"EVERLASTING,"

lying and being upon Fairlee Creek, one and a half miles from the Chesapeake Bay, and seven and a half from Chestertown, in Kent county, Md. This farm may be called in a high state of cultivation, having been limed, ashed, and manured very recently. Within the last three years

8000 BUSHELS OF LIME

have been spread, covering about two-thirds of the arable land for the fourth time—one half the balance has been covered three times and the remainder once. This farm is considered one of the best in the county, for grazing purposes, being well adapted to grass, and having running water in every field. It is very conveniently situated with respect to market for all kinds of produce, having

TWO LANDINGS

upon it and being within thirty miles of Baltimore.

THE BUILDINGS

on the premises are in good order ($1000 having been expended upon them the past season) and well adapted to uses for which designed, viz:—*Granary, Stabling, Shedding, Loft Room, &c.*

For school, church and mill facilities, this property cannot be surpassed, there being a well conducted grist and saw mill adjoining; four churches within five miles, school within one and a half miles.

There is a pump of excellent water convenient to house and barn. Also a young and flourishing

PEACH ORCHARD

in full bearing, of choice and very early fruit, and many other advantages generally considered minor, but which in reality are a farmer's comfort and his pleasure. There is a plenty of

WOOD AND TIMBER

for farm use, and some young thriving chesnut and locust. A fine meadow can be made with very little cost; in fact, the incipient step towards it has already been taken. All persons wishing to buy land in this county would do well to come and survey this property.

This farm is offered at private sale until the 25th day of November next, and if not sold by that time it will be for rent the ensuing year.

TERMS OF SALE:

$4000 cash will be required on the 1st of January next. A credit of 8 years will be given for the balance.
