court on or before the 28th day of December, 1953, to show cause, if any they have, why the relief prayed for by the complainant should not be granted.

For a real bargain — get a real truck!

SURE, you can save a few dollars now on a truck price-tagged slightly less than a GMC. But if you want a bargain that will still be a bargain after years of hard truck-work, ask these questions *before* you buy:

Does the truck give you a GMC's 105 H.P.? That's up to 19% *more* power than comparable sixes. It hustles a GMC's top loads up tough pulls—without engine strain.

Does it have a GMC's 8.0 to 1 super-high-compression? That gives you quicker getaways — more drive — better mileage. All on regular gas.

Does it offer a GMC's engine-sparing Truck Hydra-Matic*? With it, you say good-bye to gearshift wrestling. No more clutch repairs. Maintenance costs shrink.

Does it have the extra protection of a GMC's self-energizing brakes? The extra comfort of a GMC's "Six-Footer" cab? The handling ease of a GMC's ball-bearing steering action?

If all the answers are "yes," you have a *real* bargain—a GMC. And there are 19 handsome ½- to 1-ton models to choose from. How can you lose?

**Standard equipment on Package Delivery chassis; optional at moderate extra cost on all others.*
