HOW TO AVOID APPENDICITIS

Most victims of appendicitis are those who are habitually constipated. Orino Laxative Fruit Syrup cures chronic constipation by stimulating the liver and bowels, and restores the natural action of the bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes.

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. For sale by all druggists.

KENT REPUBLICANS DOUBT.

But Democratic Leader Says Caroline Model Is Good.

The anti-bribery crusade of The Sun is approved by the citizens of Kent county, who realize its curse upon the body politic. There is no one who is opposed to its abolishment except the venal voter, but the method of stopping it has not yet been discovered, in the opinion of Kent citizens.

John D. Urie, the leader of the Republican party in Kent, does not think much of the Caroline agreement and says he would much prefer to stand upon an "unwritten" compact between men rather than between committees.

James H. Baker, chairman of the Republican State Central Committee and candidate for Comptroller, says he is in favor of anti-bribery and of a corrupt practice act, but puts little faith in agreements.

John C. Davis, another member of the Republican State Central Committee, thinks the Caroline agreement a good thing and very binding, but believes that the candidates' friends could use all the money in hand for bribery and not violate any contract. He said: "Put me down as favoring any plan that will do away with bribery. I am sick of it."

The Democratic leaders here are not enthusiastic over the Caroline anti-bribery agreement, as they proposed such a plan to the Republicans some years ago, but Congressman W. H. Jackson would not listen to it and debauched the county with his money, while the Democrats did not spend anything for this purpose.

Lewin W. Wickes, chairman of the Democratic State Central Committee, said:

"Bribery at primaries and elections should be stopped, if possible, and every sincere effort like that in Caroline county should and will receive public support and commendation."

KICKED THE WRONG MAN.

A young married man in Boston met a friend of his bachelor days and insisted on his coming home with him to lunch. His wife was unprepared for visitors and calling him aside, told him she had only one dozen oysters and that when his friend had eaten his quota of four he must not be asked to take any more. In spite of his promise to remember, when the guest had eaten his four the host pressed him to take more. The wife looked distressed, and the friend declined every time the husband asked.

Later the wife said to her husband:

"How could you urge him to have more oysters when I had explained to you that there weren't any more?"

"I'm very sorry," said the penitent husband, "but I forgot all about it."

"Forgot about it! What do you suppose I was kicking you under the table for?"

"But you didn't kick me."

Regulates Marriage.—The full text of the decree of Pope Pius X, revising the declarations of the Council of Trent concerning marriage has been published in this country, taken from a translation in the English Catholic paper, the *Tablet*, of London. Certain portions of the decree have excited some comment. A clause in the new law ordains that from next Easter marriages among Catholics shall not be valid unless contracted before a duly authorized priest in the presence of two witnesses. Two exceptions to this, however, are made: First where there is imminent danger of death, and no duly authorized priest is obtainable, then any obtainable priest may perform the ceremony in the presence of two witnesses. The second exception is the one that has caused the greatest stir. It declares that when no priest is obtainable in the district, the man and woman can contract a marriage that will be valid merely by announcing their consent in the presence of two witnesses. At present a marriage made by a Protestant minister is regarded as valid by the Catholic Church, provided there is no impediment already existing which would render any marriage of the parties invalid. Nevertheless, it is the Catholic law that, although a marriage by a Protestant minister is valid, yet Catholics are guilty of moral sin in being married outside of the church. After Easter, if the text of the decree is to be taken literally, all marriages of Catholics before a justice of the peace, or even a Protestant minister, are to be regarded by the Church as null and void. This would not have effect under the civil law, but Catholics would consider such marriages as of no value.

Lipton Challenges for the Cup Again.—A challenge for the America's Cup, on behalf of Sir Thomas Lipton, in the name of the Royal Irish Yacht Club, was mailed to the New York Yacht Club from Dublin last Friday. The details of the challenge were arranged when Sir Thomas visited Dublin recently in the course of a yachting cruise around the British Isles on board the Erin. He told a friend months ago of his intention to challenge, having until the end of September to take action, he deferred challenging until the eleventh hour, not being desirous of giving the American yachtsmen more time than necessary to make preparations for defending the cup, they having, it is claimed, a great advantage, in it being necessary for the challenging yacht to cross the Atlantic. It is not known why Sir Thomas decided to challenge through the Royal Irish Yacht Club, instead of the Royal Ulster Yacht Club, which issued the previous challenge in his behalf, unless he thinks that a change of luck may follow his change of clubs.
