A Valuable Farm for Sale.

THE subscriber offers for sale, a very valuable Tract of LAND, lying in Dorchester county, in the state of Maryland, distant about twelve miles from Cambridge and about three miles from Middletown, containing five hundred and fifty one acres of rich, fertile land, about 300 acres of which are cleared, the residue is woodland; of which about 200 acres are heavily set with remarkably fine stave and ship timber, which from its vicinity to navigable water (being only about a mile from Chicinicomico bridge, where vessels of considerable burden can lie along side the bridge and receive their cargo) is of particular value. This farm for the fertility of its soil, and the certainty of its productions, is considered equal to any in the neighborhood; and although the improvements are not of that description which such a farm deserves, they can easily be made very comfortable and convenient. The owner thinks himself justified in the assertion that the stave and ship timber on the above mentioned 200 acres, if taken to market, is sufficient to pay the purchase money for the whole farm. The price and terms of payment may be known by application to Doctor *Richard Goldsborough*, in Cambridge; *John Goldsborough*, esq. in Easton; or to the subscriber near Fredericktown. If the above farm is not sold at private sale before Monday the 21st day of December next, it will on that day be offered for sale, at public vendue, at Mr. John Bradshaw's tavern, in Cambridge.
