For the State Senate.
For three members of the House of Delegates.
For State's Attorney.

For seven delegates to the State Convention, one to be elected from each election district, and the seven so elected to name the eighth delegate.
For five delegates from each election district to meet in County Convention on Tuesday, July 30, to ratify the result of the Primary Election.

All registered and qualified voters of the county who desire to participate in the Democratic Primary Elections may do so without any oath being required. In the cases of those who have become of age since the last general election, and those who will become of age and thereby be entitled to register and vote at the next general election, upon proper proof being produced to the election Judges in the district or precinct wherein they reside on the day of the primaries, and, such proof being satisfactory to the judges before mentioned, will entitle them to participate in the Primary elections.

If any of the judges fail to be present and act, the one or more present shall fill the vacancy, in conjunction with the Advisory Committee.

Each Democratic voter will vote by ballot for the persons he prefers for each of the several offices to be filled.

The clerks shall keep a list of the persons so voting, and at the close of the polls deliver the same to the judges.

The judges of each district and precinct shall preserve the ballot boxes and ballots cast and list of voters in each precinct, and shall make a return of the same to the State Central Committee in Centreville on Tuesday, July 30, at 11 o'clock, A. M., and a duplicate return to the County Convention, which meets in Centreville on Tuesday, July 30, at 2 o'clock, P. Such returns shall be verified by the signatures of the judges, or by a majority of them, and shall be preserved by the State Central Committee until the November election following, and shall at all times be open to the inspection of any person interested therein.

On receiving such returns the State Central Committee shall ascertain the result throughout the county, and shall certify the same to the County Convention, to meet in Centreville on Tuesday, July 30, 1907, at 2 o'clock, P. M. And the said convention shall declare and publish the same in the Democratic papers in the county, announcing the person or persons receiving the largest aggregate vote for each office as the candidates for the Democratic party.

In case of a tie vote, the candidates shall be determined by the County Convention which meets in Centreville on Tuesday, July 30, 1907, publicly in the presence of all who may desire to attend.

If, after the announcement of candidates, any nominee shall decline, remove from the county or die, the County Convention shall substitute the person having the next highest vote, who is qualified as above.

Any ballot containing more names for one office than are to be nominated, shall not be counted for that office.

The ballots to be used at the Primary election above called shall be prepared and printed under the direction of the State Central Committee, and each precinct shall be provided with a sufficient number of ballots for the primary election.

The polls will be opened at 12 o'clock, M. and continue open until 8 o'clock, P. M. of the same day.

The Delegates to the County Convention will name the Delegates to the Judicial Convention.

The Government wants some scissors-grinders. If the purpose is to facilitate the cutting of red tape, all right.

The new Mayor of San Francisco is a tailor, a lawyer and a doctor. But what the rest of the world would like to know is whether he is a grafer.

One of our Chestertown exchanges says there are only 23 thirst-quenching joints in that town. Another exchange says it sounds like a fish item, but believes there are a few joints, and would like for them to be true to the number and skiddoo.

Today the Democrats of the county will chose the nominees for the several offices to be voted for in November. There are forty-six candidates to select from. Many of them never have held an elective or political office of any kind and are among Queen Anne's most representative citizens.

The voters are given today the fairest opportunity, that even a Republican organization could procure by the offer of a grand prize, to choose the men to represent them in the important business affairs of the county. There are several aspirants for each office and if good men are not chosen the voters can blame only themselves. Let each and every Democrat show their manhood by using their right of suffrage in choosing the candidates best suited to transact the business of the offices.

It seems that John D. Rockefeller has never really known whether his money was tainted, his attention being wholly centered upon the fact that it is easy.

A scientist has announced his intention of spending the summer at the seashore trying to find out why a man will fall in love with one girl rather than another. A good look at the bank account of the girl's father may aid him in finding a satisfactory solution.

Railroad magnates are now taking to wearing suits of all-white. This may be in complimentary imitation of Mark Twain, or of the old Roman candidates for public office, who hastened to forestall unkind criticism by wearing robes of white as typical of their complete purity.

Announcement is made that Carrie Nation will undertake to reform Pittsburg. Carrie ought to get a few volunteers from our Independent friends before she starts on her crusade, as it is quite likely that a number of them will be out a of job shortly and they are artists as reformers.

Mississippi has joined the ranks of the states which accuse the Standard Oil Company of violating anti-trust laws and claims $1,480,000 damages for the infringement. The grasping habits of these states would indicate that, while the trust has been with them, they have improved the shining hours by taking a few lessons out of Mr. Rockefeller's book.

The almost incredible charge is made that safety device patents to prevent railroad accidents are bought up and then suppressed, to keep from coming into competition with insufficient devices already in use. A government expert is to begin investigation to see if this is so. The increasing accidents require the charge of such a state of things either to be disproved or remedied.

Spasms
St. Vitus' Dance

Many persons who suffered untold agonies from epilepsy, fits, spasms, and St. Vitus' Dance are today well. The strengthening influence of Dr. Miles' Nervine upon the shattered nerves having restored them to perfect health.

"I endured agony that words cannot express from St. Vitus' dance, which followed a very severe spell of rheumatism. I doctored with a physician; but the more I took of his medicine the worse I got. My mother's devotion saved me. After she had become almost heart-broken, as well as physically exhausted from constant care, by the advice of a neighbor she procured a bottle of Dr. Miles' Nervine. From the first dose to the last a continual change for the better was noticable, and when I had taken eleven bottles I was well, and in robust health."
EDWARD D. REAM,
North Manchester, Indiana.

"Our little boy Harry, had spasms for three years, and although we doctored with many physicians, he continued to grow worse until he had ten spasms in one week. About that time our attention was called to Dr. Miles' Nervine. We began giving it to him. His improvement seemed slow, but when he had finished the fourth bottle the spasms had disappeared, and have not been seen now for years. We shall always recommend Dr. Miles' Nervine."
MRS. BELLE M. TINDALL,
Hastings, Neb.

Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

FOLEY'S KIDNEY CURE

corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the whole system, and the diseases that have resulted *from* disordered Kidneys disappear, because the *cause* has been removed. Commence taking FOLEY'S KIDNEY CURE at the first sign of danger. Do not risk having Bright's Disease or Diabetes.

CURED OF BRIGHT'S DISEASE.

Mr. Robert G. Burke, Elnora, Saratoga Co., N. Y., writes:—I am glad to have an opportunity of telling what magnificent results I have had from using FOLEY'S KIDNEY CURE after having tried other advertised medicines and several physicians. Before I began it I had to get up from 12 to 15 times each night to relieve my bladder. I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family across the room. In fact, I was so badly used up that I had given up hope of living when I was urged by a friend to try FOLEY'S KIDNEY CURE. One 50-cent bottle worked wonders, and before I had taken the third bottle the superfluous flesh had gone, as well as all other symptoms of Kidney trouble. My friends were surprised that I was cured, as they all thought I was going to die. Every few days some one comes from miles away to learn the name of the wonderful medicine that cured me of Bright's Disease, and not one that has tried it has failed to be benefitted.
