Mrs. CAPRON's

BOARDING-SCHOOL, Wilmington.

MRS. CAPRON has the honor to inform the public, that at the instance of a number of her friends, she has removed her BOARDING SCHOOL from Philadelphia to Wilmington, which henceforward she means to make her permanent residence.

Having with her capable teachers and assistants, in order that she may more completely do justice to her pupils, she proposes to limit their number to twenty-five——Her terms are as follows:

Ornamental education, inclusive of board, which in the city is £100 per annum, she reduces to £90 per annum.—For plain education, also inclusive of board, the price is £60 per annum. Entrance is $8; and one half quarter of the above sums must be paid always in advance. Beds and bedding are to be furnished by parents, otherwise to be a separate charge; also the use of instruments—Each boarder will bring a tea and table spoon.

MR. MILES will superintend the English branches, and there will be a public examination every three months.

An excellent dancing master from Philadelphia will attend the *Boarding School*; his services will constitute a separate charge.

MRS. CAPRON is conscious of the trust reposed by parents, in placing their children under her care; accordingly it will be her constant endeavor, and that of her assistants, whilst they advance the ornamental branches of her pupils education, to watch over their moral conduct, and establish them in good principles.

Dr. TISSOT's

Celebrated Gout & Rheumatism Drops,

A CERTAIN cure for the gout, rheumatism, lumbago, weakness of the joints and all kinds of sprains; for gleets be they ever so long standing; and for the stone and gravel is perhaps the most active penetrating and effectual remedy in the world. In the cramp and all pains in the head, face and body, it is without an equal.

This medicine, which justly claims a pre-eminence over all others, as being decidedly adapted for the speedy removal of those complaints above mentioned, owes its discovery to the justly celebrated Tissot, a physician of the most exalted eminence in his profession; and is chiefly the extract of an herb peculiar to Europe, to whose powerful healing, restorative and balsamic qualities, this gentleman, by the administering, owed much of his fame.

To be had, on the Eastern Shore, only of *Doctor William E. Seth*, Head of Wye, Talbot county.—Price $2 cash per bottle.

HENRY WARD,
Sole Proprietor.

Annapolis, May 27, 1806. 2e04

Certificate of Gen. Ridgeley of Hampton.

I CERTIFY, that having received a blow on my knee which induced severe pain and swelling, I was advised to apply Dr. Tissot's *Gout and Rheumatic Drops*, and on bathing the part with them only a few times, agreeably to the directions, they effected a perfect cure.

At any another time, my wrist was affected with Rheumatism to such a degree as to render my hand, for the time, useless; when on making application of the same remedy in like manner, the disorder in the course of 24 hours was entirely removed—I therefore, from the experience I have had of the efficacy of the said medicine consider it a beneficient act to recommend it in similar cases to others.

Certificate of Mrs. Margaret Ryan, of Calton Place, near Baltimore.

CERTIFIES, that she had been for upwards of 3 months so afflicted with Rheumatic pains as to be totally unable to do any work, or at all help herself—By the use of Dr. Tisot's *Gout Drops* she became in two days not only able to go about her business as usual, but every symptom of pain had left her, and she has continued free from every kind of Rheumatic affection.
