Trustee's Sale.

THE undersigned, as Trustee, will offer at public sale at 2 o'clock, P. M., on

TUESDAY,

the 20th day of November, 1855, at the Court House door, in the town of Easton, the real estate of which John A. Clough, died, seized and possessed, consisting of a Farm, in Bailey's Neck, in Talbot county. This farm contains about

172 ACRES OF LAND,

and is located in one of the most delightful necks in this county, distinguished for its spirit of improvement, as well as the hospitable character of its inhabitants.—The soil, naturally of a fine quality, was highly improved by its former owner, one of the county. The Orchards are of the best fruit, and the

DWELLING HOUSE,

and other buildings in good condition. It possesses all the advantages of a beautiful, healthy water situation; being mostly surrounded by Trippe and Tread-haven Creeks, immediately on the latter, where steamboats pass to and from Baltimore and Easton three times a week, and also within a few miles of our contemplated railroad, whichever route should be adopted.

This farm has been and is now one of the most productive in our county, and is well worth the attention of purchasers, possessing many advantages other than those enumerated.

The tenant, Mr. Ridgaway Dean, will show the premises to any one who may desire to purchase.

THE TERMS OF SALE

are as follows:—The rents will be reserved until the 1st day of January next.—One-fourth of the purchase money will be required in cash, and the balance in one, two and three years, in equal instalments with approved security, and interest from the day of sale.

HENRY H. GOLDSBOROUGH,

VALUABLE PROPERTY
For Sale.

352½ ACRES.

THE subscriber, intending to leave the county, will sell his farm known as the

"EVERLASTING,"

lying and being upon Fairlee Creek, one and a half miles from the Chesapeake Bay, and seven and a half from Chestertown, in Kent county, Md. This farm may be called in a high state of cultivation, having been limed, ashed, and manured very recently. Within the last three years

8000 BUSHELS OF LIME

have been spread, covering about two-thirds of the arable land for the fourth time—one half the balance has been covered three times and the remainder once. This farm is considered one of the best in the county, for grazing purposes, being well adapted to grass, and having running water in every field. It is very conveniently situated with respect to market for all kinds of produce, having

TWO LANDINGS

upon it and being within thirty miles of Baltimore.

THE BUILDINGS

on the premises are in good order ($1000 having been expended upon them the past season) and well adapted to uses for which designed, viz:—*Granary, Stabling, Shedding, Loft Room, &c.*

For school, church and mill facilities, this property cannot be surpassed, there being a well conducted grist and saw mill adjoining; four churches within five miles, a school within one and a half miles.

There is a pump of excellent water convenient to house and barn. Also a young and flourishing

PEACH ORCHARD

in full bearing, of choice and very early fruit, and many other advantages generally considered minor, but which in reality are a farmer's comfort and his pleasure. There is a plenty of

WOOD AND TIMBER for farm use, and some young thriving chestnut and locust. A fine meadow can be made with very little cost; in fact, the incipient step towards it has already been taken. All persons wishing to buy land in this county would do well to come and survey this property.

This farm is offered at private sale until the 25th day of November next, and if not sold by that time it will be for rent the ensuing year.

TERMS OF SALE:

$4000 cash will be required on the 1st of January next. A credit of 8 years will be given for the balance.

There are other inducements connected with this property, which cannot fail to suit purchasers. For further information address Editor Kent News, or
